Renewal of Pastoral Leases.

*Colonial Secretary's Office, Perth,
 12th November, 1859.*

TO remove any misapprehension which may exist as to the conditions on which class B Leases granted under authority of the Order in Council dated 22nd March, 1850, can be claimed on renewal for a second term of eight years, on the ground of paying either wholly or in part, an increase of rent for such renewal, it is hereby notified for general information, that such increase will be based upon the total rent previously charged for any such lease, and not upon the charge for acreage alone.

By His Excellency's command,
FRED. P. BARLEE,
 Colonial Secretary.

Renewal of Pastoral and Tillage Leases.

*Colonial Secretary's Office, Perth,
14th October, 1859.*

AS numerous Pastoral and Tillage Leases of Crown land, issued under authority of Her Majesty's Order in Council dated 22nd March, 1850, will expire with the present year, 1859; and, unless renewed for a further term, such leases will revert unconditionally to the Crown, without compensation to the Lessees for any improvements that may have been effected thereon; the following Rules and Regulations, for the guidance of persons desirous of renewing their leases, are hereby published for general information:—

1. Application for the renewal of a Pastoral lease in class B, or of a Tillage lease, must be addressed to the Surveyor-General in a certain printed form, which is procurable without charge, at the Survey Office in Perth, or from any Resident Magistrate.

2. Such application must be accompanied by a deposit of £5, or by the receipt of any Collector of Revenue for that amount. The deposit will be returned if the application is not granted.

3. All applications for renewals must be sent in to the Survey Office before the 31st day of December on which the lease expires; or before the 1st day of that month should any alteration be required in the boundaries previous to renewal.

4. No alteration of boundaries will be admissible except such as may be necessary for making good a deficiency in the acreage of a run, arising out of any grants, sales, leases, licenses or reserves, made during the currency of the lease, in terms of the Order in Council and Depasturing Regulations, under which the said leases may have been issued.

5. Any alteration of boundaries previous to renewal, except as last aforesaid, can only be effected by taking out a fresh lease under the new Pastoral Regulations.

6. An application for renewal must be duly filled up with all the particulars required on the face of it, and should fully state the grounds on which the renewal is claimed, as set forth in the conditions of the lease, which are as follows:—

1st. Purchases by a Pastoral Lessee, of any portion of his run, to the extent of one acre out of every hundred chargeable with rent.

2nd. Permanent improvements effected on any part of such run (not being comprised within a Tillage Lease, or within purchased land) to the extent of £1 for every 100 acres chargeable with rent, either in substantial buildings, or in obtaining or securing a permanent supply of good water available for the use of live-stock on any part of the run.

3rd. Purchases and improvements as aforesaid to the joint amount of one acre, or of £1, for every hundred acres chargeable with rent.

4th. Any expenditure in purchases or improvements as aforesaid, and the balance in an increased rent, at the rate of 50 per cent, for the acreage not so covered.

5th. An increased rent for the entire acreage chargeable, at the aforesaid rate of 50 per cent. beyond the rent previously paid, in lieu of any such expenditure as before mentioned.

6th. Purchases by a Tillage Lessee to the extent of at least one-fourth part of his holding, provided such holding be beyond the limits of a class B lease.

7th. The renewal of a class B lease within which a tillage lease may be comprised;—the lessee of such tillage lease being thereupon entitled to a corresponding renewal without proving any expenditure whatever.

7. For the purpose of making any valuation of improvements which may be made the foundation of a claim to renewal, one competent valuer will be appointed by the Governor, and another by the lessee. Any difference of opinion between such valuers must be determined by an umpire to be appointed by themselves, or in case they shall not agree in such appointment, by the Governor.

8. Class B leases claimed on renewal by the payment of an increased rent, will be chargeable for such amount of acreage as may be arranged under sections 11 and 12.

9. Portions of class B runs which may be thrown into class A by the operation of section 9 chapter 4 of the Order in Council dated 22nd March, 1850, will be duly Gazetted early in January, and a proportionate abatement of rent will be made for all leases thus or otherwise reduced in quantity to the extent of 1000 acres and upwards.

10. The Lessees of class B runs thus reduced in quantity, will be entitled to a preference in obtaining Depasturing licenses for the next year of the class A land created out of their runs, provided they apply for the same in the prescribed form within two months next after such new Class A land shall have been proclaimed in the Government Gazette.

11. Claimants for the renewal of class B leases, the annual rent for which has been partly abated on account of land said to be unavailable for pastoral purposes, must forward with their applications for renewal, full particulars as to the nature, quantity, position and limits, of the unavailable land for which the abatement of rent is claimed; in order that each case may be dealt with under the sections 3, 4, 5 and 6, chapter 4, of the Regulations dated 1st November, 1851. Forms of application will be procurable at the Survey Office, or from any Resident Magistrate, without charge.

12. In claiming abatement of rent as hereinbefore provided, it is to be distinctly understood that no such abatement will be made except for portions of land within a pastoral lease which may be found *wholly* unfit for pastoral uses. No allowance can be claimed for less than one-tenth nor more than one-fourth of any run;—and none whatever out of any run which may not exceed 4000 acres.

13. On the Governor's approval of an application, a renewal or new lease will be prepared in the Survey Office, and will be deliverable as usual at the Revenue Office

in Perth, or by the Resident Magistrate of the District in which the land may be situated, on payment of any balance of rent which may be due in advance.

14 Lists of such renewals and new Leases will be duly Gazetted as soon as possible after approval; and any which may not be taken up or fully paid for within two calendar months after such Gazette notice as aforesaid, will be considered forfeited, together with all deposits, and the land will be open to fresh selection.

15. Renewals will carry with them the same rights and privileges, and will be subject to the same conditions in every respect as the original lease, except as regards any claim to further renewal.

By His Excellency's command,
FRED. P. BARLEE,
Colonial Secretary.
