By His Excellency's command,  
For the Colonial Secretary,  
T. N. YULE.

GOD SAVE THE QUEEN!!!

Colonial Secretary's Office, Perth,  
August 13, 1850.

HIS Excellency the Governor desires  
to call the attention of the Settlers,  
Flock-masters, and others having stations  
scattered over the country in isolated po-  
sitions, to the fact that a large majority of  
the native prisoners who continually crowd  
the several Jails of the colony, have been  
convicted of robbery of provisions, &c.,  
from huts left totally unprotected. The  
temptation thus openly and wilfully placed  
in the way of the Aborigines roaming in  
search for food, they are unable to with-  
stand, and the Jails are consequently filled  
with petty pilferers of this character, en-  
tailing upon the Government that heavy  
expense attending the maintenance of so  
large a body of prisoners, whereby the  
Funds that might otherwise be appropri-  
ated to the Roads, Bridges, and other

Public Works to the general benefit of  
the colonists are materially decreased.

His Excellency therefore urges upon  
the settlers the necessity, for the protec-  
tion of their own interests as well as of  
those of the community at large, of endea-  
voring to check as far as possible this in-  
creasing evil, by employing proper hut  
keepers; and viewing as he does the parties  
who neglect to use this precaution as  
equally culpable with the natives who pil-  
fer the exposed property, has directed  
the Guardians of Natives and other Ma-  
gistrates (and by this notice they are so  
directed) to receive with the greatest  
caution any complaint against Natives for  
such offence, where no hut keeper has  
been employed; to inflict upon the offen-  
ders, on conviction, the least punishment  
the Law will allow, and invariably to di-  
rect the prior attention of the Police to  
any other cases that may be brought be-  
fore them.

By His Excellency's command,  
For the Colonial Secretary,  
T. N. YULE,

Colonial Secretary's Office, Perth,
