Designs and Trade Marks Act, 1884.

No. P 284.

It is hereby notified that John Simpson Abraham, of No. 434, George Street, in the City of Sydney, and Colony of New South Wales, Chemist and Druggist, has applied to register the two Trade Marks represented below:—
In class 3 in respect of Pills:

We ought to seek the truth, which is before us, and forsake the errors of the Past.

ABRAHAM'S PILLS

THE GREAT REMEDY FOR THE LIVER & KIDNEYS

*These full many a pleasing Bloom
Of Blossoms, yet so full of Juice,
Spre the Dandelion's flowers
Still, with dew-like tears, with showers*

Are prepared from Dandelion, the English personal inhabitant of the Garden, Pasture and Meadows, so well known by its flora of Golden Yellow. This truly wonderful Herb has always had the reputation of possessing great virtue, but denied credit as to the best mode of procuring it, and it was only after repeated experiments that Mr. ABRAHAM succeeded by a careful and secret process to form a harmless combination that has quite developed the actual properties of the Dandelion, inducing him to present to the world a really Wonderful Pill, and known as ABRAHAM'S PILLS.

Liversum has given Dandelion a deserved place in the Horologe of Flora. Such has been the belief, that Dandelion has often been administered with superstitious expectations, and on the Continent Dandelion has for many years been held as the safest remedy for Cutaneous Diseases.

PROFESSOR BRUNNER states that Dandelion is a Medicina celebrated in Hepatic Complaints of persons resident in Warm Climates; it affords marked relief, acting as a Tonic Aperient, and promoting various secretions.

FAIR, an old English author, remarked, "who is assiduous, drawing towards consumption, or ready to fall into melancholy, by the use for some time together shall find a wonderful help."

DR. JAMES JOHNSON makes Dandelion amongst those few agents that possess the power of preventing the formation of biliary concretions, and also in dropsical complaints from the induration of the liver.

DR. FRANKLIN recommends Dandelion when the stomach is irritated by its own secretions, arising from Chronic Inflammation affecting the abdominal viscera, especially the liver, when active treatment would be injurious.

Many others might be quoted in its favour, but like most of our Herbal Medicines, it is seldom prescribed.

It is an undoubted fact that the activity of all Pills is due to Podophyllin, Calomel, Blue Pill, or Mercury in some form or other, which act violently, weaken the system, give cold, and are always more or less dangerous. It will be seen that these have been avoided in the production of ABRAHAM'S PILLS, which are purely vegetable, and thoroughly effective, acting without pain, possessing a Tonic, therefore strengthening, and hence the safest remedy for persons who are habitually constive, especially if subject to FITS, NEURALGIA, &c.

They give healthy action to the Liver, Stomach and Bowels, at the same time purifying the Blood from whatever cause arising. ABRAHAM'S PILLS are an invaluable Family Remedy; they can be taken at any time by either sex.

A safe Medicine for Ladies, and expressly suited to the constitution and requirements of women, particularly at the change of life. This explains the great success and golden opinions which follow their use. Thousands say they save all troubles, effectually remove all impurities of the blood, beautify the complexion, no headache, no pain, no flushing, no giddiness, no anxiety. They make work a pleasure, and existence a joy. Superior to any other known remedy.
