Quarantine.

*Colonial Secretary's Office,
Perth, 4th October, 1887.*

²⁵⁷⁶/₈₇

HIS Excellency the Governor directs it to be notified, for general information, that the Colony of Tasmania is declared a place from which *Smallpox* may be brought; and that all vessels from thence, or having had communication directly or indirectly therewith, shall be subjected to Quarantine in accordance with No. 9 of the Regulations dated the 26th February, 1884.

By Command,
MALCOLM FRASER,
Colonial Secretary.

No. 3204.—C.S.O.

*Colonial Secretary's Office,
Perth, 23rd September, 1887.*

²⁸⁹³/₈₇

HIS Excellency the Governor has been pleased to direct the publication of the following Amended Regulations, under "The Private Bonded Warehouses Act, 1883," to be substituted for Regulations Nos. 9 and 10, gazetted (C.S.O. No. 1752) on the 21st February, 1884, and now cancelled.

By Command,
MALCOLM FRASER,
Colonial Secretary.

Amended Regulations made by His Excellency the Governor in Executive Council under the provisions of "The Private Bonded Warehouses Act, 1883," to be substituted for Regulations Nos. 9 and 10, which have been cancelled.

9. The owner or occupier of a Private Bonded Warehouse shall pay a Government Locker at the rate of 1s. 6d. an hour, or part of an hour, so long as he shall actually be engaged at such Bonded Warehouse.

10. Applications must be made at the Custom House at the Port not later than 10 a.m. on any day on which the services of a Locker be required at a Private Bonded Store.

Code Messages.

*Postal and Telegraph Department,
General Post Office,*

Perth, October 3rd, 1887.

THE Traffic Department of the Eastern Telegraph Company, Limited, advise as under:—

Some doubt having arisen with respect to the interpretation of the Berlin Service Regulations Nos. 6, 8, and 9, referring to Telegrams in Code, as embodied in this Company's Rules Nos. 6 and 7, the subject of charging for Code words exceeding ten letters has been referred to the British Post Office and the International Bureau.

Under the Convention Code, words containing more than ten letters cannot be accepted in Code telegrams, but in order to avoid the inconvenience which a prohibition would occasion, it has been decided that words exceeding ten letters in length shall be treated as letter cypher, and be charged for at the rate of three letters to a word.

This decision also applies to proper names exceeding ten letters in length, and which are not used in their natural sense.

Code telegrams may contain one or more passages in plain language, but such passage must be intelligible on the face of it, as, for instance, "Imperatrice arrived" (in Extra-European telegrams 3 words) or, "Pay Majoribanks hundred pounds" (in Extra-European telegrams 5 words.)

It must be understood from this, that an isolated word, although used in its natural sense, does not constitute a passage in plain language under the Convention. An isolated proper name in a Code telegram may, however, on the declaration of the Sender that it is used in its natural sense, be accepted and charged for according to the Rules applicable to plain language.

Attention is also drawn to the use, in telegrams, of the combination "alright" or "alright."

This is altogether illegal, and should not be passed at cypher rates. The public should, however, have the option of writing the words separately.

CHAS. F. GAHAN,

Postmaster General,

and General Superintendent of Telegraphs.
