PLANNING

PL401

PLANNING AND DEVELOPMENT ACT 2005
DECLARATION OF PLANNING CONTROL AREA 167
Charles Street
City of Vincent

File: RLS/0986

General description

The Minister for Planning has granted approval to the declaration of a planning control area over Charles Street, north of Carr Street and south of Green Street/Walcott Street in North Perth, as shown on Western Australian Planning Commission (WAPC) plan numbers 1.7998 and 1.7999.

Purpose of the Planning Control Area

Charles Street is the subject of Planning Control Area No. 125, which is due to expire on 31 January 2022. The declaration of Planning Control Area No. 167 will maintain the existing control measures over this area for a further five year period. The extension of the existing PCA is required to allow the completion of the final design of Charles Street. The Commission considers that the Planning Control Area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Primary Regional Roads in the Metropolitan Region Scheme.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
