*Colonial Secretary's Office, Perth,
October 22nd, 1858.*

THE following Regulations, applicable to Pastoral and Tillage Lands are re-published for general information:—

All rents and fees chargeable on 8 years leases after the first year, will be due on the 1st of January in each year and must be paid yearly in advance on or before the 15th of that Month, to the Collector of Internal Revenue or to any Sub-Collector nearest to the district in which the land may be situated.

If such rents and charges be not paid as herein required, the lease will be absolutely

and indefeasibly forfeited, unless within 60 days after the first of January the Lessee shall duly pay the full amount of the annual rent, together with an additional sum equal to one fourth part of the same.

The legal occupants of lands in fee simple will be entitled to a preference in obtaining annual licenses of the vacant lands in Class A, adjoining to, and within one mile of their respective grants, and in proportion to the size of each of such grants, should there be more than one claimant for the same land.

All vacant land in Class A, beyond one mile from land in fee simple, will be open at all times to general application for annual license, as well as all vacant land in Class A not claimed under the preceeding regulation on or before the 1st day of December in each year.

No renewal of an annual license in Class A can be *claimed*, but licenses for the succeeding year will be granted preferably to existing Lessees, with or without amended boundaries, in the absence of any stronger recognised claim.

Applications for renewals from 1st January next, or for new leases under the Regulations of 24th July 1857, must be sent in to the Surveyor General in the established printed form by the 1st of December next, on which date they will be taken into consideration.

Should a modification of boundaries to any such run be desired previous to renewal, application for the same must be made to the Surveyor General not later in each year than the end of November.

Pending the decision of Her Majesty's Government on the proposed new Land Regulations, no Tillage leases, or Pastoral leases of land in Class B, will be granted for a longer period than the current year.

Such yearly leases will be granted without any abatement for unavailable land, and without any right of renewal, but His Excellency the Governor will be prepared on application to grant to existing Lessees fresh leases for another year of the same lands, and on the same terms and conditions, until New Regulations may be promulgated in the Colony.

Lessees under the conditions last mentioned will be entitled to claim an exchange of their Leases for others, under such New Regulations as may be approved by Her Majesty's Government.

The full amount of Rent chargeable for an Annual Lease or License, must be paid to the Revenue Department before such Lease or License can be prepared for the Governor's signature.

No Class A licenses will be issued either for the whole, or any portion of the year for a less sum than £1.

Parties claiming Class A licenses in right of being the Occupants or Owners of adjoining fee simple lands must, in their applications refer distinctly to the lands in right of which they found their claims.

Printed Forms of application are procurable at the Survey Office, or from any Resident Magistrate, without charge.
