PERTH: TUESDAY, NOVEMBER 5.

[1878.]

No. 188.—C.S.O.

Colonial Secretary's Office,

Perth, 4th November, 1878.

HIS Excellency the Governor has been pleased to make the following appointment:—Mr. W. R. PIESSE to be Clerk of the Bench of Magistrates, and Clerk of the Local Court at Newcastle, *vice* Mr. J. Adam, promoted.

By His Excellency's Command,
ROGER TUCKER^D. GOLDSWORTHY,
Colonial Secretary.

No. 186.—C.S.O.

Colonial Secretary's Office,

Perth, 30th October, 1878.

DOUBTS having arisen as to the interpretation to be put upon Section 72 of the New Land Regulations, fixing the fees to be paid for Licenses to cut down and remove timber on Crown Lands, His Excellency the Governor is pleased to notify that the construction to be placed upon this section is as follows:—

Persons engaged in cutting down trees to be used or exported as piles or baulks, will be required to take out a license for the purpose, for which they will have to pay £3 each, or £5 the pair per month; but they will not be required to take out a further license for the persons employed in removing the same during the currency of their licenses.

Persons engaged in cutting down trees in any shape, so long as the same are cut and removed simply and *bonâ fide* for the purpose of being split or sawn up, and not for use or shipment as piles or baulks, will have to take out a license for such cutting down, for which they will have to pay 5 shillings per month each; and all persons engaged in the removal of such timber, will have to take out a similar license before they can assist in its removal.

It is further to be understood that persons holding a five shilling license may cut down a tree and remove it as a log or baulk to their saw pit; and a company or person having saw mills at a distance from the place where the trees are to be found, may, on taking out a five shilling license for every person engaged in cutting down or removing such trees, lawfully cut down and remove them in baulk or as logs to their saw mills, so long as they do this solely for the purpose of splitting or sawing them up, and not for the purpose of using or exporting them as piles or baulks.

By His Excellency's Command,
ROGER TUCKER^D. GOLDSWORTHY,
Colonial Secretary.

NOTICE TO PASTORAL LESSEES.

THE attention of Lessees and Licensees of Crown Lands is called to the following particulars in the New Land Regulations proclaimed September 14th, 1878:—

1. The minimum acreage of First Class Pastoral Lands for which Licenses can be granted under the New Land Regulations being 3,000 acres, no renewals of existing Licenses which are under this quantity will be granted for 1879, except in cases where from the interference of the boundaries of other holdings the area cannot be increased; in all other cases fresh licenses of not less than 3,000 acres will have to be procured.
2. In the Second Class Lands, *Leases* only are now granted and in blocks of not less than 20,000 acres. Present License holders under Class II will therefore at the beginning of next year have to apply for *Leases* instead of renewals of Licenses.

3. Failure of payment of rent by the 1st March in any year for any Lease or License (except Mineral Leases which are specially provided for), causes the forfeiture of such Lease or License without the privilege of afterwards making such payment with the addition of a fine.
