

THE WESTERN AUSTRALIAN
GOVERNMENT GAZETTE.

[PUBLISHED BY AUTHORITY.]

Tuesday, MARCH 30th, 1858.

No. 13.

PROCLAMATION.

By His Excellency, Arthur Edward Kennedy, Esquire, Governor and Commander-in-Chief, in and over the Territory of Western Australia, and its Dependencies and Vice-Admiral of the same.

WHEREAS the undermentioned Ordinances were passed by His Excellency Arthur Edward Kennedy, Esquire, Governor of the said Colony, with the advice and consent of the Legislative Council thereof, in the 21st year of the reign of Her Majesty, Queen Victoria, and intitled:—

No. 7.—“ An Ordinance to consolidate and amend the laws relating to trespasses by live Stock, and to promote the construction of Fences.”

No. 10.—“ An Ordinance for vesting Church of England Lands in Western Australia, in the Bishop thereof and his successors.”

No. 11.—“ An Ordinance to enable Trustees of Church of England Lands in Western Australia, to raise money on security thereof, in aid of the erection of Parsonage Houses.”

Now, therefore, I, the said Arthur Edward Kennedy, do hereby proclaim and make known unto all whom it may concern, that Her Majesty has been graciously pleased to confirm and allow the before mentioned Ordinances.

Given at Government House, Perth, under my hand and the Public Seal of the Colony, this 22nd March, 1858.

*A. E. KENNEDY,
Governor, &c.*

By His Excellency's command,
FRED. P. BARLEE,

H. S. Colonial Secretary.

GOD SAVE THE QUEEN!!

*Colonial Secretary's Office, Perth,
March, 26th 1858.*

HIS Excellency the Governor having received an intimation from Her Majesty's Government of the number of

Convicts destined for this Colony annually, it becomes necessary, with a view to the advantageous and economical application of their labor, to decide before hand on the works to be undertaken together with the cost thereof.

It has been found that numerous small parties of Convicts, scattered over the Colony, involve not only a waste of labor, but a waste of money also; and to obviate these evils, His Excellency the Governor proposes to apportion to each District a certain sum annually to be expended on Public Works, and to apportion also the Convict labor as far as practicable in the like manner. By this means, money and labor can be applied more advantageously than at present.

Having this object in view, the Resident Magistrates are requested to convene Public Meetings of the Settlers in their respective Districts, who will consider and agree upon the Public Works most pressingly required, and in the numerical order in which they ought to be undertaken.

On receiving the report of the Resident Magistrates, with the recommendation of the Settlers, His Excellency considers the Government will be in a position to apportion the labor and expenditure to works of necessity and utility, instead of expending both on desultory efforts, which must result in partial failure at least. These works must be recommended within reasonable compass, as they can be only undertaken in proportion to the amount of funds and labor at disposal.

A statement of the recommendations, and the decision thereon, will enable the Public to form an estimate of the requirements of the Colony, and correct the opinion of individuals, who too frequently think themselves aggrieved, if a separate party is not employed on any little local work; being of course in ignorance of the works required elsewhere, and the amount of labor at the disposal of the Government.

His Excellency directs that the Resident Magistrates, in forwarding the lists of works adverted to, will invariably transmit also a list of the names of those who attend the Meetings, to enable the Government to give due weight to their recommendations.

By His Excellency's command,
FRED. P. BARLEE,
Colonial Secretary.
