SIR,—I informed you by my telegram of the 13th instant, that the Lords Commissioners of the Treasury would continue the present arrangement for the carriage of the Australasian Mails, but after the 1st of February next would retain twopence instead of a penny on the outward correspondence; and I have now the honor to transmit to you, for the information of your Government, a copy of a letter (C.O. 29th April, 1879), in which I caused their Lordships' decision to be communicated to the Agents General, and to Mr. Graham Berry, as the representative of the Government of Victoria, who was then in this country.

DOWNING STREET,
20th April, 1879.

SIR,—With reference to previous correspondence respecting the Australian postal question, I am directed by the Secretary of State for the Colonies to inform you that he has received a letter from the Lords Commissioners of the Treasury, intimating that on being informed by [Mr. Berry] [you] that [he] [you] had reason to believe that a fresh contract might be made with the Peninsular and Oriental Company for a fortnightly service both to Melbourne and Sydney, touching at King George's Sound and South Australia, on terms which would be advantageous as compared with the existing rate, they are prepared, under such circumstances, so far to modify their previous decision on the subject as to agree that the Australian Mails shall, as at present, be conveyed free of charge to the Colonies between this Country and Point de Galle or Colombo (in the event of the latter port being made the port of call for Ceylon), on the condition that the Imperial Post Office shall, after the 1st of February next, when the present arrangement will expire, receive twopence in lieu of one penny as at present on the outward correspondence, which may be considered as equivalent to the inland rate on both the homeward and the outward correspondence.

This arrangement would of course apply equally to the correspondence conveyed under other contracts *via* Singapore and San Francisco.

I am, &c.,
(Signed) R. G. W. HERBERT.
