Government Secretary's Office,  
Sandakan, 14th January, 1887.

SIR,—In view of the fact that several diggers from the Colonies have recently arrived here with the object of working gold in the Segama District, I am directed by the Governor of British North Borneo to request you to be good enough to bring to the notice of His Excellency the Governor of Western Australia the advisability of taking steps to notify Gold diggers in your Colony that, owing to the tropical climate and heavy rainfall, the fields here are not of a nature to be profitably worked by white men who have not capital to enable them to employ native or Chinese labour, and further that at present there exists no suitable overland route to the fields through the dense jungle, nor are there any facilities for obtaining supplies and provisions except from a great distance.

As will be seen from the copies of the Government notifications of the 17th January, 1883, and the 26th August, 1886, which I have the honor to enclose, this Government refuses to allow persons to land in the territory unless they can show that they are in possession of sufficient means of livelihood, and that for the present they reserve the right of refusing permits to Europeans, Australians, or Americans to reside or work in the Segama Goldfields District.

I have the honor to be, Sir,  
Your most obedient Servant,  
L. B. VON DONOP,  
Government Secretary.

The Honble. the Colonial Secretary,  
Perth, Western Australia.

## PROCLAMATION

By WILLIAM HOOD TREACHER, Esquire, Governor and Commander-in-Chief of the Territory of North Borneo.

[L.S.] WILLIAM HOOD TREACHER,  
Governor.

WE do hereby direct and proclaim that any person arriving in any of the ports of the Territory of North Borneo may, at the discretion of the Officer-in-charge at the Port of arrival, be refused permission to land unless he can show that he is in possession of sufficient means of livelihood, or can produce a landing ticket from some recognised agent of the North Borneo Government at the Port of departure.

And we do further direct and proclaim that the master of any vessel bringing to Ports in the said Territory persons who are so refused permission to land and for the above mentioned reasons, may be required to keep such persons on board at the risk and charge of the ship during her stay in any North Borneo Port, and to take away with him the said persons on departure, under a penalty of FIVE HUNDRED DOLLARS in each case.

Given at Sandakan this 17th day of January, 1883.

By His Excellency's Command,  
E. G. HILLIER,  
Private Secretary.

IT is hereby notified that for the present and until a Government Officer is appointed in charge of the Goldfields, the Government reserve the full right of refusing permits to Europeans, Australians, or Americans to reside or work in the Segama Goldfields district.

By His Excellency's Command,  
L. B. VON DONOP,  
Acting Colonial Secretary.
