AUSTRALIAN TIMBER.

TENDERS are invited by the Colonial Secretary, Colombo, for supplying the Colonial Store Department at Colombo, with the following descriptions and quantities of Australian Timber, on the conditions named below:—

200 logs, Red Gum (Eucalyptus Rostrata) 12in. by 12in.:—50 logs of 20, 50 logs of 30, 50 logs of 40, and 50 logs of 45 feet long.

3000 Planks do. 6 by 4:—2000 of 18 feet long, and 1000 of 15 feet long.

25 logs, Cedar, of the various lengths and dimensions ordinarily procurable.

1000 Red Gum Railway Sleepers, 9 feet by 10 in. by 5 in.

The timber is to be delivered duty paid, and free from all expenses to Government, beyond the Contract price, within the Colonial Store Timber yard on the Galle Buck at Colombo.

The delivery should be completed before April, 1874.

The timber is to be measured and paid for by girth measurement excluding defects, and by the scales of Hoppus' Measure Book, nothing under a quarter of an inch being included; allowance to be made in length for split or defective ends; Queen's caliper or freight measurement is not admitted.

As only straight square timber of the best quality, free from sap and defect, is required, it is clearly to be understood that not under any deduction of measurement, however large, will inferior timber be accepted.

Measurement is to be made in the Timber yard in the presence of such person as may be deputed by the Contractor to superintend and agree upon the measurement, which is to take place as soon as circumstances will allow, no avoidable delay taking place.

Payment will be made for each delivery as soon as possible not exceeding 15 days from the completion of measurement.

Tenders for the above stated timber or a portion thereof, which must express the price per cubic foot in Rupees and Cents, local currency, under the above conditions, will be received by the Colonial Secretary, Colombo, marked "Tender for Australian Timber," until 31st August, 1873.
