*Address to Her Majesty from the Legislative Council of  
Western Australia.*

THE following Address was presented to His Excellency the Governor for transmission to Her Majesty, on the 16th instant; Mr. Speaker and Members of the Legislative Council having proceeded to Government House for the purpose:—

**To Her Majesty, Victoria,**

*By the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India.*

*May it Please Your Majesty,*

We, the Speaker and Members of the Legislative Council of Western Australia, in Council assembled, approach Your Majesty with feelings of the sincerest love and loyalty on this most happy and national occasion of the fiftieth anniversary of Your Majesty's accession.

As in the case of other portions of Your Majesty's vast Empire, the history and career of the Colony we represent had scarcely begun when Your Majesty inherited the Throne of Your Majesty's ancestors, and it is in Your Majesty's name that this territory has been administered from almost the first commencement of its settlement and civilisation, which therefore claim some place among the imperial achievements of Your Majesty's glorious reign.

For this, and for the other reasons common to Your Majesty's loyal subjects throughout the world, Your Majesty's Jubilee will nowhere be celebrated with greater joy than in Western Australia. We offer to Your Majesty our respectful congratulations; and we earnestly trust that—sustained amidst the cares of Empire by the affection of the Royal Family of England, and by the loving allegiance of a people whose pride and pleasure it is to acknowledge and revere the Sovereign who has ever respected their rights and liberties, the Friend who has ever sympathised with them in their triumphs and in their trials—Your Majesty may, for many years to come, continue, by the providence of God, to wisely wear the Royal and Imperial Crown which Your Majesty has so well and so nobly adorned, for half a century on this memorable day.

We humbly beg Your Majesty to accept the assurance of our continued devotion and loyalty to Your Majesty's Throne and Person.

<sup>2 2 5</sup>/<sub>8 7</sub> His Excellency The Governor to The Honorable The Colonial Secretary.

I think that arrangements should be made, by the Departments concerned, to render the 21st of June, the Day of Her Majesty's Jubilee, a day, as far as possible, of relaxation, and even—within proper limits—of pleasure, in every Public Institution in which men or women are domiciled and maintained at the Public Expense. This will include all Hospitals, Poor Houses, and Prisons. Every inmate should be provided with a really exceptionally good dinner. Tobacco should be given to those who smoke.

2. The officer officially responsible for each Institution should be charged with the duty of seeing that the necessary arrangements are made. He should receive a copy of this Minute, and should report without delay what is proposed, so that I may know. This Minute should be read to the inmates of each Institution.

3. After the Jubilee, each officer should report what has been done, and how the day has passed off, as I shall be very interested to learn.

4. No work that can be properly left undone should be done on Jubilee Day.

F. NAPIER BROOME,  
 Governor.

*The Aborigines Protection Board has made arrangements that all the Natives throughout the Settled Districts of the Colony, so far as shall be practicable, shall be feasted on Jubilee Day.*

*In honor of Her Majesty's Jubilee, His Excellency the Governor has been pleased to approve of the remission or mitigation of the sentences of thirty-six Prisoners.*

*His Excellency has been also pleased to direct the Release of twenty-five Aboriginal Native Prisoners, now confined on Rottnest Island.*
