SIR,—I have the honor to transmit to you, for publication in the Colony under your Government, a copy of an agreement between the Governments of Great Britain and Germany, for the mutual surrender of Merchant Seamen Deserters, together with a copy of the order of the Queen in Council of the 18th of March giving effect to the agreement.

I have, &c.,

The Officer Administering the

*Agreement between the Governments of Great Britain and Germany
relative to Merchant Seamen Deserters.*

Signed at London, November 5, 1879.

The Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Government of His Majesty the German Emperor, King of Prussia, being desirous, for the benefit of the commerce of the two countries, to facilitate the discovery, apprehension, and surrender of seamen who may desert from merchant vessels of either country, on the basis of a full and entire reciprocity, have agreed as follows:—

It is mutually agreed that if any seamen or apprentices, not being slaves, should desert from any ship belonging to a subject of either of the Contracting Parties, within any port in the territories or in the possessions or colonies of the other Contracting Party, the authorities of such port and territory, possession or colony, shall be bound to give every assistance in their power for the apprehension and sending on board of such deserters, on application to that effect being made to them by the Consul of the country to which the ship of the deserter may belong, or by the deputy or representative of the Consul.

It is understood that the preceding stipulations shall not apply to subjects of the country where the desertion shall take place.

Each of the two High Contracting Parties reserves to itself the right of terminating this Agreement at any time, on giving to the other a year's notice of its wish to that effect.

In witness whereof the Undersigned have signed the present Agreement, and have affixed thereto the seal of their arms.

Done at London in duplicate, the fifth day of November, in the year of our Lord one thousand eight hundred and seventy-nine.

AT THE COURT AT WINDSOR,
The 18th day of March, 1880.

PRESENT,
THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the "Foreign Deserters Act," 1852, it is provided that whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering and apprehending seamen who desert from British merchant ships in the territories of any foreign power, Her Majesty may, by Order in Council stating that such facilities are or will be given, declare that seamen, not being slaves, who desert from merchant ships belonging to a subject of such Power when within Her Majesty's dominions shall be liable to be apprehended and carried on board their respective ships, and may limit the operation of such Order, and may render the operation thereof subject to such conditions and qualifications, if any, as may be deemed expedient:

And whereas it hath been made to appear to Her Majesty that due facilities for recovering and apprehending seamen (not being German subjects) who desert from British merchant ships in the territories belonging to His Imperial Majesty the Emperor of Germany will be given under an Agreement between the Governments of Great Britain and Germany signed at London on the 5th November 1879:

And Her Majesty, by virtue of the powers vested in Her by the said "Foreign Deserters Act," 1852, and by and with the advice of Her Privy Council, is further pleased to order and declare that, upon and after the publication hereof in the London Gazette, the Order in Council made, by virtue of the said Act, on the 16th day of October 1852, and published in the London Gazette on the 23rd day of October 1852, so far as it relates to seamen who desert from merchant ships belonging to citizens of the Free Hanseatic Cities of Lubeck, Bremen, and Hamburg, and the Order in Council relating to seamen who desert from the merchant ships belonging to subjects of the King of Prussia, made by virtue of the said Act, on the 16th day of October 1852, and published in the London Gazette on the 23rd day of October 1852, and the Order in Council relating to seamen who desert from the merchant ships belonging to subjects of the Grand Duke of Oldenburg, made, by virtue of the said Act, on the 13th day of June 1853, and published in the London Gazette on the 14th day of June 1853, and the Order in Council relating to seamen who desert from the merchant ships belonging to subjects of the Grand Duke of Mecklenburg-Schwerin, made, by virtue of the said Act, on the 9th day of March 1854, and published in the London Gazette on the 10th day of March 1854, and the Order in Council relating to seamen who desert from the merchant ships belonging to subjects of the King of Hanover, made, by virtue of the said Act, on the 8th day of June 1854, and published in the London Gazette on the 13th day of June 1854, shall be revoked, and the same are hereby revoked accordingly.

IMPORTATION OF STOCK INTO NEW ZEALAND.
(NOTICE No. 21.)

Colonial Secretary's Office,
Wellington, 21st January, 1880.

THE attention of intending importers of stock into New Zealand is called to the provisions of the following sections of "The Diseased Cattle Act Amendment Act, 1873," which require that, before any cattle shipped from any foreign port can be landed in New Zealand, the owner must produce at the port of arrival a certificate, duly attested, that such cattle were free from any infectious or contagious disease when shipped:—

"6. From and after the 1st day of April, one thousand eight hundred and seventy-four, no cattle shipped to New Zealand from any foreign district shall be landed in New Zealand unless the owner of such cattle shall produce to the Cattle Inspector at the port or place in New Zealand where the same shall arrive a certificate in writing, signed by a duly qualified veterinary surgeon, to the effect that such cattle were inspected and examined by him immediately before shipment, and that they were at the time of such examination and shipment free from any contagious or infectious disease whatever, and which would be likely to propagate amongst men or animals any such contagious or infectious disease, or any other disease.

"7. Every such certificate of inspection and examination shall be attested before a Justice of the Peace or a notary public.

"Every such certificate so attested before a Justice of the Peace or a notary public as aforesaid shall, for all purposes, be receivable in the colony as sufficient evidence of compliance with the provisions of this Act by any such owner as aforesaid."

Cattle Inspectors at the various ports have been instructed to strictly enforce the provisions of the Act above referred to.

The word "cattle," as interpreted by the Act, includes horses, sheep, goats, and swine.

The Bankruptcy Act, 1871.

IN THE SUPREME COURT.

In the matter of a special resolution for liquidation by arrangement of the affairs of John Davis Bryant, of the City of Perth, in the Colony of Western Australia, painter.

THIS is to certify that Mr. Charles Owen Speight, of the City of Perth aforesaid, storekeeper, has been appointed and is hereby declared to be trustee under this liquidation by arrangement.

Given under my hand and the Seal of the Court this sixteenth day of July, 1880.

(L.S.) **JAMES COWAN,**
Registrar.

Mr. Nathaniel Howell, Town Hall Chambers, Perth,
Attorney in the matter of the petition.

I HAVE applied to the Northam Roads Board to recommend my being allowed to close two short pieces of road, reaching from the road between Wilberforce and Seabrook to Lots 365 and 238; the roads were marked for the convenience of the original purchaser many years ago and have never been cleared or made use of, and as I have now purchased the two blocks of land I should be glad to do away with the roads.

EDMD. R. BROCKMAN.
