## CIRCULAR.

Downing Street, 24th January, 1880.

SIR,—I have the honor to transmit to you for publication in the Colony under your Government a Copy of a Declaration between this Country and the French Government, prolonging the duration of the existing Treaties of Commerce and Navigation between Great Britain and France, which was signed at Paris on the 10th of October, 1879.

I have, &c.,

M. E. HICKS BEACH.

The Officer Administering the  
Government of Western Australia.

*Declaration between the British and French Governments prolonging the Duration of the existing Treaties of Commerce and Navigation between Great Britain and France.*

Signed at Paris, October 10, 1879.

THE Government of Her Britannic Majesty and the Government of the French Republic, foreseeing the case in which the commercial and maritime relations between Great Britain and France should not have been settled by fresh arrangements before the 31st December, 1879, the period at which the existing Commercial Treaties and Conventions are to expire, and wishing to secure for the manufacturers and merchants of both countries a sufficient delay to conclude the operations in course of execution,—

Have agreed to prolong, for a period of six months before their definitive termination, the Conventional Acts in force between Great Britain and France.

Considering, besides, that, according to the terms of the Law passed in France on the 4th August last, which confers on the Government of the Republic the power of prolonging the Commercial Treaties and Conventions, the duration of their prolongation cannot exceed six months from the promulgation of the new General Customs Tariff submitted to the approbation of the French Chambers,—

The High Contracting Parties agree that the stipulated delay of six months shall commence from the day either anterior or posterior to the 1st January, 1880, on which the new General Customs Tariff shall have been promulgated.

The benefit of the prolongation shall apply to the Conventional Acts enumerated hereafter, that is to say:—

1. Treaty of Commerce of the 23rd January, 1860.
2. Additional Article of the 25th February, 1860.
3. Second Additional Article of the 27th June, 1860.
4. First Supplementary Convention of the 12th October, 1860.
5. Second Supplementary Convention of the 16th November, 1860.
6. Treaty of Commerce and Navigation of the 23rd July, 1873.
7. Supplementary Convention of the 24th January, 1874.
8. Declaration of the 24th January, 1874.

In witness whereof, the undersigned, acting in the name of their respective Governments, have drawn up the present Declaration, and have affixed thereto the seal of their arms.

Done in Duplicate, at Paris, the 10th day of October, 1879.
