**H**IS Excellency the Governor directs the publication of the following Notice, for general information.

By Command,  
MALCOLM FRASER,  
Colonial Secretary.

#### PEARL SHELL FISHERY.

*Instructions for the guidance of the Inspector of Pearl Shell Fisheries, and all other Officers concerned.*

*a.* The executive operations of the Inspector of Pearl Shell Fisheries and of the Revenue Schooner are to be strictly limited to Colonial waters, that is, to waters within three miles of the coast of the Colony, or of the coast of any island being a dependency of the Colony. In the case of bays, gulfs, and estuaries, Colonial waters are bounded by a line drawn between headlands in sight of each other. Sharks Bay, Exmouth Gulf, King Sound, and Cambridge Gulf, are, however, to be treated as entirely Colonial waters.

*b.* There is nothing to prevent the Inspector of Pearl Shell Fisheries from visiting and boarding pearling vessels outside Colonial waters, provided this be done with the consent of the master of the pearling vessel; but, if any magisterial or other executive action be required, it can only be taken inside Colonial waters, and the vessel must enter Colonial waters before the Inspector can act.

*c.* Vessels fishing wholly beyond Colonial waters are not to be charged with export duty on pearl shells raised beyond such waters. Such pearl shells are to be allowed, when required, to pass through the Western Australian Customs, for export, in bond without payment of duty.

*d.* Vessels fishing wholly beyond Colonial waters are not to be charged duty on unlanded stores, &c., brought by them from beyond the Colony. Such stores may pass the Western Australian Customs in bond, when required for sea consumption, without payment of duty.

*e.* The Pearl Shell Fishery Acts and Regulations are to continue to be fully applied, as at present, to all pearling vessels fishing wholly or partly within Colonial waters, but not to vessels which, while fishing wholly beyond such waters, enter the ports of the Colony or otherwise come within Colonial waters, for shelter, supplies, or for any purpose other than fishing.

*f.* The Pearl Shell Fishery Acts and Regulations are to be applied to any vessel in respect of which a license has been issued and is current under "The Pearl Shell Fishery Act, 1886," provided that executive action in respect of any such vessel shall not be taken outside Colonial waters. Masters of vessels holding a license, but desiring to cease fishing within Colonial waters, may return the license to any issuing officer.

*g.* No aboriginal native of this Colony is to be permitted to be engaged for service under the Pearl Shell Fishery Regulation Acts of 1873 and 1875, on board any pearling vessel not licensed as such under "The Pearl Shell Fishery Act, 1886."

*h.* Unlicensed vessels should be warned that the full penalties provided by law will be enforced against them, if at any time they raise pearl shells within Colonial waters.

By Command,  
MALCOLM FRASER,  
Colonial Secretary.

**H**IS Excellency the Governor directs the publication, for general information, of the following Goldfield Regulation, made and approved by the Governor in Executive Council, to come into force this day.

By Command,  
**MALCOLM FRASER,**  
Colonial Secretary.

**Additional Amended Regulation for the management of Goldfields.**

Any Protection Area granted under the Regulations of 2nd February, 1888, which after the date of the grant thereof shall have come or shall come within the limits of a proclaimed goldfield, may, notwithstanding the proclamation of such goldfield, continue to be held under the terms of the said regulations, until the expiration of one year from the date of such grant or until the discovery of payable gold on such area, whichever shall first happen; in which latter case the Goldfields Regulations will immediately apply—provided that if the labor conditions requiring two men for each protection area, as provided by the Regulations of 2nd February, 1888, are not fully complied with, the above extension of time will cease and determine, and the protection area will be forfeited.

This Regulation is substituted for the Additional Regulation gazetted on October 1st, 1888, which is hereby cancelled.

*Notice.*—The attention of holders of Protection Areas is called to the above Regulation intended for their benefit, but they are warned that the Wardens of Goldfields are instructed not to grant any exemption from the labor conditions to persons availing themselves of this Regulation.
