PLANNING

PL401**PLANNING AND DEVELOPMENT ACT 2005**
DECLARATION OF PLANNING CONTROL AREA 163
City of Swan

Lloyd Street (Great Eastern Highway Bypass and Workshops Avenue)

File: RLS/0966

General description

The Minister for Planning has granted approval to the declaration of Planning Control Area (PCA) 163 over land required for Lloyd Street between Great Eastern Highway Bypass and Workshops Avenue as shown on Western Australian Planning Commission (WAPC) plans number 1.7987 and 1.7988.

Purpose

The purpose of the PCA is to protect the Lloyd Street southern alignment, which is intended to be a future Other Regional Road. Lloyd Street provided an important regional connection to Midland Activity Centre, Perth Airport, the Hazelmere, Kewdale and Forrestfield industrial areas. The WAPC considers that the new PCA is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Other Regional Roads purposes in the Metropolitan Region Scheme (MRS).

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a PCA without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the MRS for a public purpose.
