**GENERAL CONDITIONS.**

**PLATFORMS AND SIDINGS.**—Goods will not be received for delivery at platforms or sidings except under special agreement that the consignor will relieve the Commissioner of all responsibility in regard to any loss or damage occurring in unloading or arising from any cause whatever after arrival at destination, and the sender will be required to sign a special agreement to that effect. All goods for platforms and sidings must be prepaid at sending stations.

**MARKING AND PACKING.**—All goods must be fully and distinctly addressed or marked, and well and securely packed.

**DEMURRAGE ON TRUCKS.**—When the loading or unloading of trucks has to be performed by the sender, consignee, or owner, a demurrage charge of 5s. per truck per day, or part of a day, will be made for all trucks not loaded up within twelve working hours after supplied, or unloaded within twelve working hours after arrival at destination (exclusive of Sundays or proclaimed holidays).

Should the loading or unloading of trucks be delayed beyond the prescribed time when the goods have to be handled by the sender, consignee, or owner, as the case may be, the Commissioner may, instead of charging demurrage, do the loading or unloading by his own servants, or men specially employed for the purpose, charging the person concerned the rates fixed by the rate sheet, or the actual cost of the work, where no rate is given. The Commissioner does not, however, guarantee to undertake the loading or unloading of any trucks, it being optional with him to handle the goods or not.

Small consignments (less than a truck load) will always be loaded or unloaded by the Department in the absence of the sender or consignee, and a charge of 1s. per ton made for each service.

**TARPAULINS.**—A charge of 2s. 6d. per day or part of a day will be made for each Tarpaulin used beyond twelve working hours (exclusive of Sundays or proclaimed holidays) in covering any goods (whether in the trucks or otherwise).

**STORAGE ON GOODS.**—All goods must be removed from the Railway premises within twelve working hours after arrival at destination (exclusive of Sundays or proclaimed holidays). Such goods not removed within the times specified will remain on the Railway premises at the owner's risk, and be subject to a storage charge of 6d. per ton, or 1d. per package per diem, at the option of the Commissioner.

**CONSIGNEES TO GIVE RECEIPT.**—A written receipt must be given by consignees for all goods received from the department; and the Commissioner may demand proof of ownership or an indemnity-note, signed by two approved sureties, should there be any doubt as to the person applying for the goods being the actual consignee or owner.

**CLAIMS** for loss of goods will not be recognised unless lodged with the Commissioner within fourteen days after date of consignment, and no claim will be recognised after removal from the Railway premises of the goods alleged to have been damaged.

**UNCLAIMED PROPERTY.**—All goods or other property unclaimed for the space of six months after arrival will be sold by the Commissioner, and after deducting from the proceeds what may be due to the department for freight, storage, or other charges (including expenses of sale), the surplus, if any, will be held to the credit of the owner, and paid to him on demand.

Goods, &c., consigned to different persons, though forwarded by the same individual, will be treated as separate and distinct consignments.

**CONSIGNMENT NOTES.**

All goods sent by rail must be accompanied by a consignment-note in a form prescribed by the Commissioner, which the sender (or an authorised person on his behalf) is required to sign, as a guarantee of the correctness of the information furnished therein. Any false description will render the sender liable to a penalty of Ten pounds (*Vide* By-law, 44 Viet., No. 17, Sections 7 and 8). Goods for platforms or sidings will only be carried on condition that the consignor accepts all responsibility in regard to loss or damage arising from any cause whatever after arrival there.

On and after the 25th May the above classification and rates will come into force, previous lists being cancelled.
