**H**IS Excellency the Administrator has been pleased to direct the publication of the Finding of the Court, held under the provisions of the 28th Vic., No. 2, on the 1st November, 1884, for the purpose of inquiring into the circumstances connected with the stranding and loss of the brig "Greyhound,"

Official Number 21593, in Hamelin Harbor, Western Australia, on the night of the 18th October, 1884.

By Command,  
**MALCOLM FRASER,**  
Colonial Secretary.

*Finding of the Board of Inquiry into the cause of the stranding and loss of the British brig "Greyhound" in Hamelin Bay, near Cape Leeuwin, at 10 p.m. on October 18th, 1884.*

WE, the undersigned, Principal Officer of Customs at the Port of Vasse, and Justice of the Peace of the Colony of Western Australia, acting under the provisions of the 1st section of the 28th Victoria, No. 2, forming a Board of Inquiry into the loss of the brig "Greyhound" wrecked in Hamelin Bay at 10 p.m. on Saturday, 18th October, ultimo, are of opinion that the stranding and breaking up of the said vessel was unavoidable; and further, that every precaution, previous and subsequent to the casualty, was taken by the Master (Alfred Charles Prescott) to ensure the safety of his vessel in harbor, and in endeavoring to prevent her stranding upon the beach; and we do not think it necessary to institute any formal charges in the matter aforesaid.

**J. S. HARRIS,**  
Sub-Collector of Customs.  
**CHARLES S. BOMPAS,**

1st November, 1884. Justice of the Peace.

I see no reason to interfere with the finding of the Court.

**H**IS Excellency the Administrator has been pleased to direct the publication of the following Report by the Inspector of Pearl Shell Fisheries on the May River.

By Command,  
**MALCOLM FRASER,**  
Colonial Secretary.

Revenue Schooner "Eloise,"  
Cossack Creek, 28th October, 1884.

I herewith have the honor to send in this report on the May River.

The Anchorage (which is a good one for a vessel of any size) is off its entrance, situated South bank of the Meda River bearing E.  $\frac{1}{2}$  N., distance  $4\frac{1}{2}$  miles, in 5 fathoms low

water springs, sand and mud bottom; from this anchorage the river takes a S.E. direction for about 16 miles, then turns sharply round to E. by N. for 4 miles, after which it runs to the Southward.

The Landing is right at the elbow of the two latter courses and is an excellent one, fit to land either stock or machinery, good high land (Pindan country), with a steep bank alongside of which a vessel (lighter) could lay, but would take the ground at low water, bottom coarse sand; there is good feed right at the landing, and water has already been found within 2½ miles, but no doubt it could be found closer.

The May has an average width of about two miles, with a great many sandbanks in it; but by keeping to the West bank for the S.E. reach, and then the North bank for the rest of the way, an average depth of 2 fathoms can be carried right up by a vessel starting from the anchorage at the half-flood tide.

The river banks below the landing mentioned are extensive marshes, mud flats and mangroves.

Although there is a good depth of water, I would not advise a vessel of more than 5 feet draught to venture up the river, on account of the very strong tides that run.

From the landing, Yarralla Hill bore S. by E. ¼ E., nearly 5 miles distance.

I have, &c.,  
BLAIR E. MAYNE,  
Inspector of Pearl Shell Fisheries.

With reference to Notice to Mariners, No. 253 (1), of 1st September, 1883, the Government of Victoria has given further notice, that on 7th July 1884, a light would be exhibited from a lighthouse erected on cape Nelson:—

The light is fixed white, between the bearings E. ¼ S., through east, north, and west, to W. ¼ S., elevated 250 feet above the sea, and visible in clear weather from a distance of 19 miles.

A red sector is shown to the eastward over Lawrence rock, between the bearings W. ¼ S. and W.S.W.; and a red sector is also shown to the westward over the southernmost point of cape Bridgewater, and one mile seaward of that point, or between the bearings E. ¼ S. and E. by S.

The lighthouse, 79 feet high, is constructed of stone and painted white.

The illuminating apparatus is dioptric, or by lenses, of the first order.

The Government of Victoria has given notice that on 7th July 1884, the portion of Portland harbor light which previously showed red would be altered to green, it should be visible in clear weather from a distance of about 12 miles.

The light now shows green between the bearings of N.W. through west, and S. by E., and white over the anchorage from S. by E. to the extremity of the jetty.

NOTE.—Vessels entering Portland Bay from the westward, must not, when nearing Lawrence rock, bring the light to bear northward of N.W. by W. ¼ W.; having passed the rock, a course may be steered towards the light, keeping it on the port bow, and not standing into less than 6 fathoms. When abreast the anchorage, the jetty light (red) will be seen bearing about West.

The lighthouse tower (when erected), the signalman's house, and the beacon in line will indicate the channel across the bar.

FROM THE MUNICIPAL COUNCIL AND INHABITANTS OF ALBANY AND THE PLANTAGENET DISTRICT.

*To His Excellency Sir Frederick Napier Broome, Knight Commander of the Most Distinguished Order of St. Michael and St. George, Governor and Commander-in-Chief of the Colony of Western Australia and Dependencies, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,—

We, the Chairman and Members of the Municipal Council, on behalf of ourselves and the inhabitants of the Town of Albany and settlers of the Plantagenet District, most respectfully beg to offer you our cordial welcome on this your third visit to our Port, on your way to our mother country.

We beg to assure Your Excellency of our sincere attachment to the person of our Most Gracious Sovereign Queen Victoria, and to Your Excellency, Her Majesty's representative in this Colony.

We acknowledge gratefully the many advantages this Town has received during your administration, and recognise the influence Your Excellency has exerted in our behalf: more especially in the settlement of the Contract for the Railway from this Town to Beverley, connecting us with the Capital; and we trust that ere your return operations may be commenced. It must be a matter of considerable gratification to Your Excellency that during the short period that you have held the reins of Government the Colony has entered upon a career which promises brilliant prospects for the future, and which is largely due to the progressive policy you have constantly advocated.

We heartily wish Your Excellency a safe and pleasant voyage to the old country, and trust that your visit may be an enjoyable one, and that Lady Broome and yourself may return in safety to our shores.

Signed on behalf of the Municipal Council and Inhabitants of Albany, this 12th day of November, 1884.

WILLIAM FINLAY, Chairman.

REPLY.

GENTLEMEN,—

It is with pleasure I again receive, from those who represent the people of this important Town and District, an Address couched in terms of loyalty to the Sovereign, and of respect and kindly feeling for Her official Representative.

In now quitting my Government for a few months, I feel that I am leaving a Colony to which I have become much attached, and colonists many of whom I hope to count among my closest personal friends as long as I live.

After a brief absence, I look to have the pleasure of again meeting you. During my residence here, I have endeavoured to forward the interests of Western Australia by every means in my power, and, while in England, I shall neglect no opportunity of serving the Colony.

It is very gratifying to a public officer in my position to receive from those whose affairs he has administered such an approval of his acts as you are pleased to express. I receive it, gentlemen, as a valuable reward, and as a high encouragement in the path of duty.

Lady Broome will be pleased to learn that you have coupled her name with my own in your kind wishes for our safe return.

To W. Finlay, Esq., and to the Municipal Council and Inhabitants of Albany and the Plantagenet District.

HIS Excellency the Governor directs it to be notified that the Honorable the Colonial Secretary is prepared to receive and forward to the Executive Committee at the Mansion House, London, subscriptions to the "Frere Memorial Fund," which is now being organised under the patronage of Field Marshal H.R.H. The Duke of Cambridge, K.G., &c., &c., &c. It having been pointed out that the great interest Sir Bartle Frere took in all matters relating to ties between the mother country and the British Colonies in general, and the devotion he showed in upholding the best interests of the Colonial Empire, were so notorious that many in the colonies other than those in the South African colonies, with which he was more intimately connected, would wish to join in the memorial to him if an opportunity were afforded, the Committee invite all who knew him in private life, or admired his public character, to take this opportunity of testifying their affection and esteem.

A sum not exceeding £3,000 is to be devoted to the erection of a Statue, and the surplus of all subscriptions received will be utilised, (1) in providing a permanent Fund to be conferred, as a testimony of admiration of Sir Bartle Frere, on his widow and family in life-rent; and (2) in perpetuating his memory by settling the reversion on his family.

A sum of over £4,000 has already been collected in England.

IT having been reported to the Government that Chinese Coolies recently imported from Singapore have in several instances proved to be crippled or in unsound health, His Excellency the Governor desires to draw the attention of Importers of Chinese labor into this Colony to the necessity of instructing the Agent they may employ in Singapore, or elsewhere, to exercise the utmost care in procuring proper Medical Certificates, after careful examination, that the persons engaged are in sound health, both mentally and physically.

To prevent Coolies interchanging or selling these Medical Certificates, the Agent should take especial care to satisfy himself that the man who actually embarks for Western Australia is the *bonâ fide* recipient of the Certificate, and the person originally engaged.

Postal and Telegraph Department,  
General Post Office,  
Perth, 12th November, 1884.

THE following correspondence, respecting the proposed reduction of the charge of Telegrams on the Telegraph lines connecting India with Australia, is published for the information of the Public.

A. HELMICH,  
Postmaster General and  
General Superintendent of Telegraphs.

NEW SOUTH WALES.

Colonial Secretary's Office,  
Sydney, 6th October, 1884.

Sir,

I have the honor, by direction of His Excellency the Governor, to transmit to you, herewith, a copy of a Despatch that has been received from the Secretary of

State for the Colonies, forwarding a copy of a letter from the India Office, respecting the proposed reduction of the charge of telegrams on the Telegraph lines connecting Madras and Bombay with this Colony.

I have, &c.,  
for the Colonial Secretary,  
(Sgd.) C. WALKER,  
Principal Under Secretary.

The Honorable the Colonial Secretary  
of Western Australia, Perth.

Downing Street,  
9th August, 1884.

My Lord,

In reply to your Despatch No. 134, of the 11th July, respecting the proposed reduction of the charge of telegrams on the Telegraph lines connecting Madras and Bombay with New South Wales, I have the honor to transmit to you, for communication to Your Lordship's Government, a copy of a letter from the India Office on the subject. I request that you will move your Government to communicate the letter to the Governments of the other colonies which were represented at the Postal Conference at Sydney.

I have, &c.,  
(Sgd.) DERBY.

Governor the Right Honorable  
Lord Augustus W. F. S. Loftus, G.C.B.,  
&c., &c., &c.

India Office,  
30th July, 1884.

Sir,

I am directed by the Secretary of State for India in Council to state, for the information of the Earl of Derby, that the copy of the resolution adopted by the Australian Postal Conference which was transmitted to this Office by Mr. Mead's letter dated 31st August, 1883, was communicated to the Government of India in accordance with the request of that Conference.

The Government of India have now replied to the Secretary of State for India on the contents of that resolution, and after consideration of that reply, I am desired by His Lordship in Council to communicate with you in the following sense.

There is no disinclination on the part of the Government of India to meet the wishes of the Australian Postal Conference for a reduction in the rates charged for Press Messages on Indian lines, and so far as the Secretary of State for India is aware, no objection has been raised to such reduction by the Telegraph Companies who are interested in the matter; but it appears that Germany, as one of the Administrations interested in the telegram telegraphic route to India, objects to any considerable reduction in the rates charged.

A meeting of the authorities representing the several telegraph administrations is, however, arranged to take place at Berlin in May, 1885, when the subject will be discussed; and, it is hoped, a satisfactory settlement in the direction of reduction of existing charges for Press Messages may be arrived at. Pending the meeting of the Conference, it appears to Lord Kimberley undesirable raise any discussion on the subject.

I am directed to request that you will move the Earl of Derby to cause a copy of this letter to be furnished to the proper authority for communication to the several Australian Colonies who were represented at the Sydney Conference.

I have, &c.,  
J. K. CROSS.
