*Colonial Secretary's Office,
Perth, 22nd November, 1870.*

THE following alterations made in the Colonial Regulations, on the subject of Land Privileges to Naval and Military Officers, are hereby notified for general information, as having taken effect from the 1st October, 1870.

By command,

FRED. P. BARLEE,
Colonial Secretary.

392. The only Colonies which now offer land privileges to Naval and Military Officers are

British Columbia, Newfoundland, Natal, Ceylon, and Western Australia.

393. The Officers to whom such privileges are offered are, (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of 7 years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than 5 years' standing.

394. The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under 7 years' standing; Medical Officers of less than 5 years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

395. In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the four other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following scales:—

In British Columbia.

	Acres.
Field Officers of 25 years' service, in the whole ...	600
Field Officers of 20 years' service, in the whole ...	500
Field Officers of 15 years' service, in the whole ...	400
Captains of 20 years' service and upwards, in the whole ...	400
Captains of 15 years' service or less, in the whole ...	300
Subalterns of 20 years' service and upwards, in the whole ...	300
Subalterns of 7 years' service and upwards, in the whole ...	200

In Newfoundland, Natal, Ceylon, and Western Australia.

	£
Field Officers of 25 years' service and upwards, in the whole ...	600
Field Officers of 20 years' service and upwards, in the whole ...	500
Field Officers of 15 or less years' service, in the whole ...	400
Captains of 20 years' service and upwards, in the whole ...	400
Captains of 15 years' service or less, in the whole ...	300
Subalterns of 20 years' service and upwards, in the whole ...	300
Subalterns of 7 years' service and upwards, in the whole ...	200

Although these scales refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

396. Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same Officer, and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

397. As the sole object of the regulations is to encourage the *bonâ fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the four other Colonies he may have purchased to the extent of his remission money.

398. At the expiration of two years from the date of such Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bonâ fide* Settler in the Colony, and had not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent

improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the *Government Gazette* of the Colony.

399. If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown. No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

400. But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorized to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

401. As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations, nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
