**H**IS Excellency the Governor in Council has been pleased to order and direct, in virtue of the powers vested in him, that all that portion of Crown Land situate in the Swan District, and bounded on the *Westward* by the Western face of the Darling Range; on the *Northward* by the Newcastle Road; on the *Eastward* by Worriloo Brook, and by a line running South from near where the said Brook crosses the Northam Road to the Helena River; and on the *South* by the Helena River—shall be subject, in so far as the felling, cutting, splitting, and removing of timber is concerned, to the following Regulations.

Within the above defined area a block of 3 square miles will be retained by the Crown specially for the use of persons engaged cutting up timber by hand, commonly known as "Pit Sawyers."

### REGULATIONS.

1. Applications will be received at the Crown Lands' Office for special licenses to cut over timber forest lots fronting on the railway or otherwise. Lots fronting on the railway shall have a mean breadth of one mile or thereabouts, and a mean depth of three miles or thereabouts. Upon approval of an application, the lot comprised therein will be offered by Public Auction.

2. The conditions of sale shall be:—

- (a) An upset rent of £100 per annum, for a term of 14 years for each lot.
- (b) The Crown to reserve the right to reserve or sell any portion not exceeding one sixth of the area let, on giving two months notice of the intention so to do; and further to reserve the right to reserve or sell the whole or any portion beyond the one-sixth before stated, on giving twelve months notice of the intention so to do; provided, however, that such notice shall be in writing, and that during the said terms of two months or twelve months the licensee shall be at liberty to remove the timber from the land to be reserved or sold.

3. Applications for licenses, under Clause 110 of the Land Regulations, for permission to fell, cut, split, and remove timber from Crown Lands within the beforenamed area, upon land not included in any reserve, or in any special license, shall only be received at the Crown Lands Office, Perth, and shall be subject to the following conditions:—

- (a) All logs felled shall be cut across into one or more lengths, and not merely felled and left with the top and branches on.
- (b) All logs so cut across shall be removed to the mill, or to a platform alongside the Railway, or, in the event of the person felling being a person engaged "Pit sawing," to his sawpit, within one month from the date of felling.
- (c) Any breach of the above regulations, besides being punishable under Act 36 Vic. No. 8, shall also render the license of the offender, together with any timber remaining unremoved, liable to forfeiture; and a renewal of the license shall not be granted except on the special approval of the Governor.

4. Present holders of licenses to cut timber on Waste Crown Lands, issued under Clause 110 of the Land Regulations, shall be permitted, upon application, to cut within the area to which these regulations apply; but subject, nevertheless, to the foregoing conditions and regulations.

5. The Land Regulations of the 11th October, 1882, shall be held to apply to the beforementioned area, in so far as the said Regulations are not inconsistent with the present Regulations.

FROM THE GERALDTON MUNICIPAL COUNCIL.

*To His Excellency Frederick Napier Broome, Esq., C.M.G., Governor and Commander-in-Chief in and for the Colony of Western Australia and its Dependencies.*

SIR,—

We, the Chairman and Councillors of the Municipality of Geraldton and inhabitants of the Victoria District, desire to approach Your Excellency with expressions of loyalty to Her Majesty the Queen, and of hearty welcome to yourself, on the occasion of your first visit to the Victoria District.

We thank you for having arranged that visit so soon after your assumption of the Government, and we desire to extend our thanks and welcome to Lady Barker, who so kindly accompanies you.

Your Excellency happily comes amongst us at a time when gloomy anticipations are giving place to hope. A succession of dry seasons, culminating, in the year 1881, in a severe drought, has materially retarded the progress of this part of the Colony; but, by God's blessing, a change for the better has taken place, the last and present seasons having been all that could be desired both for agricultural and pastoral pursuits.

Coming here by sea, Your Excellency will have observed what great natural advantages Champion Bay possesses as a port for shipping, and how much it needs improved jetty accommodation that those advantages may be thoroughly utilised.

We are glad that Your Excellency proposes to return to Perth overland. The journey will take you through that extensive agricultural district about to be surveyed in connection with proposals for a Geraldton-Irwin Railway. We are confident that the result of the journey will be to secure for that Railway scheme Your Excellency's hearty approval and support.

A few years ago there was every reason to look forward to a great future for the important mining district of Northampton. Our hopes in this respect have been hitherto frustrated by a great and long continued depression in the lead market; but we believe that much might be done for the development of our mineral resources by the establishment of local smelting works, to the erection of which, we doubt not, Your Excellency will afford every encouragement in your power.

We believe that the more a Governor makes himself personally acquainted with the Colony over which he is called to rule, the better will he be able to administer the Government to the satisfaction both of himself and of the inhabitants; and we hail Your Excellency's early visit as evincing a determination to form your judgment of the wants of the Colony from your own knowledge of its various districts.

We trust that your stay here will prove as pleasant to Your Excellency and Lady Barker as it is welcome to us all, and that it will only be the first of many visits helping to bind us all together in common efforts for the welfare of the Colony and in love and loyalty to the Empire and the Throne.

EDWARD SHENTON,  
Chairman Geraldton Municipal Council.

---

REPLY.

GENTLEMEN,—

The Address which you have just presented to me begins and ends with expressions of that allegiance to our beloved Queen which is the breath and air of the national life of Englishmen, and which must ever be the first and the last feeling present to those who, at Geraldton or elsewhere in this most loyal Colony, assemble to greet Her Majesty's Representative.

The extremely kind manner in which you welcome Lady Barker and myself on this our first visit to Champion Bay is very pleasant and gratifying to us both. We have been looking forward with much interest to our stay in Geraldton and our tour through the Victoria district, and we are glad to find ourselves amongst you.

During successive years, the inhabitants of this district have struggled bravely against reverses. The better fortune to which you are now happily able to call my attention is doubtless due to more favorable seasons; but it is also the sequel of much patient and persevering toil. It has been well earned, and I trust it may be permanent.

The local knowledge of the district, and the personal acquaintance with its people, which I hope to gain during my stay amongst you, will be of great value to me.

I refer to the improvement of your Port and of your inland communications. The improvement of the Geraldton jetty is now in progress. The Irwin Railway will shortly be a surveyed line; and, in a progressing Colony, a railway which has been surveyed soon becomes a railway in course of construction. I trust that the reward offered from the public funds for the establishment of local smelting works may before long have a practical result; and that the magnificent lodes of your lead mines may thus recover some of their former value.

Western Australia, gentlemen, appears to be emerging from "the day of small things." It behoves us to be prudent in our new prosperity, and not overbold in our prophecies of the future. But I

think that the larger scope which the aspirations of the people and the undertakings of the Government have lately assumed, is warranted; and, so long as we can advance on firm ground, I, for one, will not sound a retreat.

To the Chairman and Councillors of the Municipality of  
Geraldton, and the inhabitants of the Victoria District.

F. NAPIER BROOME,  
Geraldton, 25th September, 1883.

FROM THE NORTHAMPTON DISTRICT ROADS BOARD.

*To His Excellency Frederick Napier Broome, Esquire, Companion of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the territory of Western Australia and its Dependencies, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

We, the members of the Northampton Roads Board, on behalf of ourselves and the inhabitants of the District, desire to accord Your Excellency and Lady Barker a most hearty welcome amongst us, and thank you on the early opportunity you have taken in visiting the District, and learning its requirements.

It is pleasing to know that a sum of money has been placed on the Estimates for Public Buildings here, and as these are urgently required, we venture to hope the work will be proceeded with without delay.

Our immediate District is not in that flourishing condition which might have been expected considering its immense mineral wealth; the depression is mainly owing to the unprecedented low price of lead. We are hopeful, however, of a speedy change for the better.

Our Roads are in a very bad condition, and we regret being unable materially to improve them with the scanty means placed at our disposal; but from the increased amount voted by the Legislature for Roads and Bridges we trust shortly to be afforded more ample means to repair them with.

We hope that during your administration of the Government of the Colony increased prosperity may be enjoyed, and trust that your present visit may be attended with much pleasure both to Lady Barker and yourself, and that under Divine Providence you will, in due course, reach Perth in safety.

We assure you of our continued loyalty to Her Majesty the Queen, and to you her representative here.

On behalf of the members of the Northampton Roads Board and the Inhabitants of the District,

I have, &c.,

SAMUEL MITCHELL,  
Chairman, Northampton Roads Board.

26th September, 1883.

---

REPLY.

GENTLEMEN,

In Lady Barker's name and in my own, I thank you for the kind manner in which you welcome us to this District, during a visit pleasant and agreeable to us both in every respect.

It is my most earnest desire, and not mine only, but that of the whole Colony, that the day may soon come when the mineral wealth of Northampton may again command a profitable market.

In the present state of things, it is at least some satisfaction that you should be in the possession and enjoyment of a railway, which would never have been constructed but for the skill and energy with which you took advantage of the better times, while these lasted.

Your observations with regard to the prompt expenditure of the sum of money recently voted by the Legislative Council for buildings at Northampton, and with regard to the Roads Grant to be allotted for the coming year, will have my attention.

Your assurance of continued loyalty to Her Majesty the Queen is a becoming allusion to a sentiment never in doubt in Western Australia.

F. NAPIER BROOME,  
Northampton, 26th September, 1883.

To the Chairman and Members of  
the Northampton Roads Board.

FROM THE SETTLERS OF THE GREENOUGH DISTRICT.

*To His Excellency Frederick Napier Broome, Esquire, C.M.G., Governor and Commander-in-Chief in and over the Colony of Western Australia and its Dependencies.*

MAY IT PLEASE YOUR EXCELLENCY,—

We, the settlers of the Greenough District, while thanking Your Excellency for having taken so early an opportunity of visiting this portion of the vast territory over the destinies of which you have been called upon to preside, beg to tender to yourself and to Lady Barker our most cordial welcome, and to express our gratification at receiving you amongst us.

Your Excellency has assumed the reins of Government at an important epoch in the history of Western Australia, and at a time when, during the continuance of the present Constitution, exceptional responsibilities are inseparable from the position of a Governor, while upon his action much of the progress and welfare of the Colony must necessarily depend.

We have observed with gratification the steps which Your Excellency has taken to co-operate with the Legislature in securing for this Colony the great advantages which must result from the construction of a line of railway connecting the capital and its seaport with the railway system of South Australia, and for extending from York to King George's Sound the home lines now approaching completion.

Fully alive to the fact, as Your Excellency must be, that without large facilities for traffic and inter-communication no country can hope to make any material progress, we confidently anticipate that, during the course of your visit to this District, Your Excellency, from personal observation, will become convinced of the necessity for opening up its great agricultural resources by means of that railway line connecting the Irwin and the Greenough lands with the Port of Champion Bay, the construction of which, Your Excellency is aware, we have long had earnestly at heart.

While again tendering Your Excellency our welcome, we beg to express our loyalty to Her Most Gracious Majesty the Queen, and to yourself as Her Majesty's Representative, and our hope that Your Excellency and Lady Barker may, in the future, look back upon the period of your stay in Western Australia with kindly feelings towards her Colonists, and with the knowledge that your efforts to contribute to their social welfare and material progress have not been unproductive of beneficial results.

CHARLES CROWTHER.

---

REPLY.

GENTLEMEN,

I fully believe that Our Gracious Queen has no subjects more loyal than the sterling and industrious body of settlers whom I am to-day rejoiced to meet.

I thank you for the cordial welcome offered to myself and Lady Barker on this our first visit to the Greenough District. During our tour through this part of the Colony, we have been treated with great hospitality and kindness, and our visit has been most agreeable to us in every way.

I fully agree with you as to the importance of developing the resources of the Colony by means of railways and other useful public works; and I am glad to find that the action recently taken by me, in conjunction with the Legislative Council, in this direction, meets with your approval.

The farmers of this District have been severely tried; but I trust that it may be many a long day before you have again to contend with such a succession of bad seasons as those which have been lately experienced, and that present and future years may witness a return of the good crops of former times.

I beg you to accept our best wishes for your success and good fortune, and for the health and happiness of yourselves and your families.

F. NAPIER BROOME.  
Greenough, October 3rd, 1883.

To Charles Crowther, Esq., M.L.C.,  
and the inhabitants of the Greenough District.

FROM THE IRWIN DISTRICT ROADS BOARD.

*To His Excellency F. Napier Broome, Esq., Companion of the Most Distinguished Order of St. Michael and St. George, Governor and Commander-in-Chief in and over the Territory of Western Australia and its Dependencies, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

On behalf of the inhabitants of the Irwin District, we beg to express the great pleasure we feel in giving a cordial and sincere welcome to Your Excellency and Lady Barker, on this your first visit to this part of the Colony.

Although we live a comparatively secluded life, far removed from the chief centres of population, we are not behind our fellow colonists in loyalty to the throne and person of our gracious Queen, nor in sentiments of regard and esteem for Your Excellency personally, to whom has been committed the honorable and responsible task of administering the Government of this, the largest of the Australian Colonies.

In common with our fellow colonists, we participate in the well assured expectation that under the guidance of Your Excellency the province of Western Australia is about to enter upon a new era of progress and prosperity, and we entertain the hope that the Irwin District may be privileged to share in that brighter future that we believe will soon dawn upon the land of our birth or of our adoption.

Your Excellency in visiting this district will perceive that it possesses resources yet to be developed and a large extent of land yet to be reclaimed from nature, and which is suitable for pastoral and especially for agricultural operations. The hinderance in the way of improvement, hitherto, has been the difficulty in the transit of produce to a market or to a seaport for exportation.

We think this difficulty may be overcome by the adoption of one of two alternative undertakings: the first the construction of a railway from Geraldton to Dongarra, and terminating at some point on the Upper Irwin, the alternative—which would also secure for this district many advantages—the extension of jetty accommodation in our harbor, and the periodical visits of one of the steamers that now sail along our coast. We would respectfully suggest to Your Excellency the desirability of obtaining such

statistical information from the settlers on these subjects that may, after due consideration, lead to a practical solution of the question.

We are glad that Your Excellency's visit occurs at a season when our fields put on their most verdant appearance, and give the promise that with the Divine blessing we may reap in due time a bountiful harvest.

We trust that Your Excellency's sojourn in this part of the Colony may be one of unalloyed enjoyment; that it may conduce to the health of yourself and Lady Barker; and that at no distant period we may again have the pleasure of welcoming you to our district.

Signed on behalf of the inhabitants of the Irwin District,

S. F. MOORE,  
Chairman, Irwin District Roads Board.

REPLY.

GENTLEMEN,

It is with much gratification that I receive from you an address expressive of hearty loyalty to Her Majesty the Queen, and conveying a friendly welcome to Lady Barker and to myself.

I shall at all times be glad to advance any measure having for its object the welfare of the Irwin District.

It has afforded me pleasure to place upon the Estimates of next year sums of money for the survey of a Geraldton-Irwin Railway, and for the improvement of the Dongarra Jetty.

The provision of facilities calculated to promote agricultural farming in this part of the Colony, where so much good land exists, and the increased utilisation of Dongarra as a shipping port, are matters which your representative will, doubtless, keep before the Legislative Council, and which I shall feel it my particular duty to help forward by any practicable action.

Both Lady Barker and myself beg you to accept our best wishes for the health and prosperity of yourself and your families.

F. NAPIER BROOME.  
Dongarra, October 4th, 1883.

the Irwin District Roads Board.
