No. 1459.—C.S.O.
Western Australian Volunteers.

*Colonial Secretary's Office,
Perth, 25th April, 1883.*

HIS Excellency the Administrator has been pleased to make the following appointment:—

PERTH ARTILLERY VOLUNTEERS:

W. A. STONE, Esq., to be Lieutenant, *vice* Lieutenant E. W. Haynes, promoted.

By Command,
MALCOLM FRASER,
Colonial Secretary.

No. 1463.—C.S.O.

*Colonial Secretary's Office,
Perth, 28th April, 1883.*

HIS Excellency the Administrator directs the publication of the following communication received from the Government Resident at Roebourne, for general information.

By Command,
MALCOLM FRASER,
Colonial Secretary.

*Resident's Office, Roebourne,
5th April, 1883.*

SIR,—I regret to report that the schooner "Ariel," 75 tons, is missing, and there is hardly any hope that she can be afloat. She had on board the persons named in the list appended, four of them having wives and families.

The "Ariel" left Cossack on the 6th February for Condon and the Pearl Grounds Eastward, and she would ordinarily have returned within a month. When she left, the Barometer was slightly falling, and the wind was North-easterly. On the 8th it blew hard from E. and N.E., but the Barometer at Cossack did not fall more than 3/10 from first to last. There was, however, a Cyclone passing, which made the land Westward, and stranded two pearling boats near the Fortescue—happily without loss of life or very serious damage. The glass there fell to 28.28. It is feared the "Ariel" must have been driven to sea by the contrary wind and caught in this hurricane, but the indications here, though they made us anxious for news, did not warrant grave alarm.

The "Rob Roy" arrived on the 21st. Those on board had seen a mast, with cross-trees and rigging, floating off the Montebellos. I think it is much to be regretted that a boat was not lowered to examine it.

On the 9th March, a messenger from Lagrange Bay and Condon reported that the "Ariel" had not reached the Pearlers up to the 20th February, nor Condon up to the 5th March. She should have made the latter in 2 or 3 days from Cossack. This was the first certain news that she was missing.

I was then daily expecting the Revenue Cutter, and as on the 2nd March a boat had gone West with directions from the Agent, Mr. Pead, to examine Montebello and Barrow Islands, I did not deem it necessary to charter a boat to go in the same direction.

The "Gertrude" arrived on the 17th, having seen no traces of the "Ariel," or of wreck Eastward. I at once requested Capt. Walcott to proceed on a searching cruise West, and urged him to put to sea as soon as possible. He got away on the 21st, but came back ill on the 28th, having examined the Montebellos only. He has now left to complete the search, of which I hope to be able to report the result before the steamer leaves.

I have, &c.,
E. H. LAURENCE,
Government Resident.

The Honorable the Colonial Secretary,
&c., &c., &c.

List of Persons on board the "Ariel."

A Periodical Ticket is not transferable; and if any such Ticket be found in the possession of any person to whom it was not issued, who shall attempt to travel therewith, it shall be retained, and absolutely forfeited, unless it shall appear that the proper holder thereof had not connived at such improper use.

In addition to the usual charge, a deposit of 10s. will be required on all Periodical Tickets, which will be returned on delivering up the said Ticket; but if not so delivered up within 24 hours after the expiration of the time for which the Ticket was issued, the said deposit shall be absolutely forfeited.
