WESTERN AUSTRALIA,  
CIRCULAR.

*Downing Street,  
26th July, 1864.*

SIR,

With reference to my Predecessor's Circular Despatch of the 26th of January last, I have the honor to transmit, for your information, the copy of a letter from the Secretary to the Lords Commissioners of the Treasury, stating that their Lordships have approved the suspension for the present of the directions by which the postage on letters sent from the United Kingdom to the Australian Colonies and New Zealand was raised from sixpence to one shilling the half ounce, and the postage on letters sent by private ships was reduced to four pence the half ounce.

I, have, &c.

GOVERNOR HAMPTON,  
&c., &c., &c.

*Treasury Chambers,  
July 26th, 1864.*

SIR,

I am directed by the Lords Commissioners of Her Majesty's Treasury, to state to you for the information of Mr. Secretary Cardwell, that their Lordships have approved of the suspension for the present of the directions contained in the Warrant of the 7th May last, by which the postage on letters sent from the United Kingdom to the Australian Colonies and New Zea-

land was raised from Sixpence to One Shilling the half ounce letter, and the postage on letters sent by private ship was reduced to Four pence the half ounce, the suspension being without prejudice to the power of their Lordships to alter the rate of Postage on letters from this Country as they may see fit, and the object of it that if a second monthly mail should be about to be established, the two measures of raising the postage and doubling the communications may, if it should be thought expedient, come into operation at the same time.

I, have, &c.

J. PEEL.
