*Colonial Secretary's Office,  
Perth, 14th December, 1869.*

THE following Despatch from The Secretary to the Government of India to the Colonial Secretary, Western Australia, is published for general information.

By command,  
FRED. P. BARLEE,  
Colonial Secretary.

SIMLA, the 30th September, 1869.

HONORABLE SIR,

I am directed by His Excellency the Viceroy and Governor General of India in Council to forward herewith a copy of an Act (Act No XXI of 1869) passed by His Excellency in Council on the 18th instant, and entitled "The European Vagrancy Act, 1869," and particularly to invite the attention of the Colonial Government of Western Australia to sections 25 and 31 (Part II) thereof.

2. Under the former of these sections provision is made for the imposition of penalties on shipmasters bringing European convicts to India, and the latter section indicates the liability incurred in importing Europeans who become vagrants within one year after being so imported.

3. I am directed to suggest, for the consideration of His Excellency the Governor of Western Australia, the desirability of causing the purport of these provisions to be promulgated in the Colony for general information.

I have, &c.,  
E. C. BAYLEY,  
*Secretary to the Govt. of India.*

#### Sections referred to.

25. Every master of a ship landing or allowing to land in any part of British India any person of European extraction who has been convicted in any other part of Her Majesty's dominions of felony or of an offence which, if committed in England, would be felony, shall, on conviction before a Magistrate, be liable, for every person so landed or allowed to land, to pay a fine not exceeding five hundred rupees and not less than one hundred rupees, and, in default of payment, to imprisonment for any term not exceeding two months,

unless the defendant shall satisfy the Magistrate by evidence (which the defendant is hereby declared competent to give), that he had made due enquiry as to the person so landing or allowed to land, and that he had no reason to believe that such person had been convicted as aforesaid.

The Governor General of India in Council may from time to time, by notification in the *Gazette of India*, exempt from the operation of the former part of this section the masters of any class of ships, on such terms as to the said Governor General in Council shall seem fit, and whether in respect of all or of any part of the persons on board such ships.

The said Governor General in Council may in like manner revoke any exemption made under this section.

Liability of importers of Europeans or employers of soldiers becoming vagrants. 31. Whenever any person of European extraction lands in India,

or, being a Non-Commissioned Officer or Soldier in Her Majesty's Army, leaves that Army in India,

under an engagement to serve any other person, or any Company, Association or Body of persons in any capacity,

and becomes chargeable to the State as a vagrant within one year after his arrival in India or leaving the Army, as the case may be, then the person, or Company, Association or Body, to serve whom he has so landed in India or left the Army, shall be liable to pay to the Government the cost of his removal under this Act and all other charges incurred by the State in consequence of his becoming a vagrant.

Such costs and charges shall be recoverable by suit as if an express agreement to repay them had been entered into with the Secretary of State for India in Council by the person, Company, Association or Body chargeable.

## £5000 REWARD !!

*Colonial Secretary's Office,  
Perth, Western Australia,  
15th July, 1869.*

IT is hereby notified for general information, that the Local Government of Western Australia offer as a Reward for the discovery of a workable GOLD FIELD within a radius of Three hundred miles from any declared port in the Colony, on or before the 31st day of December, 1869, the sum of

£5000

upon the following conditions:—

1.—That the Reward be not payable until 5000 ounces of Gold, of standard purity at the least, and either alluvial or crushed from quartz, and obtained from such Gold Field, be entered and cleared at the Custom House in Fremantle, and actually shipped to Great Britain, either in one entry or by several entries, before the first day of July, 1870.

2.—That the Governor of the Colony for the time being, in Executive Council do finally adjudicate and determine to whom alone, or, if there be several claimants, to whom and in what proportions, and under what circumstances, such Reward shall be payable and paid.

3.—That the locality or localities of such discovery be clearly and accurately defined and published in the Government Gazette of the said Colony of Western Australia on or before the 31st day of December, 1869.
