ROAD between PERTH and CHAMPION BAY.

*Colonial Secretary's Office, Perth,
10th May, 1862.*

IT is hereby notified for general information, that it is the intention of the Government to survey and lay out, as soon as convenient, a line of road between Perth and Champion Bay, with a view to the same being cleared and opened for use as a public line of communication, pursuant to the provisions of existing Ordinances.

The intended road will be one chain wide, and will pass as near as may be found convenient along the tracks at present in use from Perth by the eastern side of Three island Lake, and of Lakes Goollelal and Joondalup, through the western parts of locations 105, 111, at Lake Nowergup, and 113, by the western sides of Lakes Yoonderup, Nambibby and Yancheep, thence to Lake Boongarrup, and to a projected new bridge over Gingin Brook, a little above its junction with Moore River. The road will then extend about 25 miles in a northerly direction, crossing the Moore between locations 136, and 333, and crossing the Smith River about 42 miles further N. by W., near the east boundary of Mr. R. Brockman's lease 588, where a tuart tree is marked with the letter B. Thence it will nearly follow the present track to Champion Bay.

A branch from the above road will ascend the right bank of Moore River from the crossing above-mentioned, to location 171, and thence take a northerly direction through the public reserves at Yatheroo and Dandaraga, and onwards to the Bay.

Parties are warned against fencing across or otherwise obstructing these lines.

By His Excellency's command,
FRED. P. BARLEE,
 Colonial Secretary.

*Police Magistrate's Office, Perth,
 6th May, 1862.*
