2. The Contractor to be responsible for all loss or damage during transit, and in loading or discharging goods from the trucks.

3. The Contractor to place and stow all goods as directed by the Customs Officer in charge of the sea and shore end of the Jetty.

4. All the trucking to be charged per ton and be computed in accordance with the scale published in the *Government Gazette* of the 8th November, 1881.

5. When the trucking is ordered by the principal Officer of Customs after the usual hours, during holidays, and on Sundays, the work must be performed by the Contractor.

10. For goods trucked after hours, on holidays (on permission being obtained for so doing from the principal Officer of Customs or Officers in charge of jetties), the Contractor will not be allowed to charge more than 2s. 6d. per ton, but he will be permitted to make special arrangements with parties requiring his services.

14. The principal Officer of Customs' decision in all such matters to be final, so far as they do not interfere with the laws existing in the colony.

15. That any tender accepted for the service during 1888 will not commence until these conditions are signed by the tenderer and his sureties.

The Government do not bind themselves to accept the highest or any tender, and will require the guarantee of two responsible persons for the due performance of the Contract.
