HIS Excellency the Governor directs the attention of the public to be called to a typographical error in the

Order of Council inserted in the *Government Gazette* of December 13, 1850, and August 26, 1851, the word "and" in the 5th line 3rd clause of 4th chapter, having been erroneously inserted instead of "not," the sentence in parentheses will therefore read ("not being also comprised in any tillage lease.")
