It shall only be issued in exceptional cases, to encourage the discovery and utilisation of new deposits of Guano. Localities comprised within any previously issued *Exclusive License*, or localities which the Commissioner of Crown Lands may deem it desirable to reserve, shall be excepted from the operation of a *General License*, and so noted thereon. The localities comprised within any subsequently issued *Exclusive License* shall also be excepted from the operation of a *General License*, but not until the *Exclusive License* has been exhibited by the holder thereof, or his agent, to the master of the vessel acting under the *General License*.
