BUSH FIRES ACT 1954

Shire of Corrigin

FIREBREAK ORDER 2022/2023

Pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954*, you are hereby required to install firebreaks clear of all flammable material or take alternative approved measures, and to undertake fuel hazard reduction measures before 31 October 2022 and thereafter maintain free of all inflammable material until 15 April 2023.

1. RURAL LAND

- 1.1 *Mineral earth firebreaks* of not less than 2.44 metres (8 feet) in width must be constructed along and within 20 metres of all external boundaries of the property owned or occupied by you. If any portion of the land adjoins a public road or railway line, a firebreak must also be constructed along that boundary.
- 1.2 Property in excess of 250 hectares shall have fire *mineral earth firebreaks* positioned as necessary to divide land into areas not exceeding 250 hectares each completely surrounded by a *mineral earth firebreak*.
- 1.3 Clear and maintain *mineral earth firebreaks* at least 2.44 metres (8 feet) wide within 20 metres of the perimeter of any building or group of buildings, fuel tanks, hayshed or haystack, in such a manner as to fully encircle the structure/s. In addition to *mineral earth firebreaks*, a 20 metre wide low fuel zone is required to be maintained around any building or group of buildings, fuel tanks, hayshed or haystack. Low fuel means the removal of inflammable material, dead trees, leaf litter and trash and the removal of dead branches to a height of 1.5 metres from live standing trees. Grass is to be slashed to a height not exceeding 100mm.
- 1.4 During any period when harvesting operations are being conducted, there shall be provided an operational mobile firefighting unit with a minimum capacity of 500 litres of water located in or immediately adjacent to the paddock being harvested. The responsibility to supply the unit is that of the landowner/occupier.

2. TOWN SITES

- 2.1 Where the area of the land is 0.2 hectares (one half of one acre) or less, you shall clear all inflammable material on the land from the whole of the land.
- 2.2 Where the area of the land exceeds 0.2 hectares (one half of one acre), you shall clear of all inflammable material, mineral earth firebreaks not less than 2.44 metres (8 feet) wide immediately inside all external boundaries of the land, and also immediately surrounding all buildings, haystacks and fuel ramps situated on the land, and also immediately surrounding any drums or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

3. GENERAL PROVISIONS

The term “*inflammable Material*” or the purpose of this notice includes bush (as defined in the *Bush Fires Act 1954*), timber, boxes, cartons, paper, and the like inflammable materials, rubbish and any combustible matter, but does not include buildings, green standing trees and bushes or growing bushes or plants in gardens or lawns. If it is considered to be impractical for any reason to provide *mineral earth firebreaks* in the position or adhere to the provisions required by this notice, the written approval of Council or a duly authorised officer must be obtained to prepare such *mineral earth firebreaks* in an alternative position. If permission is not granted by Council or a duly authorised officer you shall comply with the requirements of this order.

The term “*mineral earth firebreak*” means an area of the owner(s)/occupiers(s) land, cleared and maintained totally clear of all vegetation material (living or dead) so there is only mineral earth left.

The term “*harvesting/total movement ban*” includes harvesting and the movement of vehicles in paddocks, except vehicles carrying water to stock.

Contractors carting lime, gypsum or fertilizer are allowed to enter into paddocks to unload at any time that there is a “*harvest/total movement ban*” in place on the condition that a manned fire unit with at least 500 litres of water is in attendance.

4. HARVEST/MOVEMENT OF VEHICLES BANS

TOTAL FIRE BANS may be imposed by DFES on a regional basis on days of high or greater fire danger. Activities which may cause a fire are prohibited. Harvesting/movement bans may also be imposed by the Shire. Harvesting is not permitted on Christmas Day, Boxing Day and New Year’s Day.

5. ADDITIONAL RESPONSIBILITIES AND PENALTIES

The penalty for failing to comply with this order is a fine of not more than five thousand dollars (\$5,000) and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed by this notice, if it is not carried out by the owner or occupier by the date required by this notice. In addition, Council can arrange for the required work to be carried out at the cost of the owner or occupier. Gas or electric barbecues ONLY are permitted during prohibited burning periods. No solid fuel or wood barbecues allowed. Camping and cooking fires are prohibited during the prohibited and restricted burning periods unless a valid permit has been issued by the Chief Bush Fire Control Officer.

Permits for burning during the restricted burning period are available from your local Bush Fire Control Officer. Burning is not permitted during the restricted burning period and public holidays or Good Friday and Easter Sunday when Easter falls within the restricted burning period. Persons burning without permits during the restricted burning period or on days when a high or greater fire weather warning has been issued may be prosecuted. Prior to any burning, you are required to notify your neighbours, Bush Fire Control Officer and the Shire of Corrigin. Besides being responsible for the safety of your own property, if a fire escapes from your property you may be liable to pay compensation for any damage caused outside of your property. Public infrastructure must not be placed in a manner that results in an above-ground encroachment into the firebreak area. Trees must not be planted in a manner that results in vegetation encroaching into the firebreak area.

6. BURNING PERIODS

RESTRICTED BURNING PERIOD—Permit to burn required from a Bush Fire Control Officer from 19 September 2022 to 31 October 2022 and from 16 February 2023 to 15 April 2023.

SALARIES AND ALLOWANCES TRIBUNAL

SA401

SALARIES AND ALLOWANCES ACT 1975
DETERMINATION OF THE SALARIES AND ALLOWANCES TRIBUNAL
FOR MEMBERS OF UNIVERSITY GOVERNING COUNCILS
PREAMBLE

Statutory context

(1) In accordance with the *Salaries and Allowances Act 1975* (the Act), the Salaries and Allowances Tribunal (the Tribunal) is required to inquire into and determine, on an annual basis, the remuneration provided to members of University Governing Councils.

(2) The Tribunal's last determination was issued on 22 November 2021.

Inquiry

(3) The Tribunal has reviewed the operation of the previous determination and invited submissions from the respective Universities.

(4) The Council of Curtin University, Senate of Murdoch University and Council of Edith Cowan University (ECU) each provided a submission.

Conclusion

(5) The Tribunal has determined to support the Council of Curtin University's request to include a new category of Committee Member (student) remunerated at \$6,600 per annum.

(6) The Tribunal has determined the Council of ECU may increase remuneration of its members, ranging from between \$1,250 to \$20,000 per annum.

(7) The Tribunal is not supportive of the Council of ECU's request for equivalent remuneration paid to student and non-student members. It is the Tribunal's view that non-student members of the Council are remunerated for the depth of skills and experience brought to the Council, which is not considered applicable to student members. The Tribunal determined to maintain the 50% difference in remuneration between student and non-student members of the Council of ECU.

(8) The Tribunal acknowledges that, while it has the power to determine the remuneration for University Governing Council members, any remuneration must be met from within University existing budgets and must be for the fulfilment of University strategic objectives.

(9) By necessity, any remuneration determined is done in consultation with each University. The Tribunal will continue to liaise with the sector to ensure the fee structure remains relevant for each University.

The determination will now issue.

DETERMINATION**PART 1—INTRODUCTORY MATTERS**

This Part deals with some matters that are relevant to the Determination generally.

1.1 Short Title

This Determination may be cited as the *University Governing Board Members No. 1 of 2022*.

1.2 Commencement

This Determination comes into operation on and from 1 January 2023.

1.3 Content and intent

(1) Pursuant to section 6(1)(ea) the *Salaries and Allowances Act 1975* (the Act) this determination provides for the salary, allowances and other benefits to be paid, provided or reimbursed to a person holding any of the following offices—

- (a) Member of the Council of Curtin University;
- (b) Member of the Kalgoorlie Campus Council of Curtin University;
- (c) Member of the Council of Edith Cowan University;
- (d) Member of the ECU South West Campus (Bunbury) Advisory Board;
- (e) Member of the Advisory Board of the Western Australian Academy of Performing Arts (ECU);
- (f) Member of the Senate of Murdoch University; or
- (g) Member of the Senate of the University of Western Australia.

(2) This Determination fulfils the Tribunal's obligations under section 8 of the Act with respect to offices identified in section 6(1)(ea).

1.4 References to Dates

- (1) In this Determination, a reference to “a year” or “per annum” relates to a calendar year.
- (2) Where benefits or entitlements are provided with specific reference to “a year” or “per annum”, these cease on and from 31 December each year and, unless otherwise specified in this Determination, no unexpended amount can be carried over to later years.

1.5 Pro rata payments

The amount of a person's entitlement to remuneration specified in this determination shall be apportioned on a pro rata basis according to the portion of a year that the person holds office.

1.6 Terms used

In this Determination, unless the contrary intention appears—

Committee Chairperson means Chairperson of a designated committee of a University Governing Council.

Committee Member means a Member of a designated committee of a University Governing Council.

Remuneration means salary, allowances, fees, emoluments and benefits (whether in money or not).

Tribunal means the Salaries and Allowances Tribunal.

PART 2—REMUNERATION

This Part deals with the remuneration payable to Governing Council members.

2.1 Eligibility Criteria

- (1) Members are ineligible to receive any remuneration fees if they are—
 - (a) On the public payroll, including all current full time State, Commonwealth and Local Government employees, including Western Australian statutory authorities;
 - (b) Members of Parliament;
 - (c) Current and retired judicial officers;
 - (d) A former Member of Parliament and less than 12 months has passed since they ceased to be a Member of Parliament.
- (2) Part time employees of State, Commonwealth and Local Government public services, including Western Australian statutory authorities are eligible for remuneration fees only if the member can clearly demonstrate that the work of the Governing Council will happen in their own time.
- (3) University Governing Councils may create Committees from within the membership of the Council, such as Audit and Compliance Committees, that are eligible for remuneration at the Committee Chairperson/Member rates described in Part 2.2. In doing so the Governing Council must—
 - (a) Designate each Committee as being eligible for remuneration at the higher level through the policies and procedures of the University; and
 - (b) Ensure that each Committee has sufficient scope and workload to justify the higher level of remuneration.

2.2 Remuneration

- (1) Members of certain University Governing Councils are eligible to receive remuneration fees specified in the Table below, subject to the eligibility criteria in Part 2.1.

(2) Each eligible member must make an annual application to the respective Governing Council to receive the remuneration specified for their position. Once an application has been made, the University must remunerate the member according to their applicable rate. If an eligible member does not make an annual application, their remuneration fees will be \$0.

(3) Each member is entitled to the remuneration applicable to one category only, the remuneration levels are not cumulative.

(4) An eligible member may accept or decline the remuneration payments in full. In deciding whether to accept or decline remuneration payments, eligible members should be mindful that accepting such payment may mean that the member is no longer deemed a volunteer for the purposes of, for example, work health and safety legislation thereby potentially increasing their exposure to relevant liabilities. If members have any questions they should seek the advice of their respective University.

(5) If an eligible member has entered into an arrangement with an employer which provides that the remuneration payments are to be paid to the employer as part of the member's conditions of employment, payment will be made to the employer.

(6) Remuneration payments will be subject to PAYG tax under Australian Taxation Office legislation. Employer superannuation guarantee contributions, levies and payroll tax will be payable by the University.
