POST OFFICE CHARGES.

In the Government notice of the 7th Inst. of an additional charge imposed on letters and newspapers received in the colony, some doubts having arisen with respect to the denomination of letters that are liable to the increased rate, His Excellency the Governor has directed that after the word "on each single Foreign letter," the following words "or Ship letter from any place beyond the limits of Western Australia," shall be added to the notification of the altered rate.

By His Excellency's command,
R. R. MADDEN,
Colonial Secretary.

LICENSES TO CUT TIMBER.

Much misapprehension appearing to exist respecting the privileges conferred by "Timber Licenses," and by "Sawyers Monthly Licenses," His Excellency the Governor notifies for the information of the public that the timber license for one year for felling trees on any block of land comprising 640 acres and upwards, confers exclusively the general right of felling and removing timber in the log or otherwise upon such land during the term for which the license may be granted. Whereas, a sawyer's monthly license limits the permission granted to cutting up, or splitting any timber felled for these purposes and carrying away only such split or sawn timber from the waste land of the

crown, as one pair of sawyers or splitters may be able to accomplish during the term for which the license may be issued.

Under a sawyers license it is to be understood that not more than three trees are to remain in the log on the ground at one time and no timber can be felled for exportation in the log under its authority.

At the expiration of either of the above description of license all timber remaining on the ground reverts to the crown.

These Regulations do not apply to cutting Sandal-wood for which purpose a separate license is issued in conformity with the regulations published in the Government Gazette of the 8th Oct. 1847.

The charge of the annual license for felling timber for exportation is £20 the square mile of 640 acres one half of which amount must be paid as a deposit on application being made for the license.

By His Excellency's command,
R. R. MADDEN,
Colonial Secretary.
