In addition to this debit there is an outstanding account due to the Local Government for Prison labor of £113 17s., which leaves a total debit, on 1st November instant, of £171 15s. 4d., but against which there is a subsidy due from the Local Government of £50 for the past financial year for town jetty, which would then leave a balance debit of £121 15s. 4d.
