HIS Excellency the Governor directs the publication of the following Circular Despatch received from the Right Honorable the Secretary of State for the Colonies, with its enclosure, for general information.

By Command,
OCT. BURT,
for Colonial Secretary.

CIRCULAR.

Sir,

Downing Street,
8th March, 1888.

I have the honour to transmit to you, for such action, if any, as you may consider it desirable to take, a copy of a Despatch addressed by Consul Michell to the Marquis of Salisbury, dated St. Petersburg, the 21st of February, pointing out that great quantities of Meadow Foxtail Grass are grown in Finland, mainly with the object of raising seed from the plant, and that this seed might probably be purchased on more advantageous terms from direct sources than through German intermediaries.

I have, &c.,
KNUTSFORD.

The Officer Administering
the Government of Western Australia.

Mr. Consul Michell to the Marquis of Salisbury.

No. 1.

COMMERCIAL.

My Lord,

St. Petersburg,
February 21, 1888.

I am informed by Mr. Ferdinand Frenckell, British Vice-Consul at Abo, that great quantities of the *Alopecurus pratensis*, or Meadow Foxtail Grass, are grown in Finland, mainly with the object of raising seed from this plant.

It would also appear that the seed is almost entirely sold to Germany and thence shipped to Australia, where it is said to be in great demand for sowing large areas of meadow and other land on which sheep are pastured.

In all probability, Australians, as also British exporters of seed, are not aware that Meadow Foxtail Seed is largely produced in the Grand Duchy, and that they could purchase it from direct sources at, of course, lower prices than those they pay to the German intermediary.

It is desirable, therefore, in my opinion, that publicity should be given to the circumstance in the Board of Trade Journal, or in any other manner that may be deemed expedient, in order that our exporters of grass seeds, and Australian landowners, should be able to reap the benefit now apparently enjoyed by German seed merchants in this particular branch of trade.

I have, &c.,
(Sd.) JOHN MICHELL.

The Rt. Hon.
The Marquis of Salisbury, K.G.,
&c., &c., &c.

OWNERS of Sheep are reminded that under the provisions of section 37 of the Scab Act (49 Vict. 21), every owner of sheep is required, on the last Saturday in the month of December in each year, to make a return in writing, which he must sign, of all sheep kept and depastured by him in any district of the Colony, and such return must be forwarded, within fourteen days after the same shall have been made, to the Resident Magistrate of the district in which the sheep were on the last Saturday of December. The fact of a district being clean or exempt from contribution does not do away with the necessity of making these returns, and the neglecting so to do renders owners liable to a penalty not exceeding One hundred pounds.
