Perth, 30th June, 1888.*

HIS Excellency the Governor directs the publication of the following correspondence relative to the Assay of samples of Ores in the colonies of Victoria and South Australia.

By Command,
OCT. BURT,
for Colonial Secretary.

No. ⁷³₄₅₄.

Colonial Secretary's Office,
Perth, 14th May, 1888.

SIR,—I am directed to inquire whether assays of samples of ores, with the view of determining the question of the presence of precious metals, particularly gold and silver, in such samples, are undertaken by Government in your Colony; and, if so, whether discoverers and prospectors in this Colony could, by forwarding their samples of ores to your laboratory, be kindly permitted to share in the advantages of the organisation which exists, and at what charges.

If your Government does not undertake assays, perhaps you would be good enough to favor me with information as to the best means of procuring the

assays in your Colony, and as to the most economical rate at which they could be properly done.

I have, &c.,
OCT. BURT,
Assistant Colonial Secretary,
for the Colonial Secretary.

The Honorable the Premiers
of Victoria and South Australia.

No. 2335^{ss}

Premier's Office, Melbourne,
8th June, 1888.

SIR,—With reference to your letter of the 14th ultimo respecting assays of samples of ores, I have the honor to forward herewith a copy of a memorandum on the subject by the Secretary for Mines and Water Supply, which will furnish you with the information you desire.

I have, &c.,
D. GILLIES,
Premier.
The Honorable
The Colonial Secretary,
Perth, Western Australia.

Memorandum referred to in the accompanying letter.

This Department causes assays to be made—free of cost to the discoverers—of any supposed valuable minerals found within Victoria, but does not undertake to do so in the case of a discovery made outside the Colony.

The assays for the Department are made at the Technological Museum, Public Library, Melbourne, where Mr. W. Adams, now acting on behalf of Mr. J. Cosmo Newbery, superintends assays for the Department.

The usual fee for an assay of metalliferous ore is £2 2s. when not sent officially from this office, and Mr. Adams attends promptly to all orders received from other Colonies. He would therefore be the best person to communicate with.

(Sd.) C. W. LANGTREE,
Secretary for Mines and Water Supply.

For gold and silver together... one guinea.

For other metals ... one guinea each.

Samples should be addressed to the Government Assayer, Surveyor General's Office, Adelaide.

I have, &c.,
J. G. RAMSAY.

HIS Excellency the Governor directs the publication of the following Notice to Mariners.

By Command,
 OCT. BURT,
for Colonial Secretary.

NOTICE TO MARINERS.

CAMBRIDGE GULF, NORTH-WEST AUSTRALIA.

THE attention of ship-masters proceeding to Cambridge Gulf is drawn to the bank previously reported lying to the Northward of Adolphus Island and directly in the track given by Captain Coghlan's leading marks for entering Cambridge Gulf. The following bearings of the Shoal are given by Captain Gray of the s.s. "Australind," from the position of that vessel when aground on the Southern portion of the Shoal, having 9 feet low water (moon first quarter) :—

Islet Point N. 41° W.

Barnett Point N. 59° E.

Cape Dussejour open of Vancouver Point N. 16° E.
 Bearings true.

The leading marks "Flat Top Hill in line with fall of high land of Adolphus Island," would take a vessel directly on to it. It is therefore necessary to keep to the Westward of this mark.

From the above position the Shoal extends in a North-easterly direction about 1½ miles having a patch, which dried two feet, at the North-east end.

*Colonial Secretary's Office,
 Perth, 7th July, 1888.*

HIS Excellency the Governor, in Executive Council, has been pleased to approve of the following By-Laws passed by the Geraldton Municipal Council.

By Command,
 OCT. BURT,
for Colonial Secretary.

By-Laws of the Geraldton Municipal Council.

WHEREAS by "The Municipal Institutions Act, 1876," Section 49, it is enacted that "it shall be lawful for the Council to make, publish, alter, modify, amend, or repeal such By-laws and Regulations as to them shall seem meet for regulating their own proceedings," and for certain other purposes in the said section particularly named; and by the said Act it is further enacted that "such By-laws should not be inconsistent with or repugnant to any of the provisions of that Act or to any Law in force, and when confirmed by the Governor with the advice of the Executive Council, and published in the *Government Gazette*, but not sooner or otherwise, should have the force of Law." Now, therefore, pursuant to the powers contained in the said Act, it is ordered and directed by the Council of the Municipality of Geraldton that the following By-laws shall, from and after confirmation and publication as aforesaid, be By-laws of the Geraldton Municipal Council, and all previously existing By-laws be null and void.

BY-LAW NO. 1.—INTERPRETATION.

In these By-laws, unless the context otherwise requires :—

1. The word "council" shall mean the Mayor and Councillors of Geraldton.
2. The word "municipality" shall mean the town of Geraldton.
3. The word "Mayor" shall mean the Mayor of the municipality.
4. The words "public street" shall mean and include every public street, road, footway, square, thoroughfare, or other place within the municipality.
5. The word "person" shall include a body corporate.
6. The word "owner" shall apply to every person in possession or receipt either of the whole or of any part of the rents or profits of any house, building, land, or tenement.

BY-LAW NO. 2.—STANDING ORDERS.

Order of Proceedings.

1. The Council shall meet at the Town Hall on the first Monday in every month, at the hour of eight p.m., for the transaction of their ordinary business, and the business of the Council shall be conducted with open doors.
2. The Council shall commence business so soon after the above-mentioned hour as there is a sufficient number of members in attendance to constitute a quorum; but if, at the expiration of thirty minutes from the above-mentioned hour, there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. Should the Mayor not be present, the meeting shall elect a Chairman from the Councillors present, who shall preside during the absence of the Mayor.
4. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever

there shall be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence), such circumstance, together with the names of the members present, shall be recorded in the Minute Book.

5. At all meetings of the Council the minutes of any preceding meeting not previously confirmed shall be read as the first business in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

6. Immediately after the confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall issue thereon at that time.

7. The ordinary business shall then be proceeded with.

Orders of Debate.

8. Any member proposing a motion or an amendment shall, if the Mayor so desire it, put it in writing and sign and deliver it to the Mayor or other presiding Chairman for the time being, after it has been duly seconded, and the Mayor or other presiding Chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

9. No member shall speak twice upon the same question, except by way of explanation or in reply, upon any original motion of which he may have been the mover or as the mover of the amendment last carried. Nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply. The amendment or the original motion, as the case may be, shall be immediately put to the vote.

10. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply or in explanation where he has been misrepresented or misunderstood.

11. Any member moving a motion or amendment shall be held to have spoken on that question.

12. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any other member.

13. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

14. One amendment only shall be discussed at one time, but if lost another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment thereon, but no more.

15. Upon the adoption of any amendment such amendment shall be held to have quashed the original motion; and for all purposes of subsequent discussion the amendment so carried shall be acted on as an original motion.

16. No motion the effect of which if carried would be to rescind any motion which has already passed the Council shall be entertained during the same municipal year, unless a call of the whole of the Council has been duly made for the purpose, and no motion for rescinding any resolution of the Council which shall have been negatived by the Council

shall again be entertained during the same municipal year unless by consent of at least four members of the Council.

17. In case of an equality of votes the Mayor or other presiding Chairman shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

18. No By-law shall be finally passed or rescinded at the meeting at which it shall have been first proposed, nor until the next or some subsequent meeting of the Council duly convened.

BY-LAW No. 3.—SUSPENSION OF STANDING ORDERS.

In cases of urgent necessity any standing order or orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least four members of the Council.

BY-LAW No. 4.—ELECTION OF OFFICERS.

1. When any office is at the disposal of the Council, at least sixteen clear days notice shall be given by advertisement in one or more of the local newspapers of the intention of the Council to fill such vacancy, and the same notice shall invite applications for the office to be sent in to the next meeting of the Council.

2. The salary or allowance attached to all offices at the disposal of the Council shall be fixed for the municipal year, and in all cases before proceeding to the election.

3. At the next meeting of the Council after the notice as before mentioned has been given, all letters of application for the office shall be opened and the names read aloud, and the appointment may then be made.

4. All elections for offices at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the two candidates polling the largest number of votes be again put to the ballot until one of such candidates shall have polled the majority of the votes of the members present, every member present being required to record his vote.

5. No member of the Council, nor any auditor of the municipality, nor any officer thereof, shall be received as surety for any officer appointed by the Council or for any work to be done for the Council, and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.

BY-LAW No. 5.—MUNICIPAL RATES.

All municipal rates shall be payable half-yearly, and the Collector for the time being duly appointed by the Council shall, at the commencement of each half-year, leave with the person liable to pay the same, or at his residence, a notice of the amount due by such person and requiring payment thereof within fourteen days, and shall afterwards apply personally for payment of the same, and if the amount be not paid at the expiration of fourteen days after such application, shall take legal proceedings for its recovery.
