BIOSECURITY AND AGRICULTURE MANAGEMENT REGULATIONS 2013 BIOSECURITY AND AGRICULTURE MANAGEMENT (FEES AND CHARGES) DETERMINATION 2026

Made by the Director General under the *Biosecurity and Agriculture Management Regulations 2013* regulation 125.

1. Citation

This determination is the *Biosecurity and Agriculture Management (Fees and Charges) Determination 2026*.

2. Commencement

This determination comes into operation as follows—

- (a) clauses 1 and 2—on the day on which this determination is published in the *Gazette*;
- (b) the rest of the determination—on 1 July 2026.

3. Revocation

The *Biosecurity and Agriculture Management (Fees and Charges) Determination 2025* is revoked.

4. Unit includes part of unit

In this determination a reference to a unit of a specified number of minutes includes a reference to part of that unit.

5. Determination of fees and charges

The fees and charges set out in the Tables are determined under the *Biosecurity and Agriculture Management Regulations 2013* regulation 125.

6. Fees and charges: Table 1

- (1) In this clause
Headquarters, in relation to an inspection, means the inspector's base location.
- (2) The fees and charges set out in Table 1 are determined for the following
 - (a) the inspection and/or treatment of an organism, potential carrier or place;
 - (b) the assessment and verification, or issue, of documents required in relation to organisms and potential carriers;
 - (c) supply of products for the control of declared pests in relation to organisms and potential carriers.
- (3) The fees and charges set out in Table 1 are payable by the importer, exporter, owner or person in charge of the organism, potential carrier or place.
- (4) The fees and charges set out in Table 1 are payable at the time of inspection by the exporter for the inspection and issuance of an Export Certificate issued to a private individual.
- (5) No fees or charges set out in Table 1 are payable for the following—
 - (a) permits (other than import permits) to introduce, move or supply a declared pest, provided that at the destination the pest is exempt from keeping requirements, or the destination is a Quarantine facility or a place at which that pest is authorized to be kept under a keeping permit;
 - (b) the inspection, at road inspection points, of vehicles, agricultural products and animals kept as pets;
 - (c) the inspection of passengers and /or passengers' baggage at inspection points;
 - (d) the assessment of notices of import ('freight declarations') conducted at road inspection points or the office of the Department of Primary Industries and Regional Development at 130 Fauntleroy Ave, REDCLIFFE WA
 - (e) travel for inspection of a place, organism or potential carrier unless
 - the travel is conducted outside of shift hours; or
 - the inspection is conducted at a place specifically requested by the person in charge of an organism or potential carrier as an alternative to an inspection point or quarantine facility;
 - (f) a surveillance inspection, being an inspection undertaken to determine the status of a place or thing regulated by or under the *Biosecurity and Agriculture Management Act 2007* (the Act) which is not an inspection to monitor compliance with import requirements, or compliance with a direction or authority given under the Act;
 - (g) an inspection monitoring the import of low risk prescribed potential carriers (see below);
 - (h) an inspection funded by an Industry Funding Scheme established under regulations made under section 141 of the Act.

Note: Travel associated with the audit of a quarantine facility or accreditation is not travel for inspection.

Low risk prescribed potential carriers are—

- shipping/cargo containers and goods in shipping /cargo containers not containing prescribed potential carriers;
- new or used boats or vehicles not containing prescribed potential carriers;
- processed seed / grain /nuts that are not whole seed, e.g.-walnut meat, split lentils, almond kernels, ground seed types and roasted / blanched and shelled nuts/seeds, dehusked coconuts;
- dried herbs / spices / potpourri—which are finely chopped or ground, and do not contain whole seed unless processed, except the following, which must be commercially packaged identifying contents: mustard, fennel, cumin, caraway, star anise, fenugreek, peppercorns, vanilla bean, cardamom.
- frozen unprocessed fruit and vegetables which are not prohibited, e.g., are not and do not contain whole grapes, mangoes or myrtaceae (includes guava, wax zumbu and other syzygium fruit); and
- semi-processed vegetables—including commercially par-boiled vegetables of any type, and commercially peeled and cut below ground vegetables (e.g., onions, potatoes, sweet potatoes, carrots, garlic).

Inspections of these items are carried out randomly to confirm that they are prepared appropriately. Any corrective action required (treatment, re-export or destruction) will be at the cost of the person in charge of the consignment, and penalties may apply if a consignment is found to have been imported in contravention of import requirements.

STATE DEVELOPMENT ACT 2025 STATE DEVELOPMENT AREA DECLARATION NO. 1 Western Trade Coast State Development Area

This State Development Area declaration instrument is made under section 61 of the *State Development Act 2025* (the Act).

1. Pursuant to section 61(1)(a) of the Act, the land identified on Office of the Coordinator General Map Number 001 and set out in Annexure 1 to this instrument is declared to be a State Development Area.
2. The State Development Area is to be known as the Western Trade Coast State Development Area.
3. In accordance with section 61(1)(b) of the Act, for the purposes of facilitating economic development, strategic industrial development and the provision of necessary infrastructure, I consider the State Development Area should be dealt with as set out in Annexure 2 to this instrument.
4. Pursuant to Section 63(4) of the Act, this instrument authorises the making of an improvement scheme or schemes by the Western Australian Planning Commission under the *Planning and Development Act 2005* in respect of the whole or any part of the State development area (other than in respect of any land referred to in the *Planning and Development Act 2005* section 119(3A)).
5. The objectives of any improvement scheme are as set out in Annexure 3 to this instrument.
6. In making this declaration, I have had regard to the objects of the Act and consider that it is appropriate to make this declaration for the purpose in section 61(1)(b)(i) of the Act.
7. This instrument is made with the approval of the Premier as required by section 61 of the Act.

Hon. ROGER COOK, Minister for State Development.

ANNEXURE 2**Objectives of the Western Trade Coast State Development Area**

In accordance with Section 61(1)(b)(i) of the Act, the Western Trade Coast State Development Area (SDA) should be dealt with to—

- (a) Ensure the safe and efficient use of land and water for the long-term, sustainable development of an industrial region of state and national significance.
- (b) Leverage Western Australia's regional competitive advantages, including proximity to South-east Asian international ports, linkages to freight terminals and supply chains to grow the States economy and meet its long-term economic diversification and decarbonisation goals.
- (c) Provide an internationally competitive area that offers a layout designed to facilitate and encourage industry synergies and by-product utilisation, functional transport links and where possible, the sharing of infrastructure networks and corridors.
- (d) Secure and preserve strategic infrastructure and utility corridors, including existing and future common user utilities corridors to ensure their long-term availability, maintain internal transport linkages to service the wider SDA transport networks and avoid fragmentation or encroachment by incompatible development.
- (e) Coordinate the development of complex infrastructure upgrades across the SDA. This includes, but is not limited to—
 - i. Ensuring that sufficient power, water and gas are available to existing and future industrial development within the SDA through upgrades to internal and external networks including the South-West Interconnected System.
 - ii. Identification and protection of common user infrastructure including freight, port and maritime infrastructure.
 - iii. Supporting the delivery of government led infrastructure projects within the SDA.
- (f) Coordinate the ongoing development of the existing industrial areas within the SDA, including the Kwinana Industrial Area, Rockingham Industry Zone, Australian Marine Complex and Latitude 32.
- (g) Guide land allocations across the Western Trade Coast to ensure the highest and best use of strategic industrial and supporting land as it becomes available for development and existing uses change and transition.
- (h) Ensure environmental, cultural and social values within the SDA, including cultural heritage, terrestrial, aquatic, marine and coastal, air and atmospheric quality, fishing, and recreation, are appropriately managed, maintained and protected.
- (i) Resolve management of the interface between industrial precincts of the SDA and surrounding sensitive land uses by—
 - i. Maintaining the use of conservation and recreation areas which may serve a transitional land use interface function.
 - ii. Supporting the implementation of the transitional land use planning approach identified in the established by State Planning Policy 4.1—Industrial Interface, the *Mandogalup Improvement Plan No. 47* and *Mandogalup Improvement Scheme No. 1*.
 - iii. Investigating, identifying and protecting appropriate land uses for areas of the SDA used for rural and large-lot rural living purposes that balance the long-term sustainability of industrial development within the SDA with the interests of landowners.
- (j) Coordinate a whole of government approach to environmental assessment and mitigation in Cockburn Sound for a range of concurrent marine trade, defence and utility infrastructure projects.

ANNEXURE 3**Objectives of any Improvement Scheme**

In accordance with Section 61(5) of the Act, any Improvement Scheme made under this Declaration must have the following objectives—

- (a) To provide a statutory planning instrument through which to facilitate the Western Trade Coast State Development Area (SDA) being dealt with as set out in *State Development Area Declaration No.1—Western Trade Coast State Development Area* and to implement any SDA Plan;
- (b) To effectively control and guide development to facilitate orderly and proper planning of all or a portion of the Western Trade Coast SDA;
- (c) To set aside land as reserves for public purposes, and to zone land within the Scheme area consistent with the how the land should be dealt with as outlined in Annexure 2 of *State Development Area Declaration No.1—Western Trade Coast State Development Area*;
- (d) To protect industrial areas to improve long-term operational certainty and avoid, mitigate or manage potential impacts on the health and amenity of people and the environment;
