WATER SERVICES ACT 2012
EXEMPTION NOTICE

Exemption for the East Village Knutsford strata company 'Owners of East Village at Knutsford SP 79519' for a non-potable water service at East Village Knutsford, Fremantle

In accordance with section 7 of the *Water Services Act 2012*, the Minister for Water, Hon Simone McGurk MLA, has granted an exemption from the application of section 5(1) of the Act to 'Owners of East Village at Knutsford SP 79519' East Village Knutsford strata company for the provision of a non-potable water service at East Village Knutsford, Fremantle.

The water service is a non-potable water supply service provided as a community bore scheme for the residents of an infill urban development. Water is sourced from a community bore on Lot 3 of the site and used to water public open space and residential gardens at adjacent Lot 1 and Lot 2.

The exemption will come into effect on the day it is published in the *Government Gazette* and is valid for an indefinite period.

Summary of the reasons for the decision

Granting this exemption is not contrary to the public interest. It is considered that—

- the regulatory burden imposed by licensing would be disproportionately high given the small scale of the service;
- the risks of the abuse of monopoly power are low. The service is operated on a not-for-profit basis; and
- the public health aspects of the service are regulated under the *Health (Miscellaneous Provisions) Act 1911*.

Dated 19 March 2023.

Hon. SIMONE MCGURK, MLA, Minister for Water.
