*Colonial Secretary's Office,
Perth, 13th June, 1888.*

WITH reference to Government Notice, No. 3454, of the 17th ultimo, His Excellency the Governor directs the publication, for general information, of the following Order of Her Majesty the Queen in Council, dated the 3rd ultimo.

By Command,
OCT. BURT,
Asst. Colonial Secretary,
for the Colonial Secretary.

AT THE COURT OF WINDSOR,

The 3rd day of May, 1888,

Present,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS there was this day read at the Board a Report of a Committee of the Lords of Her Majesty's Most Honorable Privy Council, dated the 18th day of April, 1888, in the words following, viz.:—

“Your Majesty having been pleased by Your Order in Council of the 17th day of March, 1888, to refer unto this Committee the correspondence transmitted by Secretary Lord Knutsford, respecting the suspension, by the Governor of the Colony of Western Australia, of Mr. Alexander Campbell Onslow, the Chief Justice of that Colony, from the exercise of the powers and functions of his office: THE LORDS OF THE COMMITTEE, in obedience to Your Majesty's said Order of Reference, having taken into consideration the said correspondence, their Lordships agree humbly to report to Your Majesty, as their opinion, that whereas three charges were formulated against the Chief Justice by the Governor after consultation with his Executive Council, the first afforded no sufficient ground for a formal charge, though the Chief Justice acted indiscreetly in deferring the restoration of certain official papers called for by the Governor: that the conduct imputed to the Chief Justice in the second charge arose apparently from irritation produced by the first, and although the letter of the Chief Justice was characterised by much impropriety of language to the Governor, yet inasmuch as it was not then published, it did not in itself afford adequate groundwork for a charge which was intended to lead to suspension from office: that the third charge was of a more serious character, as the letter last referred to as well as a letter addressed by the Chief Justice to the Secretary of State, but not yet in his hands, couched in language of great animosity to the Governor, were given by the Chief Justice for publication in the Colonial newspapers, together with confidential information which the Chief Justice had no right so to communicate:

that on this charge their Lordships have had some hesitation in not recommending the confirmation of the suspension of the Chief Justice, but looking to the fact that no misconduct of a moral character or connected with judicial duties has been imputed to him, their Lordships humbly recommend to Your Majesty that the suspension should be removed: their Lordships, however, cannot but remark that the relations which have existed between the Governor and the Chief Justice must have been prejudicial to the Colony, and, if continued, must lead to deplorable results."

HER MAJESTY, having taken into consideration the said Report, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, as it is hereby ordered, that the suspension of Mr. Alexander Campbell Onslow from the exercise of the powers and functions of the office of Chief Justice of Her Majesty's Colony of Western Australia be removed. And the Right Honorable Lord Knutsford, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions in the matter.
