**Western Australia
COMMISSION**

appointing a Royal Commission to inquire into and report on
defence and veteran death by suicide

To: **Mr Naguib Kaldas APM**
The Honourable James Sholto Douglas QC
Dr Peggy Brown AO

RECITALS

1. The unique nature of military service, and the ongoing impact such service may have on the physical and mental health of defence members and veterans is recognised.
2. As a community Australians value the contribution and sacrifice made by defence members and veterans in their service, and the sacrifice of their families.
3. Every death by suicide is a tragic event, and there is an overrepresentation of defence and veteran deaths by suicide in Australia, and this overrepresentation should be acknowledged and understood to ensure that learnings are made and to prevent future deaths by suicide.
4. The critical role played by, and broad concept of, families, carers, friends and others as the support network for defence members and veterans is recognised.
5. Government and non-government organisations including the Australian Defence Force (the ADF), the Department of Veterans' Affairs, ex-service organisations and the health care system provide important services (including mental health support services) and support for defence members, veterans and their families that are beneficial to wellbeing and whole-of-life care.
6. Australia as a nation must take action to examine and expose all systemic issues and risk factors related to suicide, and implement actions to address the systemic issues and risk factors exposed.
7. Hearing from defence members, veterans, their families and others about their individual experiences will be a central contribution to your inquiry and these experiences can inform best practice, strategies and reforms and can assist in prevention and healing.
8. All Australian Governments have expressed their support for, and undertaken to cooperate with, your inquiry.
9. Your independent inquiry, including its findings and recommendations, will provide a foundation for the future work of the National Commissioner for Defence and Veteran Suicide Prevention.
