PLANNING AND DEVELOPMENT ACT 2005
DECLARATION OF PLANNING CONTROL AREA 161
Thomas-Kargotich Roads
Shire of Serpentine-Jarrahdale

File: RLS/0934

General description

The Minister for Planning has granted approval to the declaration of Planning Control Area (PCA) 161 over land for Thomas-Kargotich Roads, Oakford as shown on Western Australian Planning Commission (WAPC) plan numbered 1.7979.

Purpose

The purpose of PCA 161 is to protect a section of Thomas Road for future upgrade in line with its freight and regional road functions. The WAPC considers that PCA 161 is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Primary Regional Roads in the Metropolitan Region Scheme (MRS).

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a PCA without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the MRS for a public purpose.
