No. 3299.—C.S.O.

*Colonial Secretary's Office,  
Perth, 29th December, 1887.*

<sup>4491</sup>  
**T**HE following Proclamation, dated 6th December, 1887, which has been issued by His Excellency the Governor of Tasmania, summoning the Federal Council of Australasia, is published by command of His Excellency the Governor, in conformity with Section 8 of "The Imperial Federal Council Act."

By Command,  
**MALCOLM FRASER,**  
Colonial Secretary.

' The Federal Council of Australasia Act,  
1885.'

*By His Excellency Sir Robert George Crookshank Hamilton, Knight Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief in and over the Colony of Tasmania and its Dependencies.*

A PROCLAMATION.

**W**HEREAS by the Act of the Imperial Parliament of the 48 & 49 Vict. Ch. 60, intituled "An Act to constitute a Federal Council of Australasia," it is enacted that the first Session of the Federal Council shall be held in Hobart, in the Colony of Tasmania, and that subsequent Sessions shall be held in such Colony as the Council shall from time to time determine; and, further, that the Council shall be summoned and prorogued by the Governor of the Colony in which the Session shall be held, and shall be so summoned and prorogued by Proclamation published in the *Government Gazette* of each of the Colonies in the said Act referred to in respect to which the said Act is in operation, and shall meet at such time and at such place as shall be named in the Proclamation: And whereas the First Session of the said Council was duly held at Hobart aforesaid during the months of January and February in the Forty-ninth year of the reign of Her Majesty Queen Victoria, and in the year of our Lord One thousand eight hundred and eighty-six; and it was, on the Fifth day of the said month of February, determined by the said Council that the next Session thereof should be held in Hobart, in the Colony of Tasmania: Now therefore I, SIR ROBERT GEORGE CROOKSHANK HAMILTON, Knight Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief as aforesaid, in pursuance of the said Act, and by virtue of the power thereby conferred upon me, do, by this my Proclamation, summon the Federal Council of Australasia as constituted by the

said Act to meet at the Parliament Buildings in Hobart, in Tasmania aforesaid, on Monday, the Sixteenth day of January, in the year of our Lord One thousand eight hundred and eighty-eight, at the hour of eleven in the forenoon, for the despatch of business.

Given under my hand at Hobart, in Tasmania aforesaid, this Sixth day of December, One thousand eight hundred and eighty-seven.

R. G. C. HAMILTON.

By His Excellency's Command,  
P. O. FRASER.

No. 3294.—C.S.O.

*Colonial Secretary's Office,  
Perth, 24th December, 1887.*

<sup>2970</sup>  
**H**IS Excellency the Governor directs the publication of the following Resolutions passed by the Medical Board, respecting the high rate of Infant Mortality prevailing in this Colony.

By Command,  
**MALCOLM FRASER,**  
Colonial Secretary.

Copy of Resolutions passed by the Medical Board as to the high rate of Infant Mortality, with suggestions as to remedial measures.

1.—That one of the causes of Infant Mortality arose from the attendance of drunken and incompetent midwives; and the Board suggests that in towns where qualified assistance can be obtained, the cause of every infantile death should be ascertained by means of a Coroner's Inquest.

2.—The next and chief cause of this excessive mortality arises from unsuitable and unwholesome food. The natural food of the infant being milk, failing that of the mother too much stress cannot be laid on the necessity of substituting some form nearly approaching it—to the exclusion of starchy foods; this is afforded by cow's milk, properly diluted, and, failing this, good condensed milk. This latter is sometimes to be preferred to cow's milk, which is apt to acquire disagreeable properties at certain times of the year.

3.—With reference to the nourishment of children, a leaflet with plain instructions to mothers, to be prepared by the Board, should be handed by the Registrar in every case of registration of birth.

4.—Another and gravely important factor is the frequent practice of administering narcotic patent drugs, and as a means of somewhat diminishing the facility of obtaining these pernicious compounds, the Board would suggest that

certain preparations as enumerated should bear a largely increased duty: these are:—

Steedman and Stedman's Soothing Powder  
Dalby's Carminative  
Winslow's Soothing Syrup  
Chlorodyne  
Cherry Pectoral, of various makers  
Pectoral Balsams, of various makers

and other preparations which may hereafter be proved, to the satisfaction of the Medical Board, to contain opium or other narcotic drugs.
