### SUNKEN ROCK OFF PINE ISLETS, NORTHUMBERLAND GROUP.

**N**OTICE is hereby given, that a sunken danger ("Edith Rock") has been reported by Mr. Till—who lives on No. 2 Percy Island—to lie about 1 mile N.W.  $\frac{1}{2}$  N. from the extreme N.E. point of the Pine Islets, and with that point in line with the first high hill North of Hixson Point.

At low-water springs, the rock has only 2 feet of water over it, with 10 fathoms alongside to the northward. It is about 60 feet across the top, and slopes away to the southward.

This danger is in the track of vessels from the northward beating up to the anchorage under No. 2 Percy Island, and there are indications of more foul ground further to the northward.

## REGULATIONS.

1. Applications will be received at the Crown Lands' Office for special licenses to cut over timber forest lots fronting on the railway or otherwise. Lots fronting on the railway shall have a mean breadth of one mile or thereabouts, and a mean depth of three miles or thereabouts. 3. Applications for licenses, under Clause 110 of the Land Regulations, for permission to fell, cut, split, and remove timber from Crown Lands within the beforenamed area, upon land not included in any reserve, or in any special license, shall only be received at the Crown Lands Office, Perth, and shall be subject to the following conditions:—

(a) All logs felled shall be cut across into one or more lengths, and not merely felled and left with the top and branches on.

(b) All logs so cut across shall be removed to the mill, or to a platform alongside the Railway, or, in the event of the person felling being a person engaged "Pit sawing," to his sawpit, within one month from the date of felling.

(c) Any breach of the above regulations, besides being punishable under Act 36 Vic. No. 8, shall also render the license of the offender, together with any timber remaining unremoved, liable to forfeiture; and a renewal of the license shall not be granted except on the special approval of the Governor.

4. Present holders of licenses to cut timber on Waste Crown Lands, issued under Clause 110 of the Land Regulations, shall be permitted, upon application, to cut within the area to which these regulations apply; but subject, nevertheless, to the foregoing conditions and regulations.

5. The Land Regulations of the 11th October, 1882, shall be held to apply to the beforementioned area, in so far as the said Regulations are not inconsistent with the present Regulations.

No. 1617.—C.S.O.

*Colonial Secretary's Office,  
Perth, 12th November, 1883.*

THE following Addresses presented to His Excellency the Governor during his recent tour in the Eastern Districts, together with His Excellency's replies, are published for general information.

Colonial Secretary.

FROM THE YORK MUNICIPAL COUNCIL.

*To His Excellency Frederick Napier Broome, Esquire, Governor and Commander-in-Chief in and over the Territory of Western Australia and its Dependencies, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

The Council of this Municipality give Your Excellency and Lady Barker a most hearty welcome upon this your first visit to York.

Your Excellency will not find many large buildings nor extensive works of any kind, consequently our assessments are small in amount; but we endeavor to do the best we can with the limited means at our disposal. The Municipal boundaries are widely extended, the length of the streets are out of all proportion to the number of inhabitants, and thus a visitor is led to believe very little has been done.

The Northern bridge has been repaired altogether from the Loan money, and a foot bridge added, towards the building of which the Municipal Council contributed rather more than one half of the cost. The South bridge requires to be treated in the same way. Your Excellency will observe the want of a new Post Office, the present structure having been built when the business was very limited, and the dwelling house is by no means suited for the accommodation of a family.

The Police quarters and Public Offices require remodelling upon a scale more in accordance with the increased business of this large district. The dilapidated fences which will be noticed by Your Excellency were put up either before the townsite was laid out or before it came within the provisions of the Municipal Act. A resolution has been passed by the Council calling upon holders of allotments in certain streets to put up fences of a better class; the work is progressing slowly but will in all probability be completed within a few months.

The site selected for the York Terminus of the Eastern Districts Railway is, we think, well chosen, and will tend to increase very much the value of surrounding cultivated land, and eventually be the cause of filling up a very unseemly gap in our main street.

It is the sincere wish of all that this visit may conduce to the health and enjoyment of Your Excellency and Lady Barker, as in all probability it will to the material benefit of the district, and that we may have the honor of meeting Your Excellency and Lady Barker in this town as often as circumstances will allow.

On behalf of the Municipal Council,

JOHN SEWELL,  
Chairman.

REPLY.

GENTLEMEN,

It is with pleasure that I to-day exchange greetings with the Municipality of the town of York, the importance and prosperity of which must shortly be much advanced by a railway giving cheap and ready access to the seat of Government, to the capital, and to the port.

You call my attention to works which you consider are requisite in connection with the South Bridge and certain of your public buildings. I shall be very pleased if the sums placed at my disposal by the Legislative Council for the year 1884 should enable me wholly or partially to meet your wishes. At any rate, I shall take a note of what you urge, and shall keep it before me till the question is disposed of.

At the first moment of my visit, it is not necessary that I should do more than express my own and Lady Barker's gratification at your kind and sincere welcome. We shall remain among you long enough, as we trust, to make many new friends; and I hope to take away with me that knowledge of the place and people without which a Governor, however well assisted by official papers, can, after all, do little more than feel his way in the dark.

F. NAPIER BROOME.

York, 23rd October, 1883.

To the Chairman and Members of  
the Municipality of York.

FROM THE YORK LODGE OF ODDFELLOWS.

*To His Excellency Frederick Napier Broome, Esquire, C.M.G., Governor and Commander-in-Chief in and over the Colony of Western Australia and its Dependencies, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

We, the Officers and Brethren of the York Lodge of the Independent Order of Oddfellows, beg to accord Your Excellency and Lady Barker a hearty and warm welcome upon this, the occasion of your visit to our district, and sincerely hope and trust that your present tour through these districts may be—firstly, one of the greatest pleasure—and secondly, one which may be the cause of bringing under your notice the public wants and requirements of our town.

It is with the utmost pleasure we inform Your Excellency that the present season, up till now, has been one which has brought gladness to the hearts of our settlers, and consequently the country all around has assumed nature's brightest robe.

We sincerely wish Your Excellency and Lady Barker a pleasant tour through this portion of the Colony, and venture to say you will not find the inhabitants of our or any other of the towns of these districts in the slightest degree lacking that loyalty and respect to yourself as Her Majesty's representative which has been evinced throughout the length and breadth of this, our adopted country.

In conclusion, we trust that Your Excellency's Administration may be for the common weal, and that, through Divine Providence, you may live a long life of happiness and prosperity.

GEO. INKPEN,

On behalf of the Officers and Brethren of the York Lodge  
of the Independent Order of Oddfellows.

---

REPLY.

GENTLEMEN,

In reply to your cordial greeting, I beg you to accept my best wishes, and Lady Barker's, for your own health and prosperity, and for the health and prosperity of those dear to you.

Loyalty to our gracious Sovereign is a common feeling in Western Australia; but it has nowhere taken deeper root than in this long-settled district.

I rejoice with you at the excellent season with which the farmers' toil has at last been rewarded; and I trust that the good-fortune may continue.

To make the acquaintance of the people, and to learn the circumstances and needs of this district, are the chief objects of my visit; and I take this opportunity of saying that I shall be most happy to converse during my stay with any settler, rich or poor, whose industry and practical experience entitle him to speak on matters affecting the common weal.

F. NAPIER BROOME.

York, 23rd October, 1883.

To the Officers and Brethren of the York Lodge of  
the Independent Order of Oddfellows.

FROM THE BEVERLEY PASTORAL AND AGRICULTURAL SOCIETY.

*To His Excellency Frederick Napier Broome, Esquire, C.M.G., Governor and Commander-in-Chief in and over the Colony of Western Australia and its Dependencies, etc., etc., etc.*

MAY IT PLEASE YOUR EXCELLENCY,—

The settlers of Beverley beg to accord Your Excellency and Lady Barker a most cordial greeting upon this, the occasion of your visit to their town. They have the greatest conceivable joy in being able to congratulate Your Excellency upon one of the finest seasons they have had for a great many years. Consequent upon the late heavy rains, the surrounding country looks its best, and the rich mantle of green which adorns the face of all plainly and vividly tells the settler that a good season is in store. Cereals of all kinds look remarkably well, and there is every prospect of a very heavy yield in the wheat and hay crops. Our late clip was indeed a first-rate one, and exceeded the expectations of the most sanguine. The wool was of good growth, and of excellent quality. Our show of stock last week was, as regards sheep, undoubtedly superior to any previous exhibition, and other classes of stock were good in comparison. We trust that Your Excellency's visit to Beverley may be one of the greatest pleasure, and also be the means of your learning a little more of the country, the people, and the district.

In conclusion, we wish yourself and Lady Barker a safe and pleasant return to the metropolis, and sincerely trust that Your Excellency's Administration may ever be for the advancement of the Colony, and for the welfare and prosperity of the people.

On behalf of the Beverley Pastoral and Agricultural Society,

THOMAS EDWARDS,

Honorary Secretary.

Beverley, October 26th, 1883.

## REPLY.

GENTLEMEN,

In reply to the Address with which you welcome Lady Barker and myself to Beverley, we can assure you that it is with great pleasure that we pay you a visit; and we offer you our best wishes for the health and prosperity of yourselves and your families.

The account you give of the present season is indeed an excellent one, and I heartily congratulate the district upon the fine harvest now ripening.

I believe that the Beverley of the present day will be little recognised in the thriving town of ten or a dozen years hence; and, indeed, it seems to me that all this part of the Colony has a future before it which only waits the construction of a railway and the influx of population to be one of no small magnitude.

F. NAPIER BROOME.

Beverley, October 26th, 1883.

To the Honorary Secretary, Beverley Pastoral and Agricultural Society,  
and the inhabitants of the Beverley District.

## FROM THE MUNICIPAL COUNCIL AND ROADS BOARD OF NORTHAM.

*To His Excellency Frederick Napier Broome, Esq., Companion of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the Territory of Western Australia and its Dependencies, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

It is with the most heartfelt pleasure that we, the members of the Municipal Council and Roads Board of Northam, representing the inhabitants of this town and district, beg to offer Your Excellency and Lady Barker our heartiest welcome to our town, and to assure you of our devoted loyalty to Her Gracious Majesty the Queen, and to yourself as her representative.

It is our earnest hope, that under Your Excellency's wise guidance, these districts and the Colony generally may make rapid progress, and become the home of a large and prosperous population.

The near approach of the "Iron Horse" to our district cannot fail to largely develop the resources of this important agricultural centre, and we earnestly trust that Your Excellency, aided by the Legislative Council, may be enabled, without delay, to link this district with the direct line to York.

The importance and necessity of this will be apparent to Your Excellency as you become acquainted with the geography and resources of the district.

The liberalisation of the land laws as they affect the small farmer is a subject which we have reason to hope Your Excellency will favorably consider in due time.

We trust that Your Excellency may be enabled to carry to a successful issue the grand scheme of Railway and Public Works now before the country, which must mark Your Excellency's rule as a grand epoch in the history of our Colony, and cannot fail, with our geographical position and many natural resources, to raise the Colony to a position second to none in the Australian group.

We assure Your Excellency that if our reception of yourself and Lady Barker fall short of our desires, that, nevertheless, the Colony possesses no more loyal supporters of your Administration than the hardy sons of toil of this and the surrounding district.

We assure Your Excellency and Lady Barker of our heartiest good wishes, and sincerely trust you may enjoy many years of health and happiness in our sunny land, and that at no distant day we may again have the happiness of welcoming you among us.

Signed on behalf of the Council, Roads Board, and inhabitants of Northam,

GEO. THROSSELL,

Chairman Municipal Council.

W. S. DEMPSTER,

Chairman Roads Board.

Northam, 29th October, 1883.

## REPLY.

GENTLEMEN,

Your Address is doubly gratifying, inasmuch as it expresses loyal attachment to Her Majesty the Queen, and respect and kindly feeling for her present representative in Western Australia.

Your friendly welcome is also highly valued by Lady Barker; and you have our warmest wishes for the health and prosperity of yourselves, of your families, and of this district generally.

To advance public works, and to administer the lands of the Colony in a liberal and judicious manner, has been the wise policy of Governors who have preceded me, and I shall endeavour to tread in their footsteps.

No class of the community is more deserving of the full sympathy and assistance of the Government than the cultivators of the ground, "the hardy sons of toil" to whom your Address alludes. I shall always be ready to serve them to the best of my power.

The Railway is fast penetrating the Central Districts, and, when a question can arise of a branch line to Northam, believe me, I shall be only too ready to entertain it. At present, as you will allow, our hands are full.

F. NAPIER BROOME.

Northam, 29th October, 1883.

To the Chairman and Members of  
the Municipal Council of Northam.

---

FROM THE MUNICIPAL COUNCIL OF NEWCASTLE.

MAY IT PLEASE YOUR EXCELLENCY,

We, the Chairman, Councillors, and Inhabitants of the town of Newcastle, and Settlers of the District of Toodyay, desire on this your first visit to offer Your Excellency a warm and loyal welcome to Newcastle.

We beg to assure Your Excellency of our deep attachment to the person of our Most Gracious Sovereign, and our unswerving loyalty to the Throne, and to Your Excellency as Her Majesty's Representative in this Colony.

It is with pleasure that we recognise in Your Excellency's tour through the various districts, at so early a date after your assumption of the reins of Government, an evident desire to become acquainted, by personal observation and intercourse with leading settlers, with the resources and requirements of each district and the Colony generally, which we venture to think cannot but be productive of beneficial results.

With a steadily increasing Revenue, a gradually advancing settlement, extension of Public Works' and confidence in Your Excellency as a careful and progressive Administrator, we are encouraged to look forward, under God's blessing, to the material advancement and prosperity of the Colony during Your Excellency's term of office.

We desire to express the great pleasure with which we greet the presence of Lady Barker amongst us, to whom and Your Excellency we wish continued health and happiness.

W. G. LEEDER,  
Chairman.

---

REPLY.

GENTLEMEN,

Your Address is marked by loyalty, cordiality, and discernment; and its friendly welcome adds another pleasure to a tour which has been most agreeable at every stage to Lady Barker and to myself. We thank you for your kind greeting, and we wish you and yours all happiness and prosperity.

The extensive and successful cultivation bordering the routes I have traversed, and the statements made to me respecting the area of agricultural land as yet untouched by the plough, are evidence that the Central Districts of this Colony are intended by nature to support a large population.

Western Australia is beginning to attract the notice it deserves. Let us hope that it may begin also to attract the immigrants to whom it can offer a comfortable subsistence, and a happy home.

It is to this end, gentlemen, that the best efforts of the Government and the Legislature are directed, and I cannot doubt that those efforts will be successful.

F. NAPIER BROOME,

Newcastle, 29th October, 1883.

To the Chairman, Members of the Municipal Council,  
and Inhabitants of the Town of Newcastle,  
and to the Settlers of the Toodyay District.
