PLANNING AND DEVELOPMENT ACT 2005
APPROVED LOCAL PLANNING SCHEME AMENDMENT
Shire of Serpentine Jarrahdale
Local Planning Scheme No. 2—Amendment No. 207

Ref: TPS/2424

It is hereby notified for public information, in accordance with section 87 of the *Planning and Development Act 2005* that the Minister for Planning approved the Shire of Serpentine Jarrahdale Local Planning Scheme amendment on 5 May 2021 for the purpose of—

1. Inserting Development Contribution Area 4 (DCA4) into Appendix 10 as follows—

Ref No	10D—Community Infrastructure Development Contribution Plan (CIDCP)
Area Name:	DCA4 (as identified on Scheme maps)
Relationship to other planning instruments:	<p>The CIDCP generally conforms to—</p> <ul style="list-style-type: none"> - Integrated Planning and Reporting Framework (IPRF) - Strategic Community Plan (SCP) - Corporate Business Plan (CBP) - Long Term Financial Plan (LTFP) - State Planning Policy 3.6 (SPP3.6) - Community Infrastructure and Public Open Space Strategy (CIPOSS) - Community Infrastructure Implementation Plan (CIIP) - Byford District Structure Plan and Development Contribution

	<p>Plan (BDSP and DCP)</p> <ul style="list-style-type: none"> - Mundijong District Structure Plan and Development Contribution Plan (MDSP and DCP)
Infrastructure and administrative items to be funded:	<p>Byford Community Infrastructure—</p> <ul style="list-style-type: none"> - B01: Byford Library and Multi-Agency Service Centre—Building - B02: Briggs Park Pavilion - B03: Briggs Park Youth Centre - B04: Briggs Park Recreation Centre Extension - B05: Orton Road District Sport Space—Building and Lights - B06: Byford Skate Park—Extension and Pump Track - B07: Cardup Brook Themed Playground—Nature Play - B08: Lindt Street Themed Playground—Adventure Playground - B09: The Glades District Community Facility—Building - B10: Kalimna Sporting Reserve—Ovals, Building and Lights <p>Mundaring Community Infrastructure—</p> <ul style="list-style-type: none"> - M01: Whitby District Sporting Space—Building and Lights - M02: Mundijong Whitby Skate Park and Pump Track - M05: Themed Playground—Dog Park - M06: Keirnan Park Youth Centre - M07: Whitby Themed Playground—Adventure Playground - M11: Keirnan Park District Sporting Space—Ovals, Building and Lights <p>Region wide at Keirnan Park—</p> <ul style="list-style-type: none"> - S01: Keirnan Park BMX relocation Regional facility (Stage 2) <p>Administrative costs of the CIDCP—</p> <ul style="list-style-type: none"> - Costs to prepare and administer the CIDCP - Costs associated with the annual review of cost estimates - Costs associated with the review of the cost apportionment schedules based on land development undertaken since the last review - Costs for undertaking valuations - Fees for professional services directly linked to the preparation and implementation of the CIDCP - Costs for computer software and/or hardware upgrades necessary to enable CIDCP preparation - Proportion of staff salaries directly related to CIDCP administration - Financial institution fees and charges associated with the administration of CIDCP funds - Interest charged on loans taken out to pre-fund items included in the CIDCP
Method for calculating contributions:	<p>The Shire's Integrated Planning and Reporting Framework identifies the needs that impact on the CIDCP. The contributions outlined in this plan have been derived based on the need for facilities generated by additional development in DCA4. This calculation excludes the—</p> <ul style="list-style-type: none"> - demand for a facility that is generated by the current population - demand created by external usage—the proportion of the use drawn from outside the main catchment area - future usage—the proportion of usage that will be generated by future development outside the development contribution plan timeframe <p>Infrastructure costs have been allocated to the DCA4 area which they will service, or if servicing both areas, have been apportioned proportionally to the forecasted growth of each area. The Shire will carry a portion of these costs based on the existing population.</p> $\frac{\text{Additional Forecasted Population}}{\text{Total Forecasted Population}} \times 100 = \text{Allocated\%}$ <p>Costs of each DCA sub-area are then divided by the anticipated number of new lots. The cost per new lot can then be used in the following formula—</p> $\text{Contribution Rate per lot/dwelling} \times \text{number of additional lots/dwellings being created} = \text{Required Development Contribution}$ <p>Details of the apportionment percentages and how they have been derived are included in Appendix 6.</p>
Period of operation:	The CIDCP will be in operation until 2036
Priority and timing:	In accordance with the CIDCP Report and subsequent revisions of the Report

Review Process:	<p>The CIDCP shall be reviewed five years from the date of gazettal of the local planning scheme or amendment to the local planning scheme to incorporate the CIDCP, or earlier should the local government consider it appropriate having regard to the rate of development in the area and the degree of development potential still existing.</p> <p>The estimated infrastructure costs shown in the cost apportionment schedule shall be reviewed at least annually to reflect changes in funding and revenue sources and indexed based on the Building Cost Index or other appropriate index as approved by the qualified person undertaking the certification of costs</p>

3. Inserting a new entry into Appendix 10, 'Plan No. 10D—Community Infrastructure Development Contribution Area—Mundijong'.
