## BY THE QUEEN A P R O C L A M A T I O N .

VICTORIA R.

WHEREAS We are happily at Peace with all Sovereigns, Powers, and States :

And whereas, notwithstanding Our utmost Exertions to preserve Peace between all the Sovereign Powers and States now at War, Hostilities have unhappily commenced between His Imperial Majesty The Emperor of Austria on the one Part, and His Majesty The King of Sardinia and His Imperial Majesty The Emperor of the French on the other Part :

And whereas a State of War now exists between His Imperial Majesty The Emperor of Austria on the one Part, and His Majesty The King of Sardinia and His Imperial Majesty The Emperor of the French on the other Part, and between their respective Subjects and others inhabiting within their Countries, Territories, or Dominions :

And whereas We are on Terms of Friendship and amicable Intercourse with all and each of these Sovereigns, and with their several Subjects and others inhabiting within their Countries, Territories, or Dominions :

And whereas great Numbers of Our loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Sovereigns, protected by the Faith of Treaties between Us and each of the aforesaid Sovereigns :

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to abstain altogether from taking any Part, directly or indirectly, in the War now unhappily existing between the said Sovereigns, their Subjects and Territories, and to remain at Peace with and to maintain a peaceful and friendly Intercourse with all and with each of them, and their respective Subjects, and others inhabiting within any of their Countries, Territories, and Dominions, and to maintain a strict and impartial Neutrality in the said Hostilities and War unhappily existing between them :

We, therefore, have thought fit, by and with the Advice of Our Privy Council to issue this Our Royal Proclamation :

And We do hereby strictly charge and command all Our loving Subjects, to govern themselves accordingly, and to observe a strict Neutrality in and during the aforesaid Hostilities and War, and to abstain from violating or contravening either the Laws and Statutes of the Realm in this Behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their Peril :

And whereas in and by a certain Statutes made and passed in the Fifty-ninth Year of His Majesty King George the Third, intituled "An Act to prevent the enlisting or Engagement of His Majesty's Subjects to serve in a Foreign Service, and the fitting out or equipping in His Majesty's Dominions, Vessels for Warlike Purposes, without His Majesty's Licence," it is amongst other Things declared and enacted as follows:

"That if any Person within any Part of the United Kingdom, or in any Part of His Majesty's Dominions beyond the Seas, shall, without the Leave and Licence of His Majesty for that Purpose first had and obtained as aforesaid, equip, furnish, fit out, or arm, or attempt or endeavour to equip, furnish, fit out, or arm, or procure to be equipped, furnished, fitted out, or armed, or shall knowingly aid, assist, or be concerned in the equipping, furnishing, fitting out, or arming, of any Ship or Vessel, with Intent or in order that such Ship or Vessel shall be employed in the Service of any Foreign Prince, State, or Potentate, or of any Foreign Colony, Province, or Part of any Province or People, or of any Person or Persons exercising or assuming to exercise any Powers of Government in or over any Foreign State, Colony, Province, or Part of any Province or People, as a Transport or Store Ship, or with Intent to cruise or commit Hostilities against any Prince, State, or Potentate, or against the Subjects or Citizens of any Prince, State, or Potentate, or against the Persons exercising or assuming to exercise the Powers of Government in any Colony, Province, or Part of any Province or Country, or against the Inhabitants of any Foreign Colony, Province, or Part of any Province or Country, with whom His Majesty shall not then be at War, or shall within the United Kingdom or any of His Majesty's Dominions, or in any Settlement, Colony, Territory, Island, or Place belonging or subject to His Majesty, issue or deliver any Commission for any Ship or Vessel, to the Intent that such Ship or Vessel shall be employed as aforesaid, every such Person so offending shall be deemed guilty of a Misdemeanor, and shall, upon Conviction thereof upon any Information or Indictment, be punished by Fine and Imprisonment, or either of them, at the Discretion of the Court in which such Offender shall be convicted; and every such Ship or Vessel, with the Tackle, Apparel, and Furniture, together with all the Materials, Arms, Ammunition, and Stores which may belong to or be on board of any such Ship or Vessel, shall be forfeited; and it shall be lawful for any Officer of His Majesty's Customs or Excise, or any Officer of His Majesty's Navy, who is by Law empowered to make Seizures for any forfeiture incurred under any of the Laws of Customs or Excise, or the Laws of Trade and Navigation, to seize such Ships and Vessels aforesaid, and in such Places and in such Manner in which the Officers of His Majesty's Customs or Excise and the Officers of His Majesty's Navy are empowered respectively to make Seizures under the Laws of Customs and excise, or under the Laws of Trade and Navigation; and that every such Ship and Vessel, with the Tackle, Apparel, and Furniture, together with all the Materials, Arms, Ammunition, and Stores which may belong to or be on board of such Ship or Vessel, may be prosecuted and condemned for any Breach of the Laws made for the Protection of the Revenues of Customs and Excise, or of the Laws of Trade and Navigation."

And it is in and by the said Act further enacted,—

"That if any Person in any Part of the United Kingdom of Great Britain and Ireland, or in any Part of His Majesty's Dominions beyond the Seas, without the Leave and Licence of His Majesty for that Purpose first had and obtained as aforesaid, shall, by adding to the Number of the Guns of such Vessel, or by changing those on board for other Guns, or by the Addition of any Equipment for War, increase or augment,

or procure to be increased or augmented, or shall be knowingly concerned in increasing or augmenting, the Warlike Force of any Ship or Vessel of War or Cruizer, or other armed Vessel, which at the Time of her Arrival in any Part of the United Kingdom or any of His Majesty's Dominions was a Ship of War, Cruizer, or armed Vessel in the Service of any Foreign Prince, State, or Potentate, or of any Person or Persons exercising or assuming to exercise any Powers of Government in or over any Colony, Province, or Part of any Province or People belonging to the Subjects of any such Prince, State, or Potentate, or to the Inhabitants of any Colony, Province, or Part of any Province or Country under the Control of any Person or Persons so exercising or assuming to exercise the Powers of Government, every such Person so offending shall be guilty of a Misdemeanor, and shall, upon being convicted thereof upon any Information or Indictment, be punished by Fine and Imprisonment, or either of them at the Discretion of the Court before which such Offender shall be convicted."

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command, that no Person or Persons whatever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon Pain of the several Penalties by the said Statute imposed, and of our High Displeasure.

And We do hereby warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each and all of the aforesaid Sovereigns, their Subjects and Territories, and towards all Belligerents whatsoever with whom we are at Peace, the Duties of Neutrality; and to respect, in all and each of them, the Exercise of those Belligerent Rights which We, and Our Royal Predecessors, have always claimed to exercise.

And We do hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume in contempt of this Our Royal Proclamation and of Our high Displeasure, to do any Acts in derogation of their Duty as Subjects of a Neutral Sovereign, in a War between other Sovereigns, or in violation or contravention of the Law of Nations in that Behalf, as more especially by breaking, or endeavouring to break, any Blockade lawfully and actually established by or on behalf of any or either of the said Sovereigns, by carrying Officers, Soldiers, Despatches, Arms, Ammunition, Military Stores or Materials, or any Article or Articles considered and deemed to be contraband of War, according to the Law or modern Usages of Nations, for the Use or Service of any or either of the said Sovereigns, that all Persons so offending, together with their Ships and Goods, will rightfully incur and be justly liable to hostile Capture, and to the Penalties denounced by the Law of Nations in that Behalf.

And We do hereby give notice, that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their Peril, and of their own Wrong, and that they will in nowise obtain any Protection from Us against such Capture or such Penalties as aforesaid, but will, on the contrary, incur Our High Displeasure by such Misconduct.

Given at Our Court at Buckingham Palace, this Thirteenth Day of May, in the Year of our Lord One thousand eight hundred and fifty-nine, and in the Twenty-second Year of Our Reign.

GOD SAVE THE QUEEN.

Melbourne, 28th June, 1859.

LIGHTSHIP OFF GELLIBRAND'S POINT,  
PORT PHILLIP.

THE following intimation respecting the establishment of a Lightship off Gellibrand's Point, in lieu of the Lighthouse at that place, is published for general information.

By His Excellency's command,  
HENRY MILLER.

Masters of vessels and others navigating Port Phillip Bay, are hereby informed that on and after the twenty-fifth day of July next, a *temporary Lightship* will be moored in four and a half fathoms water, in the position at present occupied by the Black Perch Buoy, off Gellibrand's Point.

This lightship will exhibit *two white fixed lights twenty-four feet apart*, and forty feet above the level of the water.

These lights will be seen at a distance of ten miles, allowing ten feet for the height of the eye, and at lesser distances according to the state of the atmosphere.

On and after the exhibition of these lights, the *red light* at present shown from the tower at *Gellibrand's Point* will be extinguished.

WILSON'S PROMONTORY LIGHT.

WITH reference to the notice published in the *Government Gazette* on 31st May, 1859, relative to "Coast and Harbor Lights" in Victoria, the following intimation, giving details of the position of, and other matters relating to, the lighthouse on *Wilson's Promontory*, is published for the general information of mariners.

By His Excellency's command,  
HENRY MILLER.

Department of Ports and Harbors,  
Williamstown, 30th June, 1859.

In reference to a note appended to a notice to mariners respecting the abovenamed light, dated the 28th of May, 1859: Notice is hereby given that the light on Wilson's Promontory will be exhibited, as formerly stated, on the evening of the 15th July next, and on every night thereafter, from sunset to sunrise.

The Wilson's Promontory Lighthouse is situated on the south-eastern part of that headland; its approximate position is latitude 39° 9' S., longitude 146° 23' E.

The light will be a catoptric, first class *fixed white light*, elevated three hundred and forty-two (342) feet above the mean level of the sea, and will be seen in clear weather at the distance of about twenty-four (24) nautic miles, allowing ten feet for the height of the eye, and at lesser distances according to the state of the atmosphere.

The lighthouse tower is circular, built of stone, and painted *white*.

The light will be visible from E.N.E. seaward, round southerly to S.S.W., excepting that by the intervention of the adjacent islands the light will be eclipsed to vessels upon the undermentioned bearings from it, and for a few degrees on either side of them.

Bearings of islands taken from the lighthouse, and their approximate distances:—

South part of Cleft Island, S. W. by W. $\frac{1}{2}$ W.	5 $\frac{1}{2}$ m.
Centre of Rodondo Island, S. $\frac{1}{2}$ W.	6 $\frac{1}{2}$ m.
" Ten-foot Rock Island, S. $\frac{1}{2}$ E.	4 $\frac{1}{2}$ m.
" West Moneur Island, S. E. $\frac{1}{4}$ S.	7 $\frac{1}{2}$ m.
" East Moneur Island, S. E. $\frac{1}{2}$ E.	8 m.
" Clifty or South Seal Island, N. E. $\frac{1}{4}$ N.	17 m.
" North Seal Island, N. E. by N.	16 m.
" Cape Wellington, N. E. by N. $\frac{1}{4}$ N.	4 $\frac{1}{2}$ m.

Vessels steering through Bass's Straits, or from Port Phillip, bound eastward round Wilson's Promontory, may first see the light through the gap between Cleft and the adjacent Glennie Islands, bearing E.N.E.; as they proceed to the southward and eastward it will be eclipsed for a few degrees by Cleft Island.

When the light bears N.E. the Channel between Cleft Island and the Rodondo will be open, and vessels may steer direct for the promontory.

Vessels to the eastward of the Seal Islands, and bound round the promontory, sighting the light bearing to the southward of S.W. will be to the northward of the fairway, and should haul out until the light bears S.W. by W., which bearing will lead them clear of Clifty and the other Seal Islands.

All bearings are by compass.

CHARLES FERGUSON,  
Chief Harbor Master.
