*Colonial Secretary's Office,
Perth, 2nd February, 1888.*

THE Honorable Sir Malcolm Fraser, K.C.M.G., Colonial Secretary, Governor's Deputy, directs the publication, for general information, of the following Additional Goldfields Regulations, made and approved by him in Executive Council, to come into force this day.

By Command,
MALCOLM FRASER,
Colonial Secretary.

WESTERN AUSTRALIA.

Regulations for the Management of Crown Lands not within a Proclaimed Goldfield, but known or presumed to be Auriferous (made under Acts 50 Vic., No. 18, and 51 Vic., No. 24.)

1. Unless and until a warden be appointed, the Commissioner of Crown Lands, or his agent duly authorised in that behalf, shall have all the powers of a warden of a goldfield, so far as necessary or applicable.

2. The Commissioner of Crown Lands or his agent as aforesaid may grant to any holder of a miner's right a "protection area" of not more than 400 yards by 400 yards. Provided that no miner shall hold a "protection area" within 25 miles of any "protection area" held by him.

3. Such "protection area" must be marked on the ground by cleared lines, and be of rectangular shape, and at each of the four corners thereof a post must be firmly fixed, standing three feet above ground, and four inches in diameter, set in an L trench, three feet long and six inches deep. Such marking shall be deemed a sufficient title for any time not exceeding in any case 30 days, when the distance from the office of the Commissioner of Crown Lands or his agent does not exceed 100 miles, or 50 days when such distance exceeds 100 miles. A notice shall also be posted on some conspicuous part of the area, with the names of the holder or holders, the number and dates of his or their miners' rights, and the date on which the area was taken up.

4. Before the lapse of 30 or 50 days (as the case may be) the miner shall register, at the office of the Commissioner or his agent, such "protection area," and make a statutory declaration that he has complied with the conditions of Regulation 3, and that to the best of his knowledge and belief there is or is not any other claimant for the same land. He shall also give the position and boundaries of the land as near as possible. A fee of £5 shall be paid on registration, and a further fee of £5 at the end of each year thereafter, while the said area shall be protected by such registration.

5. Every "protection area" must be worked continuously every ordinary working day after the lapse of the 30 or 50 days, referred to in Regulation 4, by at least two miners. A "protection area" not so worked, unless an exemption from working shall have been granted by the Commissioner of Crown Lands or his agent, as hereinafter mentioned, shall be liable to forfeiture, and any use of the land so protected, inconsistent with mining purposes, shall render such "protection area" liable to forfeiture.

6. Within 30 clear days after the finding of gold in apparently payable quantities within any "protection area," the holder shall report the said finding to the Commissioner of Crown Lands or his agent, under pain of forfeiture of such area. If it shall appear to the Commissioner or his agent that sufficient gold has been found to warrant his so doing, he may allot to the holder of a protection area a reward

claim in accordance with the provisions of the regulations of 1st October, 1886, and also such additional ordinary claims as he shall apply for, being within such protection area; and for registration of each of such claims the miner shall pay £1, and the "protection area" shall then cease and determine.

7. A miner may take up and work any Crown Land as a "claim," whether he is possessed of a "protection area" or not, and Regulations Nos. 49 to 57, of the 1st October, 1886, both inclusive, shall apply; provided, always, that in respect of all claims more than one, he shall pay a registration fee of £1.

8. The mode of marking and registration in respect of "claims" shall be the same as for "protection areas."

9. The Commissioner of Crown Lands or his agent shall, in his discretion, have power for such time as he may please, not exceeding three months altogether, to relax, dispense with, or modify the conditions as to labor or residence required by these Regulations, when in his opinion it would be unreasonable that such conditions should be enforced in their entirety.

10. The Regulations proclaimed on the 1st October, 1886, and any Regulations amending the same, shall be read and construed together with these Regulations so far as they are consistent and applicable.

IMPORTANT NOTICE.

To Lessees of Pastoral Crown Lands.

Crown Lands' Office,
Perth, 18th January, 1888.

ATTENTION is especially called to Clause 64 of the Land Regulations, which provides that any Pastoral Lessee holding a lease under previous Regulations can surrender such lease and obtain a new one under the present Regulations at any time on or before the 1st March, 1888; after that date they will not be allowed to do so.

2. The advantages of the present Land Regulations are:—

- a. Leases will not expire till 31st December, 1907 (vide Clause 65 of Regulations).
- b. A far better security of tenure is given, especially in the Kimberley, North-West, Gascoyne, Eastern, and Eucla Divisions (vide Clause 52 of Regulations).

3. In the event of Lessees holding on to their present leases issued under previous Regulations, their position will be—

- a. That on the expiration of any lease, if the land contained in such lease be open to lease, and a renewal granted, the new lease will be subject to the Regulations in force at that time, and not necessarily the present Regulations.
- b. There will be no certainty that the land will be open to lease, and new Regulations—made specially to refer to leases not brought under the present Regulations—may at any time be proclaimed.
