(L.S.)
H. ST. GEORGE ORD,

HIS Excellency the Governor has been pleased to appoint MR. M. T. HAMERSLEY to be Assistant District Registrar of Births, Deaths, and Marriages, at York.

No. 113.—C.S.O.

Colonial Secretary's Office,
Perth, 8th July, 1878.

HIS Excellency the Governor directs the following report of the Inspector of Charitable Institutions to be published for general information.

By His Excellency's Command,
ROGER TUCKERD. GOLDSWORTHY,
Colonial Secretary.

Perth Poor House,
June 10th, 1878.

SIR,—I beg respectfully to report that on the 9th of May, I visited and inspected the Perth Protestant Orphanage for girls. 31 children are maintained by Government, 30 were present, and one was under treatment in the Colonial Hospital for fever; with this one exception the health of the children during the past quarter has been good.

The dormitories were clean and well ventilated.

The food supplied to the inmates is good in quality and sufficient in quantity.

The Institution appears to be admirably conducted under the management of Miss Duffield, the Superintendent.

May 10th.—Visited and inspected the Native and Half-caste Mission, Perth. 8 boys and 13 girls were present, there has been no sickness during the past quarter, the children are well fed and clothed, and appear healthy and contented.

The dormitories are clean and well ventilated.

May 14th.—Visited and inspected the Roman Catholic Orphanage for girls; C.M. the Very Rev. F. Gibney, but managed by the Sisters of Mercy. No. of Government inmates 61, who were present

and in school; there has been no sickness amongst the inmates during the past quarter, the children are healthy, well fed, and neatly clothed.

The dormitories were clean and well ventilated.

May 31st.—Visited and inspected the R.C. Orphanage for boys at Subiaco. No. of Government inmates 42. This institution is also managed by the Sisters of Mercy, who spare no pains in the care of the children; the provisions were good and the children are allowed sufficient for their wants.

The dormitories were clean and well ventilated.

The health of the inmates during the past quarter has been good.

The elder boys are employed in various useful ways, some in farm work, some in the garden, others in gathering olives and pressing the fruit; a large quantity of oil has been made this season and promises to be of excellent quality.

Olives are cultivated largely in the grounds attached to the Institution, and will, I have no doubt, in a few years time, and with suitable appliances for extracting the oil, add largely to the revenues of the Institution.

I have, &c.

W. DALE,

Inspector of Charitable Institutions.

The Honorable the Colonial Secretary.

*Crown Lands' Office,
Perth, 17th June, 1878.*

THE Government of Western Australia having established a Sericultural Farm and Mulberry Plantation at Claisebrook, in the City of Perth, and brought it into good working order, desires now to let it on lease, for a term of fourteen years. The contents are about sixteen acres, well and securely fenced, planted with over four thousand mulberry trees, of which one-half are in bearing and should yield during the ensuing season over a ton weight of leaves, and this yield can soon be increased tenfold by careful culture.

The following varieties will be found in the plantation:—*Morus Alba*, *M. Roseleaf*, *M.*

Multicaulis, *M. Japonica*, *M. Tartarica*, *M. Chinese*, and some twelve others.

The buildings consist of a two-roomed cottage, and a magnanerie or worm house, 30ft. by 15ft., well built of concreted material and fitted with trays and other appliances designed and adapted for educating about fifty thousand worms at once.

The value of the silk already produced is too well known to need comment.

Offers will be received up to the 20th August next, conveyed by either letter or telegram, addressed to the Commissioner of Crown Lands.

Immediate occupation can be given, but on the receipt of letter or telegram noting acceptance of offer the agreed rental must be at once paid for the first year, before entry is given, and afterwards for each succeeding year in advance.

The tenant will not be allowed to sub-let any part of the land, and a right of immediate re-entry will be reserved to the Government if it is seen at any time that the tenant is injuring or failing to keep in proper repair and order all the above-mentioned buildings, fences, and plantation.

Further information can be obtained on application to the Commissioner of Crown Lands, Perth, Western Australia.

By Command,
MALCOLM FRASER,
Commissioner of Crown Lands.
