Governor.

By His Excellency SIR FREDERICK NAPIER BROOME, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the Territory of Western Australia and its Dependencies, &c., &c., &c.

**W**HEREAS it is provided by "The Sandalwood Act, 1881," that it shall be lawful for the Governor in Council, from time to time, to proclaim and define the Waste Lands of the Crown within which no live or growing Sandalwood tree shall be cut or grubbed up, during the period to be named by the Governor in such Proclamation: Now **THEREFORE** I, the said Governor, with the advice of the Executive Council, do hereby proclaim and define the Waste Lands of the Crown contained and being within the following area, to be an area within which no live or growing Sandalwood tree shall be cut or grubbed up, during the period of three years from the date hereof:—

*Victoria District.*—Bounded on the *South* by a line fifty miles in length, extending East from the sea coast, from a spot fifty miles South of Dongara; on the *Eastward* by lines extending Northward from the East end of the South boundary to a spot fifty miles East from Dongara; from thence in a North-westerly direction through a spot situate fifty miles East from Geraldton to Pelican Pool in the Murchison River; from thence by the said river downwards to the sea coast, and by the sea coast in a Southerly direction to the starting point.

Given under my hand and issued under the Public Seal of the said Colony, this 22nd day of June, 1888.

By His Excellency's Command,

OCT. BURT,

Assistant Colonial Secretary,

for the Colonial Secretary.

GOD SAVE THE QUEEN!!!

No. 3498.—C.S.O.

$\frac{122}{89}$

Colonial Secretary's Office,

Perth, 30th June, 1888.

**H**IS Excellency the Governor directs the publication of the following correspondence relative to the Assay of samples of Ores in the colonies of Victoria and South Australia.

By Command,

OCT. BURT,

for Colonial Secretary.

No.  $\frac{73}{454}$ .

Colonial Secretary's Office,

Perth, 14th May, 1888.

SIR,—I am directed to inquire whether assays of samples of ores, with the view of determining the question of the presence of precious metals, particularly gold and silver, in such samples, are undertaken by Government in your Colony; and, if so, whether discoverers and prospectors in this Colony could, by forwarding their samples of ores to your laboratory, be kindly permitted to share in the advantages of the organisation which exists, and at what charges.

If your Government does not undertake assays, perhaps you would be good enough to favor me with information as to the best means of procuring the assays in your Colony, and as to the most economical rate at which they could be properly done.

I have, &c.,

OCT. BURT,

Assistant Colonial Secretary,

for the Colonial Secretary.

The Honorable the Premiers  
of Victoria and South Australia.

No. 2335<sup>ss</sup>

Premier's Office, Melbourne,

8th June, 1888.

SIR,—With reference to your letter of the 14th ultimo respecting assays of samples of ores, I have the honor to forward herewith a copy of a memor-

andum on the subject by the Secretary for Mines and Water Supply, which will furnish you with the information you desire.

I have, &c.,

D. GILLIES,  
Premier.

The Honorable  
The Colonial Secretary,  
Perth, Western Australia.

*Memorandum referred to in the accompanying letter.*

This Department causes assays to be made—free of cost to the discoverers—of any supposed valuable minerals found within Victoria, but does not undertake to do so in the case of a discovery made outside the Colony.

The assays for the Department are made at the Technological Museum, Public Library, Melbourne, where Mr. W. Adams, now acting on behalf of Mr. J. Cosmo Newbery, superintends assays for the Department.

The usual fee for an assay of metalliferous ore is £2 2s. when not sent officially from this office, and Mr. Adams attends promptly to all orders received from other Colonies. He would therefore be the best person to communicate with.

(Sd.) C. W. LANGTREE,  
Secretary for Mines and Water Supply.

HIS Excellency the Governor directs the publication of the following Notice to Mariners.

By Command,

OCT. BURT,  
for Colonial Secretary.

#### NOTICE TO MARINERS.

#### CAMBRIDGE GULF, NORTH-WEST AUSTRALIA.

THE attention of ship-masters proceeding to Cambridge Gulf is drawn to the bank previously reported lying to the Northward of Adolphus Island and directly in the track given by Captain Coghlan's leading marks for entering Cambridge Gulf. The following bearings of the Shoal are given by Captain Gray of the s.s. "Australind," from the position of that vessel when aground on the Southern portion of the Shoal, having 9 feet low water (moon first quarter):—

Islet Point N. 41° W.

Barnett Point N. 59° E.

Cape Dussejour open of Vancouver Point N. 16° E.

Bearings true.

The leading marks "Flat Top Hill in line with fall of high land of Adolphus Island," would take a vessel directly on to it. It is therefore necessary to keep to the Westward of this mark.

From the above position the Shoal extends in a North-easterly direction about  $1\frac{3}{4}$  miles having a patch, which dried two feet, at the North-east end.

THE following letter and its enclosure, which have been received by His Excellency the Governor, are published for general information.

Persons desiring to subscribe to the fund mentioned are requested to forward their donations to Lieut.-Colonel Phillimore, R.A.

By Command,

OCT. BURT,  
for Colonial Secretary.

London, April 28, 1888.

SIR,—The Committee of the Waterloo Memorial Fund have desired me to forward to Your Excellency the enclosed, and in the event of your approving of the step they are taking, would ask you to place the matter in the hands of the persons Your Excellency may think most suitable for carrying out the object they have in view—which is to give every one connected with England and interested in the Campaign of Waterloo an opportunity of joining in the memorial—and as the remaining sum required is small, they think that small individual subscriptions will be sufficient to attain their end.

I remain, &c.,

Colonel,

Sir F. Napier Broome, K.C.M.G.

## WATERLOO MEMORIAL FUND.

Major-General Godfrey Clerk, C.B.

## HON. SEC.

Colonel R. S. Liddell.

At a meeting held at Apsley House, on February 21st, 1888, it was announced that the above Committee had been formed, on the invitation of His Excellency the Lord Vivian, Her Majesty's Minister at Brussels, for the purpose of raising funds for the erection and preservation of a monument in memory of the British officers, non-commissioned officers, and men who lost their lives in the Waterloo campaign.

No memorial at present exists, and the opportunity is now taken of the old cemeteries at Brussels being removed, and the remains of our soldiers buried there, and in the farms round Mont St. Jean, being placed in the new cemetery at Evère outside the town, to appeal to the country for funds to erect a monument, worthy of those who fought for England in the battles of 1815.

It was also proposed that the object of the meeting should be communicated to the whole of Great Britain and her Colonies, in order that the subscription should assume a thoroughly National form. Lord Vivian estimates that £3,500 will be required to carry out the object in a desirable manner. Over £2,000 has already been collected.

Messrs. Drummond, Bankers, Charing Cross, Messrs. Cox and Co., Craig's Court, and Messrs. Martin and Co., 68, Lombard Street, have kindly consented to receive subscriptions.

“In order to accelerate the transmission of their telegrams, some of the Australian newspapers are paying for them at full rates, but notwithstanding this it has happened in one or two cases that such messages have been delayed in transit even longer than messages which have been charged at the reduced tariff.

“Telegrams paid for at the reduced rate always bear the indication ‘Press’ in the preamble.

“Telegrams addressed to newspapers without the indication of ‘Press’ in the preamble are to be treated as ordinary telegrams and sent on in due turn.

**Section 5.**—Nightmen's licenses shall be of two kinds, namely:—Masters' Licenses and Laborers' Licenses; and any person applying for a license before the 1st July shall be liable to pay a yearly license, but one taken out after that date shall only be considered and charged as a license for the half-year, but every license shall terminate on the 31st day of December: provided that, apart from or in addition to any penalty which may be inflicted under the provisions hereof, it shall be lawful for the said Local Board, upon being satisfied of the misconduct of any licensed nightman, whilst engaged in the business for which he shall be so licensed, to cancel such license, or to suspend the operation thereof for any such time as the said Local Board may think proper; and if any such nightman shall, after such cancellation, or during the period of such suspension of his license, practise such business as if under the authority of such license, he shall be subject to and liable, upon conviction thereof before any one or more Justices of the Peace, to a penalty not exceeding Ten pounds.

**Section 6.**—Any owner of property who is desirous of moving nightsoil, etc., from his own premises or the premises of his tenants, and shall conform with these Bye-laws, shall be permitted to so cleanse his premises, and shall not be liable to the 7th Section of these Bye-laws, and his license for private use shall be endorsed.

**Section 7.**—Every licensed master nightman shall, within twenty-four hours of demand made for that purpose, properly clean any cesspit, or earth closet, or buckets kept for the reception of night soil, dustbin, or other offensive matter, and shall be entitled to receive and charge therefor, from the occupier or owner of the premises, or person living therein, the sum set out in the schedule to these Bye-laws, which sum shall be recoverable in a summary manner before one or more Justices of the Peace. If any licensed master nightman, except holders of private licenses, shall, without good, just, or lawful excuse, neglect, decline, or refuse to properly cleanse any such cesspit, earth closet, bucket, dustbin, or other offensive matter as aforesaid, he shall be guilty of a breach of these Bye-laws, under this Act, and may be proceeded against for every such offence before any Justice or Justices of the Peace.

**Section 8.**—Whenever any licensed nightman shall change his place of abode he shall, within two days next after such change of abode, give notice thereof in writing to the Inspector, specifying his place of abode, and shall at the same time produce his license to the Inspector, who shall endorse thereon his change of residence.

**Section 9.**—If any person, for the purpose of securing a nightman's license, shall use or employ, or cause to be inserted in such license, any false or fictitious name or description of his place of abode, he shall be subject to the penalty described herein for offences against the provisions hereof, and any license so obtained having such falsehood therein shall be cancelled.

**Section 10.**—Every licensed nightman, whenever or so long as he shall be engaged in removing any night soil or other offensive matter or thing, or in driving any night cart, or otherwise in conducting the said business, shall carry with or about him his license, and shall produce and show the same whenever required by any ratepayer to do so; and such license he shall, on no pretence whatever, lend or part with to any person.

Section 11.—Every licensed nightman, before using any cart or other carriage as a night cart, shall register the same in such manner as the said Local Board may direct, in the office of the Inspector, and shall receive a memorandum of the number assigned to such cart: Provided that no such registration of any night cart shall be made unless and until such cart has been inspected by the Inspector or other officer appointed for that purpose by the Local Board of Health, and certified by him to be fit and suitable for the purpose of a night cart.

Section 13.—For every such offence against any of the provisions of these Bye-laws to which no fixed penalty is herein attached, the offender shall, upon conviction before any one or more Justices of the Peace, forfeit and pay a penalty not exceeding Ten pounds.

Section 14.—For the purpose of this Bye-law the word "nightman" shall be understood to mean any person who is licensed to remove, or assist to remove, any night soil, or other foul or offensive matter or thing whatever; and the words "night cart" shall mean any cart or other carriage of any description whatsoever, used by any nightman for the conveyance of any night soil, ammoniacal liquor, or other offensive liquid or substance.

Section 15.—The occupier or occupiers of premises whereon earth closets or buckets are kept for the reception of night soil shall keep the same clean and free from offensive smell, and shall cause them to be cleansed at least once every three days, and any person neglecting or refusing to do so shall be guilty of an offence against these Bye-laws.

Section 18.—Every bucket or pan kept for the reception of nightsoil shall be first approved by the Inspector, and shall be free from leaks and holes, and shall have affixed thereto a handle working on a pivot at each side.

Section 19.—Whenever in these Bye-laws any act, deed, matter or thing is directed to be done, or any act, deed, matter or thing is prohibited from being done, any person who shall not comply with, do, comply, or cause to be done or performed, or refrain from doing or prevent being done any act, deed, matter or thing, shall be deemed guilty of an offence under these Bye-laws; it shall be necessary alone to prove that such person is the occupier or owner.
