TABLE OF CONTENTS

1. Preliminary 401
2. Investigations and Appeals 402
3. Penalties and Appeals 402

---

1. PRELIMINARY

1.1. Under the provisions of sections 26(3) and 26(7) of the *Edith Cowan University Act 1984* ('the Act') Rules may be made under this Statute with respect to matters concerning the conduct of students and allegations of misconduct by students.

1.2. These Rules may prescribe the responsibilities and obligations of those persons, classes of persons and bodies of persons within the University necessary for the preservation of order, whilst also protecting the freedom of students and encouraging their cooperation.

1.3. These Rules may stipulate—

a. the forms of conduct that constitute misconduct;

b. the procedures for making complaints of misconduct;

c. the procedures for the consideration of complaints of alleged misconduct and appeals against findings of and penalties imposed for proven misconduct;

d. the persons, classes of persons and bodies of persons who may make complaints, hear complaints and exercise disciplinary powers and determine appeals made against the exercise of such powers; and

e. such other matters regarding the conduct and discipline of the University that the Council considers necessary.

2. INVESTIGATIONS AND APPEALS

2.1 Investigations and appeals instigated under this Statute must be conducted in accordance with the principles of equity and good conscience and the substantial merits of the case without regard to technicalities or legal forms. Subject to the requirements of natural justice, those conducting investigations and deciding appeals will not be bound by any rules of evidence and may inform themselves of any matter they believe to be relevant.

2.2. When investigating whether an activity constitutes misconduct or when hearing an appeal against a finding of misconduct

a. freedom of speech and freedom of expression shall be permitted where such speech or expression is consistent with like freedoms given to others and the rights of any person affected;

b. the burden of proving an allegation of misconduct will rest with the University, and the standard of proof is the balance of probabilities;

c. the accused must be—

i. given sufficient particulars to enable him/her to answer the allegation; and

ii. provided with an opportunity to be heard (although not necessarily face to face or even orally); and

d. when a finding of misconduct is made, or an appeal dismissed, the student must be—

i. notified of the outcome; and

ii. provided with sufficient reasons to explain the outcome.

2.3. Subsections 2.1 and 2.2 do not apply to the exercise of summary powers prescribed in a rule under this Statute.

3. PENALTIES AND APPEALS

3.1. Penalties and restitution for proven misconduct are to be as prescribed in the Rules made under this Statute.

3.2. Monetary penalties and monetary restitution may not exceed the amount prescribed by the Act.

3.3. Appeals against findings of and penalties imposed for proven misconduct must be lodged in accordance with the procedures and in the timeframe specified in Rules made under this Statute, except in exceptional circumstances approved by the Vice-Chancellor.

3.4. In all other circumstances, time limits established in Rules under this Statute should, where practicable, be complied with provided that—

a. the Vice-Chancellor may, upon such terms as he or she believes to be appropriate, extend or abridge any period of time fixed by a provision of a rule made under this Statute, and may do so after the expiration of any such period; and

b. no action will be invalidated because a time limit is exceeded.

3.5. Hearings instigated under this Statute must be in private unless the presiding member of the body hearing the appeal decides otherwise.

3.6. Any money owed by any person pursuant to this Statute is payable as a debt and may be recovered by the University.

3.7. No academic award shall be conferred on a student charged with a breach of obligation until after the charge has been dealt with in accordance with this Statute, unless otherwise decided by the Vice-Chancellor.

PLANNING AND DEVELOPMENT ACT 2005

APPROVED LOCAL PLANNING SCHEME AMENDMENT

Shire of Chittering

Local Planning Scheme No. 6 Amendment No. 74

File: TPS/3073

It is hereby notified for public information, in accordance with section 87 of the *Planning and Development Act 2005* that the Minister for Planning approved the abovementioned amendment to the Shire of Chittering Local Planning Scheme No. 6 on 6 February 2026 for the purpose of—

1. Rezoning Lots M1456 (3488) and Lot 50 Great Northern Highway, Muchea from 'Agricultural Resource' zone to the 'General Industry' zone and amend the scheme map accordingly.
2. Amending Schedule 11—Muchea Employment Node Special Control Area by adding the following to the end of the schedule:

No.	Description of Land	Conditions
4	Part of Precinct 2 of the Muchea Industrial Park—Lot M1456 (3488) and Lot 50 Great Northern Highway, Muchea	General planning matters applicable to the Muchea Industrial Park are set out in clauses 4.9, 4.20 and 5.7 of the Scheme. The purpose of this schedule is to identify more detailed planning matters relevant to this precinct. **1. Structure Plan** 1.1 Prior to the subdivision and development of the land, a structure plan is to be prepared and approved in accordance with Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015* and relevant Scheme requirements. 1.2 Part 1 of the Structure Plan is to make provision for— (i) A centrally aligned loop road designed to carry Class 10 Restricted Access Vehicles (RAV10) having regard to the general requirements set out in the 2022 Muchea Industrial Park Structure Plan. (ii) A functional movement network providing for— (a) Suitable road reserve widths for accommodation roads and verge drainage infrastructure in a manner consistent with projected traffic volumes, functionality and integration with the broader road (RAV10) network; (b) The loop road alignment to provide connection to the balance area of Precinct 2 to the south;

No.	Description of Land	Conditions
		(c) An indicative road design plan demonstrating RAV10 efficiency and road safety is not compromised by spacing, location and the number of crossovers and any intersecting local roads, with consideration to turning pockets, drainage and servicing. This is to inform subdivision/development standards to be inserted in the structure plan; (d) Following subdivision, no lots to have direct road access to Great Northern Highway; (e) One additional road intersection to be provided to Great Northern Highway, unless otherwise approved by Main Roads WA; (f) Road connectivity between Lot M1456 (Precinct 2) and Lot M1326 (Precinct 4) capable of implementation in regard to existing and future topographical conditions (following clay extraction); and (g) An indicative lot layout that demonstrates capability to accommodate efficient RAV10 access to all lots. (iii) Staging details to be established that facilitate orderly development within the precinct. The structure plan is to address temporary access arrangements, road upgrades, intersection treatments, drainage network, public land requirements and cost sharing responsibilities. (iv) Staging details and triggers for ceding and/or construction of the loop road. (v) Identification of reserves for conservation, foreshore management, drainage and/or public open space, including intentions regarding ceding and future ownership and management. (vi) Transport Impact Assessment including arrangements with relevant agencies to address road design, required upgrades and funding arrangements for RAV 10 access to the site. (vii) The identification of any significant environmental features and management strategies to retain values and/or manage potential impacts within acceptable limits, to the satisfaction of the local government and in consultation with relevant agencies. These features may include, but not be limited to black cockatoo habitat trees and native vegetation. (viii) Aboriginal Heritage and heritage sites including management strategies. (ix) Servicing strategy to include concept earthworks and design fill levels, communications, water and power supply; wastewater disposal and drainage. (x) Reasonable and sustainable fill requirements for anticipated industrial uses and development, and details for timing, implementation and responsibility. (xi) A Landscape Master Plan to be prepared and submitted to provide the landscaping strategy, species selection and plant density for— (a) Preservation of rural character including retaining large original trees in prominent locations along Great Northern Highway and Muchea East Road, where identified as contributing to visual landscape character; (b) Conservation, foreshore management and/or public open space reserves; (c) Swales and basins based on the recommendations in the Vegetation Guidelines for Stormwater Biofilters in the South-West of Western Australia;

No.	Description of Land	Conditions
		(d) Effluent irrigation areas; and (e) On-site landscaped areas. (xii) A Local Water Management Strategy providing additional detail for the structure plan, to ensure that surface and ground water is managed in accordance with State Planning Policy, Better Urban Water Management, Government Sewerage Policy, the Muchea Industrial Park Structure Plan and its Regional Water Management Strategy. The Local Water Management Strategy shall provide, but not be limited to details of— (a) Water supply and water efficiency measures for land uses; (b) Land capacity for onsite effluent treatment with nutrient retention and disposal, having regard to the Government Sewerage Policy; (c) Stormwater management strategy that identifies sub-catchments and land requirements (including within road reserves and swales) for drainage, bioretention an infiltration, in accordance with water sensitive urban design principles; (d) Groundwater management strategy including information about pollutant and nutrient management; (e) Maintenance of existing hydrological functions of drainage lines; (f) Requirements for ongoing surface and groundwater monitoring over the site; and (g) Landscaping strategy. (xiii) The location of the additional use in accordance with the conditions for Additional Use 27 in Schedule 3. **2. Subdivision requirements** 2.1 Plans and information, including but not limited to the following, are to be prepared and submitted with subdivision applications. (i) A Site and Soil Evaluation demonstrating appropriate site level requirements and wastewater disposal in accordance with the Government Sewerage Policy and Local Water Management Strategy. (ii) A Transport Impact Statement (TIS) or Transport Impact Assessment (TIA) to be prepared and submitted as a component of a subdivision application. The Western Australian Planning Commission's Transport Impact Assessment Guidelines are to be used to determine the level of assessment required. The TIA/TIS shall identify the extent and suitability of road network modifications to accommodate the creation of the proposed lots. (iii) An Urban Water Management Plan (UWMP). (iv) A Bushfire Management Plan. 2.2 A reticulated water and power supply, operated by licenced operators, shall be provided at the first stage of subdivision. 2.3 Prior to creation of any lot, two years of ground and surface water monitoring is to have been completed with arrangements for ongoing monitoring in place in accordance with the approach set out in the structure plan. 2.4 All siteworks, fill treatments and easements required for the drainage network must be in place prior to lot creation of any lots in accordance with the approved UWMP.

No.	Description of Land	Conditions
		2.5 The loop road to be ceded and constructed in accordance with the structure plan, and prior to issuing titles for lots intended for industrial development that rely on it for access or vehicular circulation through the precinct, with the full length of loop road to be ceded and constructed once all lots are created. 2.6 Lots with frontage to the north-south aligned portion of loop road shall take access from other road frontages where available. **3. Development requirements** 3.1 Development shall be in accordance with any restrictions and notifications, if applicable, to the lot. 3.2 Development footprints and effluent disposal areas shall be filled in accordance with the relevant Site and Soil Evaluation and Urban Water Management Plan. **4. Other** Pursuant to clause 34 of *Planning and Development (Local Planning Schemes) Regulations 2015* where reserves for roads, conservation, foreshore management, drainage and/or public open space have been ceded, these may be incorporated onto the Scheme Map as local scheme reserves by means of a basic amendment to the Scheme.

3. Insert the following in Schedule 3—Additional Uses and amend the scheme map accordingly—

No.	Description of Land	Additional Use	Conditions
A27	Lots M1456 (3488) and Lot 50 Great Northern Highway, Muchea	Restaurant (D use) Tavern (D use)	1. The location of the additional use/s is to be shown on the Local Structure Plan to be prepared for the subject lots. 1.1 Should the location of the additional use/s differ from that shown on the Local Structure Plan, the location shall be to the satisfaction of the local government, WAPC and Main Roads WA (if on a main road) and shall occupy no more that 1% of the total land area of the structure plan, inclusive of all buildings and curtilage, parking/access areas, servicing areas, utilities and drainage infrastructure. 2. The location of the additional uses shall— • not interfere with the establishment and operation of the industrial estate for industrial use; • not interfere with the safe operation and function of the existing or proposed road network and intersections which are designed to accommodate RAV10 vehicles; and • be easily accessible for patrons from outside the industrial estate and minimise non-industrial traffic having to enter the precinct. 3. Development applications for additional use/s shall address— • the interface with surrounding industrial zoned land including any mitigation measures to address potential impacts; and • the suitability of access arrangements including traffic impact and generation, road safety and mix of vehicle types. 4. Upon construction of the additional use/s, the location of the additional use/s area may be amended in the Scheme to match the relevant lot through a basic amendment.

4. Undertake any other formatting, renumbering and administrative updates or edits required due to modifications above and address any editorial matters.

M. CAMPBELL, Shire President.
M. PRINSLOO, Chief Executive Officer.

PLANNING AND DEVELOPMENT ACT 2005

METROPOLITAN REGION SCHEME AMENDMENT 1441 (STANDARD)

Lakefarm Retreat Urban Precinct

Notice of Approved Amendment

File: RLS/1165

The Minister for Planning and Lands has approved, as advertised, the abovementioned amendment to the Metropolitan Region Scheme (MRS). The amendment is shown on Amending Plan 3.2865 and is effective on and from the date of publication of this notice in the *Government Gazette*.

The amendment seeks to rezone approximately 59 ha of land in Ballajura from the Rural—Water Protection zone to the Urban zone and Regional Open Space reservation in the MRS, specifically—

- 53.6 ha is proposed to be rezoned from the Rural—Water Protection zone to Urban zone; and
- 3.8 ha is proposed to be reserved as Regional Open Space and includes this area in the Water Catchments reserve.

Pursuant to section 126(3) of the *Planning and Development Act 2005*, the Western Australian Planning Commission (WAPC) has the option of concurrently rezoning land that is being zoned Urban under the MRS to a zone which is consistent with the objectives of the Urban zone in the corresponding local planning scheme.

In this respect, the WAPC agreed to the land being zoned Urban within MRS Amendment 1441 (Standard) being transferred to the Residential Development zone in the City of Swan Local Planning Scheme No. 17. This amendment to Local Planning Scheme No. 17 is effective on and from the date of publication of this notice in the *Government Gazette*.

All documents relating to this amendment can be viewed online on the Department of Planning, Lands and Heritage's website at *https://www.wa.gov.au/organisation/department-of-planning-lands-and-heritage/region-planning-schemes*.
