Education and Care Services National Amendment Regulations 2022

SL 2022/139

Made by the Governor in Executive Council.

1. Citation

These regulations are the *Education and Care Services National Amendment Regulations 2022*.

2. Commencement

These regulations come into operation as follows —

- (a) regulations 1 and 2 — on the day on which these regulations are published in the *Gazette*;
- (b) regulations 3 and 4 — on 1 September 2022;
- (c) the rest of the regulations — on 1 March 2023.

3. Regulations amended

These regulations amend the *Education and Care Services National Regulations 2012*.

4. Chapter 7 Part 7.9 Divisions 3A and 3B inserted

After Chapter 7 Part 7.9 Division 3 insert:

Division 3A — Communication equipment at family day care residences and approved family day care venues**373A. Telephones or other communication equipment at family day care residences and approved family day care venues**

The approved provider of a family day care service must ensure that, when children are being educated and cared for at a family day care residence or approved family day care venue as part of the service —

- (a) educators at the residence or venue have ready access to at least 2 operating telephones or other similar means of communication to enable immediate communication to and from parents, family members, other adults who may need to be in contact about a child and emergency services; and
- (b) at least 1 of the telephones or other similar means of communication referred to in paragraph (a) is kept in a fixed location at the residence or venue.

Penalty: a fine of \$1 000.

Note for this regulation:

The national regulations made by the Ministerial Council do not include provisions as Part 7.9 Division 3A.

Division 3B — Swimming pools, outdoor spas and hazardous water features at family day care residences and approved family day care venues

Note for this Division:

The national regulations made by the Ministerial Council do not include provisions as Part 7.9 Division 3B.

373B. Terms used

In this Division —

hazardous water feature, at a family day care residence or approved family day care venue, means a permanent body of water, the primary purpose for which is not swimming or bathing, that is —

- (a) situated outdoors; and
- (b) more than 300 mm deep; and
- (c) accessible to children being educated and cared for at the residence or venue;

safety device, for a swimming pool or outdoor spa at a family day care residence or approved family day care venue, means a device designed to —

- (a) warn an educator at the residence or venue that a child being educated and cared for at the residence or venue has entered the swimming pool or outdoor spa, or the area surrounding the swimming pool or outdoor spa; or
- (b) cover the swimming pool or outdoor spa in such a way that the device —
 - (i) cannot be easily lifted or removed by a child being educated and cared for at the residence or venue; and
 - (ii) would prevent such a child from entering the swimming pool or outdoor spa;

water hazard safety inspection has the meaning given in regulation 373E(1)(a);

water hazard safety inspection report has the meaning given in regulation 373E(1)(b).

373C. Conditions on service approval: restrictions on engaging or registering educators operating at residence or venue with swimming pool or outdoor spa

- (1) A service approval for a family day care service is granted subject to the condition that the approved provider of the service must ensure that there is no swimming pool or outdoor spa at a family day care residence or approved family day care venue of the service unless —
 - (a) the swimming pool or outdoor spa existed at the residence or venue before 1 September 2022 (whether or not the residence or venue was a residence or venue of the service at that time); and
 - (b) the educator who provides education and care to children at the residence or venue was engaged by or registered with the service —
 - (i) before 1 September 2022; or
 - (ii) on or after 1 September 2022 with the approval of the Regulatory Authority under subregulation (3).

- (2) A service approval for a family day care service is granted subject to the condition that the approved provider of the service must not, without the approval of the Regulatory Authority under subregulation (3), engage or register a family day care educator to provide education and care to children at a family day care residence or approved family day care venue with a swimming pool or outdoor spa.
- (3) The Regulatory Authority may give written approval for the approved provider of a family day care service to engage or register a family day care educator to provide education and care to children at a family day care residence or approved family day care venue with a swimming pool or outdoor spa if —
 - (a) the swimming pool or outdoor spa existed at the residence or venue before 1 September 2022; and
 - (b) the educator was, before 1 September 2022, engaged by or registered with another family day care service to provide education and care to children at the residence or venue; and
 - (c) the Regulatory Authority considers exceptional circumstances exist justifying the approval.

Note for this regulation:

See section 51(5) of the Law.

373D. Condition on service approval: register of residences and venues with swimming pool, outdoor spa or hazardous water feature

- (1) A service approval for a family day care service is granted subject to the condition that the approved provider of the service must —
 - (a) keep a register that includes the information set out in subregulation (2) in respect of each family day care residence or approved family day care venue of the service with a swimming pool, outdoor spa or hazardous water feature; and
 - (b) make the register available for inspection by the Regulatory Authority on request.
- (2) For the purposes of subregulation (1), the register must include the following information —
 - (a) the name of the educator who provides education and care to children at the residence or venue;
 - (b) the address of the residence or venue;

- (c) each swimming pool, outdoor spa and hazardous water feature that is at the residence or venue;
- (d) each safety device for a swimming pool or outdoor spa that is at the residence or venue;
- (e) the date on which a water hazard safety inspection of the residence or venue was last conducted.

Note for this regulation:

See section 51(5) of the Law.

373E. Condition on service approval: water hazard safety inspections

- (1) A service approval for a family day care service is granted subject to the condition that the approved provider of the service must ensure that —
 - (a) at the times set out in subregulation (2), an inspection (a *water hazard safety inspection*) of each family day care residence or approved family day care venue of the service with a swimming pool, outdoor spa or hazardous water feature is conducted in accordance with this regulation to determine whether the residence or venue is a safe operating environment; and
 - (b) a written report (a *water hazard safety inspection report*) of each water hazard safety inspection is prepared and given to the approved provider in accordance with this regulation.
- (2) The times for conducting a water hazard safety inspection of a family day care residence or approved family day care venue are —
 - (a) for the 1st inspection —
 - (i) if it is a residence or venue of the service on 1 September 2022 — no later than 30 September 2022; or
 - (ii) in any other case — within 30 days after the day on which it becomes a residence or venue of the service;
 - and
 - (b) after that, at monthly intervals.
- (3) A water hazard safety inspection of a family day care residence or approved family day care venue cannot be conducted by —
 - (a) an educator who provides education and care to children at the residence or venue; or

- (b) a person who resides at the residence or venue.
- (4) A water hazard safety inspection of a family day care residence or approved family day care venue may be conducted by a person who is —
- (a) physically present at the residence or venue; or
 - (b) subject to subregulation (5), using technology that enables the person to inspect the residence or venue without being physically present (a *virtual inspection*).
- (5) A water hazard safety inspection of a family day care residence or approved family day care venue cannot, without the written approval of the Regulatory Authority, be a virtual inspection if —
- (a) the previous 2 inspections of the residence or venue were virtual inspections; or
 - (b) 6 previous virtual inspections of the residence or venue have been conducted in the current calendar year.
- (6) The person who conducts a water hazard safety inspection of a family day care residence or approved family day care venue of a family day care service must —
- (a) when conducting the inspection, complete a water hazard safety inspection checklist in a form determined by the Regulatory Authority; and
 - (b) prepare a water hazard safety inspection report in accordance with subregulation (7) and give it to the approved provider of the service —
 - (i) if a safety issue relating to a swimming pool, outdoor spa or hazardous water feature is identified in the course of the inspection — within 24 hours of completing the inspection; or
 - (ii) in any other case — within 7 days of completing the inspection.
- (7) A water hazard safety inspection report must —
- (a) be in a form determined by the Regulatory Authority; and
 - (b) include the information set out in subregulation (8); and
 - (c) include the water hazard safety inspection checklist completed by the person who conducted the inspection.

- (8) For the purposes of subregulation (7)(b), the information is as follows —
- (a) the address of the residence or venue;
 - (b) the date and time of the inspection;
 - (c) the full name of the person who conducted the inspection and the person's signature;
 - (d) whether the inspection was a virtual inspection;
 - (e) the type and condition of each safety device for a swimming pool or outdoor spa that is at the residence or venue;
 - (f) whether any safety issue relating to a swimming pool, outdoor spa or hazardous water feature was identified and, if so —
 - (i) a description of the safety issue; and
 - (ii) whether the safety issue was rectified during the inspection; and
 - (iii) if the safety issue has not been rectified, the action that the person who conducted the inspection considers should be taken to rectify it and mitigate risks associated with it before it is rectified; and
 - (iv) if relevant, an estimate of the time that is needed to complete the action referred to in subparagraph (iii);
 - (g) any other information required by the form determined under subregulation (7)(a).

Note for this regulation:

See section 51(5) of the Law.

373F. Offences relating to water hazard safety inspection reports: approved provider

- (1) The approved provider of a family day care service must, as soon as practicable after being given a water hazard safety inspection report in relation to a family day care residence or approved family day care venue of the service, give a copy of it to the educator who provides education and care to children at the residence or venue.

Penalty for this subregulation: a fine of \$2 000.

- (2) The approved provider of a family day care service must, within 24 hours of being given a water hazard safety inspection report that identifies a safety issue in relation to a swimming pool, outdoor spa or hazardous water feature at a family day care residence or approved family day care venue of the service, give written notice of the safety issue to the Regulatory Authority.

Penalty for this subregulation: a fine of \$2 000.
- (3) If an unrectified safety issue relating to a swimming pool, outdoor spa or hazardous water feature is identified in a water hazard safety inspection report relating to a family day care residence or approved family day care venue of a family day care service, the approved provider of the service must, as soon as practicable after the safety issue is rectified, record on the report the date on which it was rectified.

Penalty for this subregulation: a fine of \$2 000.
- (4) The approved provider of a family day care service must ensure that each water hazard safety inspection report in relation to a family day care residence or approved family day care venue of the service is kept at the principal office of the service until the end of 3 years after the day on which it was completed.

Penalty for this subregulation: a fine of \$2 000.
- (5) The approved provider of a family day care service must ensure that each water hazard safety inspection report kept under subregulation (4) is made available on request to the Regulatory Authority.

Penalty for this subregulation: a fine of \$2 000.
- (6) The approved provider of a family day care service must ensure that each water hazard safety inspection report kept under subregulation (4) in relation to a residence or venue is made available on request to a parent of a child who is educated and cared for at the residence or venue as part of the service.

Penalty for this subregulation: a fine of \$2 000.

373G. Offences relating to water hazard safety inspection reports: family day care educator

- (1) A family day care educator who is given a water hazard safety inspection report in relation to the family day care residence or approved family day care venue at which the educator educates and cares for children must ensure that the report is kept at the residence or venue until the end of 3 years after the day on which it was completed.

Penalty for this subregulation: a fine of \$2 000.

- (2) A family day care educator must ensure that a water hazard safety inspection report kept under subregulation (1) is made available on request to the Regulatory Authority.

Penalty for this subregulation: a fine of \$2 000.

- (3) A family day care educator must ensure that a water hazard safety inspection report kept under subregulation (1) is made available on request to a parent of a child who is educated and cared for at the residence or venue.

Penalty for this subregulation: a fine of \$2 000.

5. Regulation 373DA inserted

After regulation 373D insert:

373DA. Condition on service approval: safety devices for swimming pools and outdoor spas

A service approval for a family day care service is granted subject to the condition that the approved provider of the service must ensure that there is, at each family day care residence or approved family day care venue of the service with a swimming pool or outdoor spa, at least 1 safety device for the swimming pool or outdoor spa.

CO403**CONSERVATION AND LAND MANAGEMENT ACT 1984****JOINT MANAGEMENT PLAN FOR THE MAYALA MARINE PARK**

Under section 14(9) of the *Conservation and Land Management Act 1984* (CALM Act) notice is given that an indicative joint management plan, prepared in accordance with sections 13 and 14 of the CALM Act for the Mayala Marine Park, reserved on 5 July 2022, has been approved by the Minister for Environment with modifications.

The approved joint management plan, namely the *Mayala Marine Park joint management plan 2022* will come into operation on the day of publication of this notice in the Gazette.

Notice is given under sections 14(7) and 60(2) of the CALM Act of the following modifications to the indicative joint management plan approved by the Minister for Environment—

- the addition of a new zone type special purpose zones (biocultural conservation) to provide for the conservation of ecologically and culturally important marine ecosystems such as reefs and mangroves whilst continuing to allow for low impact recreational and commercial activities;

- changes in the size and location of some sanctuary, special purpose zones (cultural protection) and general use zones to accommodate concerns and suggestions raised in the public submissions;
- the intent for the Department of Primary Industries and Regional Development to be an informal joint management partner for all fisheries, pearling and aquaculture related matters;
- a five-year review of the permitted uses table for the special purpose zones;
- minor amendments to management strategies and other text based on feedback from the submissions and workshops with the interim joint management bodies;
- prioritisation of the management strategies; and
- inclusion of performance measures and targets.

The *Mayala Marine Park joint management plan 2022* and a summary of submissions can be viewed on the Department of Biodiversity, Conservation and Attractions website at <http://www.dpaw.wa.gov.au/parks/management-plans/approved-management-plans>.

LG501**BUSH FIRES ACT 1954***Shire of Halls Creek***FIREBREAKS AND HAZARD REDUCTION NOTICE 2022**

Notice to all owners and/or occupiers of land within the Shire of Halls Creek.

Pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954*, all owners and/or occupiers of land within the Shire of Halls Creek are hereby required with effect from 15 April 2022 up to and including 31 December 2022, to have fire breaks and/or fire control measures installed and maintained in accordance with the following—

1. Where the area of land is 2,000m² or less, all flammable material on the land shall be removed by close mowing, cultivation, grubbing, approved burning or approved spraying
2. Where the area of land exceeds 2,001m² in area, a firebreak corridor at least 3.0 metres wide and 4.0 metres tall shall be cleared of all flammable material inside all external boundaries of the land and also surrounding all buildings situated on the land by cultivations, approved burning, or approved spraying.
3. A building protection zone must be provided in all cases. The first 5 metres around buildings is to be cleared of all flammable material. Reticulated gardens may be located in this zone.

4. Burning is prohibited from 1 May to 31 November 2022. A permit is required to burn, until 31 December 2020.

Residents are encouraged to visit the Shire of Halls Creek website <https://www.hallscreek.wa.gov.au/> for more information.

LG502

BUSH FIRES ACT 1954

Shire of Katanning

FIREBREAK NOTICE

Notice to all Owners and/or Occupiers of Land in the Shire of Katanning

Pursuant to Section 33 of the *Bush Fires Act 1954* you are hereby required, on all land owned or occupied by you, as a measure for preventing the spread and extension of a bush fire, to plough, cultivate, scarify, burn, chemically spray or otherwise clear upon the lands Fire Access tracks (fire breaks) in such manner as set out in this notice.

1) Suburban and Residential Blocks

1.1 If the area of land is 2023m² (approximately ½ acre) or less, remove flammable material on the land except living standing trees from the whole of the land by 1 November 2022 by one of the following methods and with all other associated conditions mentioned above to apply: ploughing, cultivating, scarifying, chemical spraying, mowing, burning or any other approved method. Mowed grass to be no higher than 100mm.

1.2 Where residential zoned land exceeds 2023m² (approximately ½ acre), in addition to the grass height above, a 2.5 metre wide firebreak immediately inside and along all external boundaries is required.

2) Rural Residential, Rural Land, Rural Small Holdings, Outside of the Town Boundary

Firebreaks shall be installed at least 10 metres wide around the perimeter of any homestead building (excluding isolated non-flammable buildings), haystacks (within 100 metres of any building) or group of structures or installations and are to be cleared to the satisfaction of the Shire Officer. In addition, you may be required to carry out further works which may be deemed necessary by the Shire Officer and specified by way of a separate written notice forwarded to the address as shown on the Shire of Katanning rate records for the land. In some instances naturally occurring features such as rocky outcrops, natural water courses or landscaping such as reticulated gardens, lawns or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with and approved by the Shire Officer.

2.1 All properties within the Moojebing Heights subdivision are to ensure compliance with the additional requirements of the Fire Management Plan dated April 2008.

3) Rural Residential and Rural Land and Rural Small Holdings within Katanning and Pinwerening Townsites

3.1 Must have a 2.5 metre wide firebreak immediately inside along all external boundaries. Grass to be no higher than 100mm. Living standing trees, remnant vegetation, maintained gardens and natural bush are exempt. Where multiple blocks of land are grouped together, a perimeter 2.5 metre firebreak encompassing all land will be considered subject to an application for variation.

3.2 All property within the Illareen Subdivision are to comply with this standard and the additional requirements of the Illareen Fire Management Plan dated 2019 Version 1.1.

3.3 Conditions: It is hereby notified for public information that pursuant to the power granted under Regulation 38A of the above Act, a person shall not operate or suffer the operation of a grain harvesting machine, or any machine used for swathing, baling or slashing of stubble and track chaining, on any land within the Shire of Katanning except in accordance with the following specified condition—

3.4 Specified condition: No person shall operate grain harvesting machinery as stated above on any land unless a mobile and operational firefighting unit, having a water capacity of at least 500 litres, is situated in or immediately adjacent to the paddock where harvesting operations are being conducted.

All fire breaks as designated above must be prepared on or before 1 November 2022 or within 14 days of becoming the owner or occupier should this be after that date and maintained clear of flammable material up to and including 30 April 2023.

4) Application to Vary the Above Requirements

4.1 It is considered to be impracticable for any reason whatsoever to meet requirements as required by this notice, you may apply to the Shire of Katanning no later than **1 October 2022**, for permission to provide alternative risk mitigation measures on the land. If permission is not granted by the Shire you must comply with the requirements of this notice.

4.2 If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

4.3 The penalty for failing to comply with this notice will be in accordance with the *Bushfires Act 1954*, and a person in default is also liable, whether prosecuted or not, to pay the costs of performing the work directed in this notice if it is not carried out by the owner and/or occupier by the date required by this notice.

5) Private Property

5.1 Wood and solid fuel barbecues shall only be permitted where they are enclosed and all flammable material in a 5m radius is cleared. Fires cannot be lit under set Fire Danger Rating Days.

5.2 No timber to be burnt during the October restricted burning period. Timber Heaps burnt over Winter are to be pushed out before Prohibited Burning Period.

6) Regulation 38A—Harvesting, Swathing/Baling of Stubble and Track Chaining

Conditions: A person shall not operate or suffer the operation of a grain harvesting machine, or any machine used for swathing, baling or slashing of stubble and track chaining, on any land within the Shire of Katanning except in accordance with the following specified condition—

6.1 Specified condition: No person shall operate grain harvesting machinery as stated above on any land unless a mobile and operational firefighting unit, having a water capacity of at least 500 litres, is situated in or immediately adjacent to the paddock where harvesting operations are being conducted.

6.2 Penalties: An infringement of \$250.00. A penalty of up to \$5000.00. The recommended minimum standards for fire unit requirements are based on property size as follow—

- I. 50-1000ha—Light Duty Unit. One tonne utility either 2WD or 4WD. 500 litre water capacity.
- II. 1000 to 2500ha—Medium Duty Unit. Light truck either 2WD or 4WD. 2500 litre water capacity.
- III. 2500 + ha—Heavy Duty Unit. 6 tonne capacity truck, preferably diesel. 4000 litre water capacity.
- IV. All units are to be fully operational and ready to go at all times during the prohibited burning period.
- V. Trailer Mounted Fire Units and Chaser Bins with Fire Units—for safety reasons they are not acceptable as your only or primary fire unit. Therefore, are not to be taken to a fire incident.
- VI. Boundary fire breaks are compulsory within the Special Rural Land Areas within the town site. Council or its agents will establish fire breaks at strategic points at its discretion or on a Risk Base Assessment on land its managers.

7) Permit to Burn

7.1 Under the *Bush Fires Act 1954*, it is an offence to light fires during the Burning Prohibited and Restricted Burning Times, except in certain circumstances. All burning during the Restricted Burning Period requires a Permit.

7.2 A Permit is required for burning of bush, grass and garden waste at any time between 1 Oct 31 October inclusive and 15 February and 30 April inclusive. No burning can be carried out during the Prohibited Burning Period unless it's protective burning around dwellings up until 15th November under section 23 of the *Bushfire Act*.

- I. Restricted: Permit Required—1 October to 31 October
- II. Prohibited: 1 November to 14 February
- III. Restricted: Permit Required—15 February to 30 April

It is not necessary for Council to notify property owners or give prior warning that legal action may proceed for failing to comply with the requirements of this notice.

JULIAN MURPHY, Chief Executive Officer.

LG503

BUSH FIRES ACT 1954

City of Gosnells

ANNUAL FIRE HAZARD REDUCTION NOTICE

To prevent bush fires and to minimise the spread of a bush fire, all owners and occupiers of land within the City's district are required to comply with the requirements of this Annual Fire Hazard Reduction Notice.

For the purposes of this Notice, flammable matter includes, but is not limited to, vegetation (except for living trees, shrubs, plants and lawns under cultivation), prunings, cardboard, wood, paper, general rubbish and any other combustible material.

1. For all land zoned 'General Rural', 'Special Rural', 'Parks and Recreation' or 'Local Open Space'

On or before 30 November each year, all owners or occupiers of land zoned 'General Rural', 'Special Rural', 'Parks and Recreation' or 'Local Open Space' under the City of Gosnells Town Planning Scheme No. 6 (Scheme) are required to—

- a. Clear and maintain the land free of all flammable matter to a height no greater than 10cm; or

- b. Maintain a mineral earth firebreak as close as practicable to the inside of all external boundaries of each lot on the land and maintain a mineral earth firebreak within 20m of all stockpiled flammable matter.

Mineral earth firebreaks must be continuous (no dead ends) and maintained to a minimum standard of 3m wide by 4m high (vertical clearance) to provide unimpeded access for emergency vehicles. Driveways must also be maintained to these standards.

Firebreaks are intended to provide safe access on your property for emergency vehicles and to ensure fire does not travel under the vehicles or underfoot.

Note: The firebreaks and requirements set out above must be maintained up to and including 30 April in the following year.

2. For all other land

At all times throughout the year, all owners or occupiers of land zoned other than 'General Rural', 'Special Rural', 'Parks and Recreation' or 'Local Open Space' under the Scheme are required to clear and maintain the land free of all flammable matter to a height no greater than 10cm.

Permission needed to vary requirements

If, due to constraints on your land, you are unable to comply with the requirements set out in this Notice, you may apply in writing to the City no later than 1 November each year for permission to provide firebreaks in alternative locations or take alternative measures.

Unless and until permission in writing is granted by the City, you shall comply with the requirements of this Notice.

All land owners

Further to the above minimum requirements, the landowner may receive a separate written notice, sent to the address shown on the City of Gosnells rates record, requiring additional works which may be considered necessary by an Authorised Officer of the City.

Penalty for non-compliance

Failing to comply with the requirements of this Notice is an offence under the Bush Fires Act 1954, which carries a penalty of up to \$5,000. In addition, where the owner or occupier of the land fails to comply with a Notice given pursuant to Section 33(1), the City may enter the land to carry out the work required to comply with the Notice and also recover any costs and expenses incurred in carrying out that work from the owner or occupier of the land.
