YORK LANDS OPEN FOR PURCHASE.

SEVERAL applications having recently been made for portions of the land set apart for the town-site of York, sixteen allotments of about 50 acres each have been marked out on that part of the reserve situated to the eastward of the Avon River, and are now open to the selection of the public for purchase at the fixed price of thirty shillings per acre.

Applications for these lots will be received at this Office on or after Monday, the 14th of March next, and they will be disposed of for cash only.

By His Excellency's command,

Colonial Secretary's Office, Perth,  
February 10, 1842.

BOUNDARIES OF LAND.

It is hereby notified for general information, that surveys are in progress in the district around Lake Goondalup, &c., to the north of Perth, for the purpose of establishing the permanent boundaries to all the assigned lands therein, pursuant to the Act of Council 4 & 5. Viet. No. 20.

His Excellency the Governor takes this opportunity of pointing attention to a former notice on the same subject, issued on 6th of Oct., 1841, for the purpose of enabling grantees to erect or establish on the boundaries of their lands, and under the superintendence of the district surveyors only, such substantial and permanent landmarks as they may desire to substitute for any of these erected during the progress of the Government surveys.

As no alteration whatever can be permitted in the boundaries or descriptions to lands thus marked out, after they shall have been duly described and recorded in the Survey Office according to the provisions of the above recited Act, all grantees and others interested in the undermentioned lands are hereby informed that they have been surveyed and marked on the ground, and are about to be finally described and recorded for insertion in title deeds,—
