TORRES STRAIT.

REPORTED REEF IN WESTERN APPROACH TO
PRINCE OF WALES CHANNEL.

MR. FRANK JARDINE reports that he crossed an unknown reef of small extent, with apparently not more than 6 feet over it at low-water springs, whilst sailing up to Thursday Island in a lugger.

When upon it his estimated position was about 5 miles west by north from Quoin Point, Goode Island. Very shortly after passing over it, whilst steering southerly, the Government Residency on Thursday Island opened clear of Quoin Point. Vessels are therefore cautioned to keep the Residency well open to the southward of Quoin Point when approaching from or leaving for the westward, and to exercise great care whilst in the locality.
