NOTICE is hereby given that the following Bye-laws for the Municipality of Albany, under the Public Health Act, 50 Vic., No. 19, have been confirmed by the Central Board of Health, and will come into operation from the date of publication hereof in the *Government Gazette*.

Dated this Twenty-sixth day of April, 1888.

GEO. H. BAILEY,
Chairman,
Albany Local Board of Health.

ALBANY LOCAL BOARD OF HEALTH.

UNDER the provisions contained in section 24 of the Public Health Act (50 Vic., No. 19), the Local Board of Health for the Municipality of Albany, by the powers therein conferred, doth hereby make the following Bye-laws for the abatement and prevention of nuisances, and for securing the healthfulness of the Municipality of Albany.

GENERAL BYE-LAWS.

Section 1.—On and after the first day of June, One thousand eight hundred and eighty-eight, no cesspool for the reception of night soil below the ground shall be constructed or used within the limits of the Albany Municipality.

Section 2.—The Local Board of Health, or the Chairman, may from time to time appoint any place or places within the Municipality of Albany, or elsewhere, for the reception of night soil, manure, offal, or other offensive refuse, and may at any time cancel or vary such appointment, and the Inspector of the said Board may at all times have free ingress and egress upon the said places, and such place or places shall be registered in a book kept for that purpose by the said Board; and it shall be lawful for the said Board to receive compensation from the owner of such place or places for such deposit, and the money so received shall be applied by the said Board in carrying out the above-mentioned Act.

Section 3.—No person shall deposit, place, or put any night soil, manure, offal, or other offensive refuse or matter whatsoever from any house, stable, cow-house, lane, yard, or other premises in the Municipality of Albany, in any place within the said Municipality other than the place or places (dustbins or approved receptacles on such premises excepted) appointed by the Local Board of Health for such purpose.

Section 4.—No person shall exercise or practise the business of a night man or drive any night cart within the limits of the Municipality of Albany, until and unless he shall have obtained a license to do so from the Inspector of the Local Board of Health.

Section 5.—Every person desirous of carrying on the business of a nightman, whether as master or laborer, shall make an application for license so to do, at the Inspector's office, which application shall be in writing, and shall be signed by two or more respectable householders, certifying the fitness of the applicant to hold such license; and such license he shall, upon presentation of such certificate, and registry being made of his true personal and family name and place of abode, be entitled to receive; provided that it shall be lawful for the Inspector to refuse to issue such license to any person who shall have been convicted of any offence against the provisions herein contained.

Section 6.—Nightmen's licenses shall be in the form contained in the Schedule hereto annexed marked A, or to the like effect, and shall be number-

ed in such manner as shall be approved by the said Local Board.

Section 7.—Nightmen's licenses shall be of two kinds, namely:—Masters' Licenses and Laborers' Licenses; and every license, of whatever description, and at whatever period of the year the same may be granted, shall remain in force only until the thirty-first day of December next ensuing: provided that, apart from or in addition to any penalty which may be inflicted under the provisions hereof, it shall be lawful for the said Local Board, upon being satisfied of the misconduct of any licensed nightman, whilst engaged in the business for which he shall be so licensed, to cancel any such license, or to suspend the operation thereof for any such time as the said Local Board may think proper; and if any such nightman shall, after such cancellation, or during the period of such suspension of his license, practise such business as if under the authority of such license, he shall be subject to and liable, upon conviction thereof before any one or more Justices of the Peace for the said Municipality, to a penalty not exceeding Ten pounds.

Section 8.—Every licensed master nightman shall, within twenty-four hours of demand made for that purpose, properly clean any cesspit, or earth closet, or bucket kept for the reception of night soil, dustbin, or other offensive matter, and shall be entitled to receive and charge therefor, from the occupier of the premises, or person living therein, the sum set out in the schedule to these Bye-laws, which sum shall be recoverable in a summary manner before one or more Justices of the Peace for the district. If any licensed master nightman shall without good, just, or lawful excuse, neglect, decline, or refuse to properly cleanse any such cesspit, earth closet, bucket, dustbin, or other offensive matter as aforesaid, he shall be guilty of a breach of these Bye-laws, and may be proceeded against for every such offence before any Justice or Justices of the Peace for the district.

Section 9.—Whenever any licensed nightman shall change his place of abode he shall, within two days next after such change of abode, give notice thereof in writing to the Inspector, specifying his new place of abode, and shall at the same time produce his license to the Inspector, who shall endorse thereon and sign a memorandum specifying the particulars of such change.

Section 10.—If any person, for the purpose of securing a nightman's license, shall use or employ, or cause to be inserted in such license, any false or fictitious name or description of his place of abode, he shall be subject to the penalty described herein for offences against the provisions hereof, and any license so obtained having such falsehood therein shall be cancelled.

Section 11.—Every licensed nightman, whenever or so long as he shall be engaged in removing any night soil or other offensive matter or thing, or in driving any night cart, or otherwise in conducting the said business, shall carry with and about him his license, and shall produce and show the same whenever required by any person to do so; and such license he shall, on no pretence whatever, lend or part with to any other person.

Section 12.—Every licensed nightman, before using any cart or other carriage as a night cart, shall register the same in such manner as the said Local Board may direct, in the office of the Inspector, and shall receive a memorandum of the number assigned to such cart: Provided that no such registration of any night cart shall be made unless and until such cart shall have been inspected by the Inspector or other officer appointed for that purpose by the Local Board of Health, and certified by him to be fit and suitable for the purpose of a night cart.

Section 13.—Every licensed nightman shall, whilst using any cart or other carriage as a night cart, have painted and kept at all times conspicuous, on the right side thereof, white upon a black ground, his name, together with the words "Licensed Nightman" in letters not less than two inches in length and of proportionate breadth, and the number assigned to such night cart in figures not less than four inches in length and of proportionate breadth.

Section 14.—Every night cart shall be kept by the owner thereof watertight and free from leakage, and shall be provided with covering so as effectually to prevent the splashing or spilling of anything carried therein.

Section 15.—No privy or cesspool shall be emptied, nor any night soil carted away, nor any offensive liquor or matter of any kind whatsoever pumped out of or removed from any house, cellar, or premises within the said Municipality between the hour of five, *ante meridiem*, and the hour of eleven, *post meridiem*, of any day.

Section 16.—For every offence against any of the provisions of these Bye-laws to which no fixed penalty is attached herein, the offender shall, upon conviction before any one or more Justices of the Peace, forfeit and pay a penalty not exceeding Ten pounds.

Section 17.—For the purpose of this Bye-law the word "nightman" shall be understood to mean any person who, for remuneration, shall remove, or assist to remove, any night soil, or other foul or offensive matter or thing whatever; and the words "night cart" shall mean any cart or other carriage of any description whatsoever, used by any nightman for the conveyance of any night soil, ammoniacal liquor, or other offensive liquid or substance.

Section 19.—Every bucket or pan kept for the reception of nightsoil shall be first approved by the Inspector, and shall be free from leaks and holes, and shall have affixed thereto a handle working on a pivot at each side.

Section 20.—Each house shall be provided with a dustbin of a size to be approved by the Inspector, and shall be kept clean and free from offensive smell, and shall be cleaned at least once every month, or so often as the Inspector may direct.

Section 21.—Any licensed master nightman or licensed laborer or other person who shall ask or demand or receive from any person or persons, for work done by him, a sum greater than that fixed by the Schedule to these Bye-laws shall be guilty of an offence against these Bye-laws.

Section 22.—Every closet shall be built in such a position that the same may be emptied without the contents being carried through any dwelling house; and every person having or building a closet contrary to this Bye-law shall be liable to a penalty of not less than One pound nor more than Five pounds.

Section 23.—No closet shall be erected except in such position as shall be approved by the Inspector of Nuisances, or other officer appointed by the Local Board of Health; and any person being guilty of a breach of this Bye-law shall be liable to a penalty of not less than One pound nor more than Five pounds.
