13. Safeguarding of Funds—Monthly Payments

(1) Should the Minister consider it necessary in order to ensure that funding to be paid for an eligible school under this Order will be available to be applied for the purposes stipulated in clause 15, the Minister may determine that funding for the eligible school is to be paid in equal monthly instalments in the manner determined by the chief executive officer instead of in accordance with clauses 9, 10 or 11 (as the case may be).

- (a) the governing body of a school system to allocate the funding paid to it under clause 8 among the schools in the school system in a manner approved by the chief executive officer; and
- (b) a governing body which is the governing body for more than one eligible school to allocate the funding paid to it under clause 8 among the eligible schools for which it receives funding, in a manner approved by the chief executive officer,

instead of in accordance with subclause (1).

(3) The chief executive officer may, by notice in advance to its governing body, revoke a determination made under subclause (1) in relation to an eligible school.

19. Governing Body Records

A governing body in receipt of funding under this Order must keep and provide when requested all necessary or appropriate student enrolment and attendance records and other records (including disability assessment and residency status records) validating a school's funding application to enable audits to be conducted by the chief executive officer or any representative of the chief executive officer.

(2) A governing body in receipt of funding under this Order must maintain financial records and documents to enable audits to be conducted by the chief executive officer or any representative of the chief executive officer in accordance with Australian Accounting Standards and Australian Auditing and Assurance Standards.
